Issue 1 Vol. 19

WORD OF THE LORD FOR SON GRACE MINISTRIES FOR 2005

Revelation 22 - 1 And the angel showed me a pure river with the water of life, clear as crystal, flowing from the throne of God and of the Lamb, 2 coursing down the center of the main street. On each side of the river grew a tree of life, bearing twelve crops of fruit, with a fresh crop each month. The leaves were used for medicine to heal the nations. 3 No longer will anything be cursed. For the throne of God and of the Lamb will be there, and his servants will worship him. 4 And they will see his face, and his name will be written on their foreheads. 5 And there will be no night there – no need for lamps or sun – for the Lord God will shine on them. And they will reign forever and ever....17 The Spirit and the bride say, "Come." Let each one who hears them say, "Come." Let the thirsty ones come – anyone who wants to. Let them come and drink the water of life without charge.

Key words over this ministry for 2005:

- **REVELATION** – A greater revelation from the Word of God will come to you this year. Also a greater illumination of God's Word will come to the people this year. (Their eyes will literally "light up" as the revelation of God's Word hits their heart. **This is the year of the "widened eye"** – of the "wow" of God to come upon people.)
- **REFRESHING** – This will be a year of "merriment" for Son Grace. A year of joy, levity, and refreshing. Expect a refreshing to come upon your life and ministry and upon the people you minister to this year. (It's like a bunch of people joyfully and freely jumping around, splashing around in the water – a really happy and joyful time.)
- **REVIVAL** - Anticipate the masses to come to Christ this year. Entire families – entire churches – in some places, entire communities will be changed by the power of God's Word this year. As you go out, a "power zone" will be established that will accompany you – surround you and the places where you minister – driving back the darkness – revealing the light of God's love – and liberating the lives of people who come near to and into the power zone. (This power zone, in some places will be a few feet around you – in other places it will be a few yards – and in other places the zone will encompass the entire church grounds. There will be places that as people drive onto the grounds and get out of their car; they will come under the influence of the Holy Spirit of God and His power. Changes will begin to take place in their lives, right there as they get out of their cars, they will come into the meeting and testify of God's power coming upon them and setting them free. Word will spread and more will come to Christ "freely, gladly and joyfully" than in days past.)

Revelation 22 - 1 And the angel showed me a pure river with the water of life, clear as crystal, flowing from the throne of God and of the Lamb, 2 coursing down the center of the main street.

- (The anointing of the Holy Spirit will flow freely as God is exalted and Jesus is praised. Expect the Lord to set up His throne in the midst of the praises of God this year. With God exalted and His anointing flowing, expect the miraculous to take place.
- I hear deaf ears popping open – cataracts falling off of eyes and sight coming to people – I hear the creak of bones being shifted and coming into place – I see the lame walking, leaping and praising God.)

On each side of the river grew a tree of life, bearing twelve crops of fruit, with a fresh crop each month. The leaves were used for medicine to heal the nations. 3 No longer will anything be cursed. For the throne of God and of the Lamb will be there, and his servants will worship him. 4 And they will see his face, and his name will be written on their foreheads.

- (Expect healings and miracles to increase this year. Expect them each month as you go out in the name of the Lord. Expect freshness to the moving of the Holy Spirit this year and a greater harvest of saved, healed and delivered people this year. Miraculous healings will begin to mark this ministry for God's glory.)

3 No longer will anything be cursed. For the throne of God and of the Lamb will be there, and his servants will worship him. 4 And they will see his face, and his name will be written on their foreheads.

- (Expect the powers of darkness to be broken and subject to the Word of God this year – more than ever before. As Jesus is exalted through the worship of the people, miraculous things will happen. Expect people to be saved, healed and delivered as they worship God. **(Word of the Lord - cont'd on the following page)**)

"Being Alive in 2005" Revelation 22:1-5, 17 SGMM Word & Scripture
THE YEAR OF THE WIDENED EYE!

(Word of the Lord - cont'd) Do not think it strange that people, in the middle of the service, will get up and walk forward testifying of being saved, healed and delivered. The anointing that breaks the yokes off of people – the anointing that lifts the burdens of people – will flow freely – expect it, anticipate it, praise God for it.)

5 And there will be no night there – no need for lamps or sun – for the Lord God will shine on them. And they will reign forever and ever....

- (Expect a greater revelation and illumination to rest upon the Word of God this year. Expect the anointing of God to cause the “light to come on” in the heart and minds of people this year – expect to see it as you look at them, as you minister to them it’s like their eyes will widen and sparkle as the revelation of God’s love and grace hits their heart. There will be times and places this year where the whole house will seem to “lighten up” as the Glory of God rests upon the people. Like a power surge will cause lights to brighten – so too will the power surge of God’s Spirit lighten the places where you minister as Jesus is exalted and as the place is filled with praise.)
- A second note here – inform pastors where you are to minister that, if they will gather a group of people together to pray and praise for three (3) nights before your meeting is to open, that God’s favor will rest upon them and the meeting in a special way. The preparation they make for the meeting will open the flood gates for God’s river of anointing to flow freely during the meetings. Those pastors and people who will do this will gain a special favor of the Lord, not only upon the meeting, but upon their life and ministry even after the meeting closes.)

17 The Spirit and the bride say, "Come." Let each one who hears them say, "Come." Let the thirsty ones come – anyone who wants to. Let them come and drink the water of life without charge.

- Expect a greater “flood” of people to come to Christ this year. As they hear the Word of God, they will believe the Word of God (because of the revelation and illumination that accompanies it), and they will “freely” respond to the Word of God and come in mass to Christ.
- This is a year to anticipate “masses” of people to respond to this ministry. More will come. More will hear. More will respond. More will receive the things God offers them through this ministry than ever before.

I hear the Spirit of God speaking the word “pandemonium.” (pan-demon-ium)

- The capital of Hell in Milton’s Paradise Lost.
- The infernal region (Hell)
- A wild uproar – Tumult
 - Tumult – a disorderly agitation – uproar- confusion – commotion – a turbulent uprising.

Pandemonium will break out in Hell this year as the devil becomes agitated with the liberation this ministry will bring to peoples lives.

The other side of the picture will be a happy, joyful, rejoicing people over being set free by the Word of God and the Holy Spirit’s power.

SGMM Prayer Partners, Financial Partners & Friends

We want to take this time to say **THANK YOU!** Thank you for your commitment of support, friendship, PRAYERS and love to us this last year of 2004. We would not be able to do all God has called us to do and be for Him without all of you, You make up Son Grace Music Ministries.

You are in our thoughts and prayers daily, precious Partners & Friends! **We pray much JOY, blessing and favor for each of you this year of 2005!**

We love you so and thank God for you daily!
Rev. John & Filese Hauser

To you, who serve God,

To the faithful who has prayed for and have given to this ministry, I bless you in the authority of Jesus’ name. And with a thankful heart I rejoice that God has been faithful through you. May God look upon your sacrifice and obedience as true worship and steadfast love toward Him by spreading His kingdom and touching His people through this ministry.

But many of us have not walked in the place of believing God for the great things He has promised. Some of us have not even trusted God to fulfill His Word in our lives. Yet, God has been faithful to His Word. He has been gracious in His love. And He has kept us through many temptations, trials and struggles, even failures.

And now, concerning this next year, God says, it is time to steadfastly, look up and behold His faithfulness executed and manifested for us to see. God wants us to stop limiting His Word in our lives by our short-sightedness and fear. God wants us to receive the courage we need from Him to advance by the power of His presence.

To advance, we will have to look for and dwell upon his greatness and cover ourselves in the joy of thanksgiving and gratefulness for his revelation. To advance, we must seek His kingdom and His righteousness. Not as an after thought, but as the goal and purpose of our life.

Let me say something further about this New Year. God does not want us to live it out like some ordinary year, like some past year. God does not want us to live out this New Year as usual. He wants us to treat it as if it were our last and only time to fulfill His glory in our life.

You see, God wants our joy to be full, but this joy can not manifest until we find our life filled with His will, His way and His worship. God wants you to take the step of faith it takes to act on that vision, that commandment, that direction that you have received from Him in the past, but, which has not been pursued, let alone, fulfilled because Satan, through circumstances, fears and doubts, even condemnation has over powered you previously.

God says this hesitation and defeat and despair is not to be your way of response any longer. God wants you to

pursue Him, pursue His Word, pursue his direction and, by faith, act on the revelation you will receive as a result of His glory, His power, His faithfulness.

Please, do not allow this New Year to begin without your choice to turn from the ways of responding to God in the past. Please, choose to turn and set your face as flint toward the Lord and His faithfulness. This turning toward Him and dwelling upon Him will change your response to those things in your life and it will establish your direction toward fulfilling God's plan for you in the Body of Christ as a servant to others, a child reflective of God's character and a leader in obedience to His Word.

You will see victory through the faithfulness of God manifested this New Year as you hear this word and turn in faith to His way of believing and His way of receiving, by His Spirit. Scripture Reference - Isa 43:18-21

Dear Ones,

We at The Place Where the Lord Provides Christian Center here in Youngstown, Ohio were extremely blessed when Rev. John and Sis. Filese Hauser came to town and our church will never be the same. They truly walked in the offices God had ordained for the hour.

Rev. John ministered to us with true Apostolic wisdom and fervor, while Filese ministered to us from the heart of God as a true Prophetess powerful, sure and with a concrete Word.

As we worshiped in Spirit and Truth singing "The Days of Elijah" God's Fire fell. Souls were saved and added to the church such as the Lord desired. We were covered with the presence of the Lord, the fire fell. The atmosphere in the room was so charged and the manifestation of the Lord so powerful that the whole church visitors and church family were all either on their faces wailing with heads up, hands out stretched, calling out, to the God of Elijah. I was on my face before God in the audience and Rev. John was on his face on the platform and neither one of us knew what the other was doing. Sister Filese and the Praise Team (Ministers Dave Taylor, Harold and Cheri Blackann) walked us in behind the "Veil" as we experienced a new level of Worship. No one could move.

Sister Filese prophesied that she SAW the fire fall, but we ALL saw the smoke. A Holy Quietness came upon us as we cried out before the Lord; "We are not the same, never to be..."

As Senior Pastor, I write this, a testimony of the workings of man, but of the Lord. Truly the Lord worked through Rev. John and Filese. God has spoken and said this was the beginning of a renewal for all to come and receive of and take back to their people and dwelling places. The Lord spoke and said, we would see the smoke of his fire in our homes as we worshiped privately and many have to this date given witness that their homes have become the temple of the most High God evidenced by the smoke of His fire.

God moved and He used the sweetest couple I have ever met. Surely the Lord is using them for this great hour for the edifying of the body, till we all come to the fullness of the Lord Jesus.

Blessings on you!
