SGMM Women's Retreat 2006 Three-sixty Reflections

You are invited to a Winter Escape Women's Spiritual Retreat, designed to provide an atmosphere of God's presence as we share, reason and study God's Word together.

This year's retreat speaker will be Melody Barnard. As a single woman she understands first hand the reality that God is on her side. Her passion for the Lord is consistently seen as she reaches out to be his hand extended wherever she can.

She presently serves as the Administrative assistant for the Heartland Conference IPHC Ministries and as Worship Leader for the Sunday Evening Gatherings of Christian Heritage Church in Yukon. Melody coordinates ministry events including helping with Summer Summit, One Week, The Ministers Retreat and Christmas Banquet etc. With all of these duties she still finds time to help churches get their books set up properly, and work through technical, frustrating, often complex issues with the "business" of churches. Melody graduated from SCU in 1986 with a four-year degree in Christian Ministry. She was ordained as a minister of the gospel in the Heartland Conference IPHC Ministries in June of 2004.

Melody is talented, courageous, experienced, and sensitive to the Holy Spirit.

Join us for this wonderful day in the Lord as we have fun together in fellowship leaving refreshed and revived.

Precious Partners and Friends,

Greetings in the wonderful name of our Lord and Savior Jesus the Christ!

This has been just an AWESOME BEGINNING of 2006 already! God is so present with each of us, His Own, and He so desires to share many new and wonderful areas of Himself with those who are ready and positioned for freshness in Him this year. Remember, you have been prepared, and positioned, "for just such a time as this", for the adjustments necessary to be made that will advance you in your destiny and God's Kingdom ministry this year. This is a very monumental year for those in the body of Christ. It is a declared year of God's favor toward you and upon your life as you move forward by faith, trusting His Word to you this year. You are a blessed people of God and He has purposed you to be a blessing for His Glory and eternity's sake, to all around you and in all that you are directed to do in His Name. Start seeing yourself "blessed". Begin to call yourself the "blessed" of God. Like never before, start immediately, at this point in journey of this New Year, to "Make Your Confession Sure", based on the Word of God. Speak the Word of God into your life situations on a constant basis and at every turn. Pray and speak God's Word, the ANSWER, over everything that concerns you or your life and anything that it entails. God already knows the problems surrounding us, our lives and those things that would try to hinder us in our journey of faith in Him. He wants to know that we know His Word, about that circumstance or area, and in praying His Word we are praying His Perfect Will into that area of need or zone. Our faith in God and our trusting His Word and taking Him at His Word,MOVES GOD RIGHT TO THE NEED, PROBLEM OR AREA.....It releases the Power and Life of God, and all that God has provided and promised us as His people, immediately and directly to that which we are needing activation of change in, from the natural to the supernatural realm of God, from the negative movement and report of things, to the positive movement of the Power of God's Anointing, and Holy Spirit application to the entire situation.

We determine to look for and move more in the Miraculous of our God this year, than in years past. By His Grace and in Power of the Holy Spirit, dear friends, we **CAN** do this and move into deeper dimensions of Faith, Prayer and illuminations of God's revelatory Word to us, His people and servants this year.

We have been in awe, as the Holy Spirit of our God has swept in among us this last month at each and every Women's Seminar/Retreat. We have had salvations (we pray for souls, souls and more souls for the Kingdom of God through Jesus Christ's sacrifice this new year), lives have been set free, and direction revealed to several, in the area of their lives and God's divine plan for them. We thank each one of you who have prayed for these retreats fervently this year. Your reward will be eternally great, because of the powerful and mighty work of God that has already been accomplished in Women's lives, that will Never, Never be the same.

Thank you to all of the wonderful hostesses, who continue to open your homes as Ministry Stations during the winter months, so that the Lord can so beautifully draw us aside unto Himself, with such prepared atmospheres of God, to gather in and retreat to, that we might depart to advance more effectively for the Lord. We bless you and love you for your heart, and commitment to Jesus, and the

ministry of the Gospel.

We had the wonderful privilege of traveling to Wetumka, OK and serving with the People of God at the Living Waters Church there this past weekend, as their precious Pastors were on vacation. God certainly showed up and did a fresh thing. God gave anointed Words of encouragement and challenge to His people. We say, "Yes Lord, Yes ! to your Will and to your Way".....was the response to the Prophetic and Anointed Words of God to us all. We thank the Lord for this opportunity and bless our family in God at Living Waters Church, and their Pastors house, who are our dear friends and colleagues in Ministry. We love you!

We continue to receive reports from around the country where we have traveled over the past year, of all that God is doing. For this we give Him Thanks and all of the Glory. We bless the Lord for all that He is doing among His people and His Vision continuing to be fulfilled in the two churches that so umbrella this ministry and under gird us with support, love and prayers on a regular basis, THE CROWN CENTER, our home church when we are off of the road, and our church and family at BELIEVER'S CHAPLE. We love and appreciate you so very, very much. God has GREAT things in store in days to come this year! Be aware to set a watch and look for God in all of the door ways and entry areas around you. He is there and He WILL be blowing in speedily with new force and through new instruments coming your way. So Be it! Blessed be the Name of the Lord!

I will impart to each of you reading this March SGMM Road Report, a Word released from the Holy Spirit through Rev. John at one of our appointments within the past several weeks. It hit our Spirits as it was given, as I know it will yours. The Spirit of God said, "Casualness will ALWAYS bring Casualties".....So let us not grow lack in our Watch, nor allow the spirit of 'casualness' to slip in on us.

You are valuable to God and to us. Know that you are loved and appreciated so very much! Let us hear from you, either by notes, e-mails, a phone call, or when you are in the City area, we would love to greet you and have some personal time with you this year. So, please stay in touch with the Lord and with us on a regular basis. We love hearing from you!

You are in our daily prayers and thanksgivings. We are praying the Covenant over you, your house and your areas of life and ministry constantly!

Until next time, remember, don't get bogged down in the mud as you go forward under the Lord's command, be sure and keep those Holy Spirit Skates on, so that you can swiftly move on and around anything that would try to detour you. And do begin see yourself blessed by God and call yourself **"the blessed of God", for you truly are!!!!** You are "Positioned for Success" by God's design and Will this year 2006.

Jesus Hugs!

SGMM,

Our ladies' one-day retreat with Filese was wonderful! We sang together, worshipped together, and shared from our hearts and lives. It was a special "time away" to bond with each other and learn more about faithfulness.

As women in today's world, we often get so busy we forget to be faithful in the truly important things. Filese shared from the Scriptures and her own experience as she taught us about the blessings of faithfulness. I felt renewed and challenged and especially blessed to be there!

I so appreciate everyone who prayed for us and our time together. God was truly with us!

Dear SGMM Partners,

On Feb. 24, 2006, I attended my first retreat with Filese. I was so blessed as we shared Esther and brought it home to our own lives.

I am a recent transplant from Texas to Oklahoma. I knew coming here that it was God's plan and purpose. This was reaffirmed, confirmed and made so plain to me this weekend.

I was so blessed to be a part of this time in the Lord. Realizing that God can speak to me-even through the "old stories" is such a blessing and has been for much of my life.

We truly do serve a God who is the same today, yesterday and forever.

SGMM Partners,

Again, I felt blessed at the ladies retreat held at my house in Kingfisher. We had a great group of ladies come out for the day. I believe there was one new to the retreat but most of the ladies had attended before - either in Kingfisher or one of the others that are held in other parts of our state.

We learned or had our eyes opened that there are blessing of being faithful. Filese does a wonderful job discerning the personalities and moods of the group and lets the Holy Spirit take control so that everyone is blessed in the way she needs to be. I am always blessed after hosting the retreat every year that I want to challenge others to host their own retreat.

God does bless the faithful!!

Love,

Karen Hauser (Kingfisher Women's Retreat)

Dear SGMM Partners, Friends and Family,

We thank God for you, your prayers, cards and flowers meant so much to us. We couldn't have gone through this without God by our side.

I just wanted to share this with you all. A few days before the accident involving our precious little Destiny, she told her Dad that she went to Heaven for five minutes. Now

her Dad wishes that he would have asked her questions about what she did and what she saw.

We want to say a special thanks to Rev. John, Filese and Joshua Will for being with us the day of Destiny's funeral.

Dear Precious Friends and Partners,

What a powerful season of women's retreats this year. It has been so powerful that I want to share some things that have come

forth that are to all of His body. First, let me congratulate Dovie Thompson on surrendering her life to Jesus Christ at the retreat in Rush Springs. Welcome to the family, Dovie. We celebrate with you. *Please keep Dovie in your prayers as she is in a faith journey against a report of cancer. She has asked for your prayers during this journey. We also want to praise God with partner Kathy Yobe for the successful surgery that she underwent as well as Sheila Lucas. We praise God for all He is doing!*

I can't share each retreat with you, but I will try to recap for you some of the things that have been coming forth through the power of the Holy Spirit. This is going to be a monumental year for God's people, a year of great FAVOR AND BLESSING like no other. There will be things that we will encounter along the way that we will have to handle. However, the Lord has said that we are to be careful not to embrace these situations and get bogged down by them. Our attention to them should only be long enough for us to speak God's Word concerning them and then move on. (What we have been teaching you as sandbagging). The Lord has said that we are to even guard against any curiosity that would cause us to embrace anything that is not of Him. We are to guard our hearts and minds and receive only that which releases life, promise, benefit, provision, and abundance. The Lord said to receive His providence and then release it to others.

The confession of our mouths is very important in this season. Change your confessions. Obedience is a key factor. Obedience brings power. Faithfulness brings favor. Faithfulness means that God is able to trust me as much as I am able to trust Him. Begin to ask the Father to allow you to only hear His Word and pray against any form of deception. We must have divine wisdom. If you recognize that you have missed it in any area, repent and then realign yourself.

Thank God now for this MONUMENTAL YEAR. This season of favor and blessing will not last forever. Determine in your heart to recognize the movement of God and then move with Him.

That recaps what God has been saying to His women this retreat season. There is one more thing for us to think upon. People want to know what God has done for you more than what He did for Peter, James, or John. He is our Great Keeper. That's the Good News that we fail to see or share. Use the favor and blessings this year to brag on God.

As of this writing there are two more retreats left for this season. I wonder how many more nuggets of gold He will deposit into His Women. Until next time, keep sandbagging and praying against Theft, Robbery, or Loss. Meditate upon and incorporate these concepts into your life. Pray the Word, and fast as God directs.

You are blessed,

Miranda Baker
