

# SGMM Partner Update

THE LORD IS MY STRENGTH & SHIELD; MY HEART TRUSTS IN HIM AND I AM HELPED. MY HEART LEAPS FOR JOY AND I WILL GIVE THANKS TO HIM IN SONG. PSALM 28:7

**Issue 7 Vol. 19**

Precious Partners and Friends,

What a wonderful and hot summer we have had so far this 2005 season. We pray and believe that you are staying close to the Lord and that He is directing all your steps in your summer activities. We love you each and every one so very much and deeply appreciate all you are and do for the Kingdom of God and the Gospel of Jesus Christ through your love, friendship, prayers and faithful support to us and God's SGMM.

This note is to let you know what we have been up to this past few months. Rev. John has been teaching at The Crown Center on Wednesday evenings the past two months on "Being Transformed," and has continued to do some counseling as the need presented an opportunity and as God has directed. He has also been working here in the Main Office of SGMM doing lots of work around the house, inside and outside and he has been helping out at The Crown Center as he can, as well as our IPHC Campgrounds a few weeks ago. Rev. John also helped Pastor John & Anne Youell build a fence in their back yard and as always, loved the time of fellowship with them as well.

I have had two different Women's In House Retreats and will be traveling to the Marlow/Duncan, OK area Monday, July 11<sup>th</sup> to speak at a Women's Service held at Glory Bound Church. I'm looking so forward to this new door opened to SGMM in that region.

We attended a week of great services at the IPHC Heartland Conference Camp Meeting, Summer Summit and then traveled to the Tiger Mountain Area to minister in song at the New Horizons Ministries Camp Meeting. We were so blessed in each of these power packed ministry settings. Praise Be to God!!!

We are looking forward to being with our family in ministry and eternal friends at Believer's Chapel in Gage, OK, July 30<sup>th</sup> (PM Service) and July 31<sup>st</sup> (AM & PM Service) to start out the fall tour. We are still working with God and His direction in tightening up the Fall Tour for August, September, October and 1<sup>st</sup> of November. So please keep that in prayer with us for new opportunities and doors to open.

We are planning to travel to Louisiana with Dr. Ron Carpenter, Sr. and EVUSA for a Conference this fall. Thank the Lord with us for this opportunity before us as God continues to work out the details.

Our grandson, Joshua Will, has been spending lots of time with us this summer and we have so enjoyed him. He is really growing up. He turned 11 years old on June 10<sup>th</sup> and is attending summer school on Tuesday-Thursday each week this summer. He has loved having us home for a while so he can work in the yard, wash the Bus and play with his Papa John.

We have had several partners come by the Son Grace House to visit us and that is always a joy.

As you can see, we have kept very busy about the Master's business and all that is required in running the ministry on a daily basis behind the scenes, and of course, we are still in healing from sending mom, Vesta, home to Heaven. We sure miss her!

Concerning my, Filese, healing from the February 20<sup>th</sup> car accident, my ribs are on the mend and we are still praying for my left shoulder bone and the rotary cuff. I desire not to have surgery and am still under a Doctor's care at McBride Bone and Joint Clinic here in Oklahoma City. I go back for an appointment on August 8<sup>th</sup> and am looking for a good report. We are believing God to continue to bring some closure to His glory and our good from the insurance companies that are involved. God has just done wonders in all area's concerning these issues, so far. So, just give God praise with us as we also keep this covered. Pray as we bring these things to the final table and closure of everything. God is so good!

Again, we love you and give thanks to our God daily for you and at every thought of you throughout the day as well. Keep praying and praising the Lord.

Love and Jesus hugs,

**Rev. John & Filese Hauser**

**Mark you calendars now for the SGMM Word Conference 2005. November 12, 2005 at The Crown Center, Moore, OK.**

**Partners, continue to thank God for His Prophetic Word of Scripture and the 2005 Prophetic Word over God's people and this ministry this year. Get God's Word in your spirit and in your mouth's every day, claiming and praying his Will be done in all of us this year to His Glory and our good!**

Greetings Family, Friends, and Partners,

Just another quote that caught my eye causing me to pause and ponder. It is simple but profound at the same time. For me it is rather personal because I know that 14 years ago this ministry prayed for me to be saved. That certainly changed MY world. It is my prayer that the Lord will give me His heart for those who are yet surrounded by darkness.

Please consider the following as you pray for SGMM this month:

- Complete healing and restoration for Filese

She has been instructed to do exercises to strengthen the affected shoulder. Each time she goes to the specialist, we are made more aware of how much damage was done and yet see how much they all were protected and kept in the accident.

- Righteousness in the closing of the financial aspects of the accident

Keep praying. We are seeing God answer this prayer but not everything has been finalized.

- New territories opening for appointments

This too has been answered but there are still dates open. We are waiting on the Lord for direction.

- New Partners and Supporters
- The Word to continue to be manifested in all areas

We have just completed the first 6 months of the 2005 Word. More and more illumination is being given to the revelation of that Word. It isn't hard to look back and say, "Wow! Lord." But we don't want to stop here. Please continue to hold the Word over the ministry and your lives. Let's take joy as we look to the prophetic to come to pass.

I'm looking for your reports to follow as you continue to look for the miraculous power of God to be manifested in and around you.

**This was sent to Karen Hauser after her SGMM Retreat at her home and we were so blessed by the faithfulness to God that was shown, we wanted to share it with you.**

Dear Karen,

I received your invitation for the retreat in your home this Saturday. I am sorry to inform you that I already have a commitment. I have wanted to be in attendance at your home so please don't remove me from your list. Maybe next time!

Enclosed you will find a love offering for the ministry and please tell her that I miss her so but I will see her at Hazel's retreat.

Thank you for including me and blessings in the retreat!

Love,

SGMM,

What a wonderful day in the Lord. Once again, He showed Himself strong and powerful in ministry.

We had a great day and Filese brought an outstanding teaching that I am sure changed the life of each of us in attendance. Thank you, Filese for allowing the Lord to use you so powerfully in His word.

God Bless,  
Aunt Ann

Dear Rev. John, Filese and all the SGMM Prayer Partners,

I wanted to say a big "Thank You," to you all for praying with us concerning our son, Jonathon. He is home and doing better. We still have a few Doctor's appointments to get through but over all, All is Well!

I just wanted to let you know we are praying with you also in your loss of your mom and concerning the car accident.

We love you all very much!

Thank you again,

Dear SGMM Partners,

I just want to thank you from the bottom of my heart for your prayers and you believing the Holy Spirit would be present at our retreat.

I believe that each and every person was touched by God's presence. For me there was definitely the presence of God. Filese is an awesome woman of God and through her

Filese teaching at Women's Retreat in Al & Ann Gibson's home.

God spoke volumes to me and a family curse was broken in many different ways. A curse that has affected my life was broken. That in itself was a miracle that only God can do.

I just want to thank you for the prayers even though I have never met most of you, the connections through SGMM have changed my life as well as the lives of the people I am connected with. Thanks so much and I hope to get to be involved in these retreats again in the future.

Love All of You!

Dear Lisa

Thank you for all the e-mails of prayer and praise. We pray over them and take each one very serious. Thank you & Jeff for all you do for Son Grace and for God Warriors.

God Bless Jeff on his ministry license. We look forward to sharing with you all what God has in store for you and what he will do in your lives and Son Grace.

I am claiming Psalm 91:10-11 over you guys, SGMM, and your households and all the partners and their households. Claim that everyday over yourselves.

Love and God Bless You both,

Dear Filese,

The women's retreat at Ann Gibson's home was a very blessed, dramatic experience for me. The worship time was like being in heaven with Ann playing the harpsichord. Being at that retreat filled me with a sense of peace. I was equipped with prophetic insight. Since that day I have changed my thinking pattern, and my life has been better.

Looking forward to being in a ministry setting with you again,

Davida Arif

Dear SGMM Partners,

Thank you so much for making it possible for us to be in ministry settings through your prayers and contributions. The last two women's retreats were divine appointments for us as well as those who hosted and attended. One home was opened to us because an SGMM partner introduced this ministry to a friend. That friend was blessed and wanted to share the Lord in ministry with her friends and family. In turn, another friend at that retreat wanted her church family to be blessed and an appointment was made for a women's meeting. Praise God. It was awesome to see it all come together. At that same retreat we were able to minister grace to individuals in a family.

At the second retreat I was thrilled to finally be able to have my own sister sit under the umbrella of SGMM. She has resisted for years but that day was a divine appointment for her. It is my prayer that it was the beginning of a deep work in her life.

I can't count how many retreats I have attended in the last 14 years. All of them have been times of training for e. Honestly, I didn't realize that some of the time. There are definite things that I can relate to you that God ministered to me regarding my calling and walk with Him. In my mind I can

picture the settings, maybe what I was wearing, I can take you to scripture that was rhema to me. I have met so many people and heard so many stories. But of the utmost value is what I have seen and heard the Lord do for His people. Personal encouragement has come from others receiving ministry. One word sums it up. "WOW!"

Has it been easy to attend most of the retreats in any given year? No. Some of them occur during the month of my daughter's birthday and my anniversary. Do I regret the time and effort? No way!! My only regret is the ones that I have missed. I would encourage you to attend as much as you can that SGMM is involved with in your area. At least consider making the annual Word conference. The blessing is yours. The blessing is mine in being able to meet you face to face. I love it! Maybe it's because I love you in the Lord.

Once again, thank you for making it possible partners. Be a part as much as you are able.
