Dear Loved Ones,

Greetings in Jesus Wonderful Name!

God is so, so awesomely GREAT and GOOD ALL the TIME.....We are so thankful to the Lord for all that He is doing among

His people and in the earth today.

We just returned from a Ministry trip in Louisiana, with Dr. Ron Carpenter, Sr. and EVUSA.

Dr. Ron Carpenter, Sr.

When we arrived in Lake Charles, we were so accepted and blessed by the IPHC Mid-South Conference Bishop and his precious wife, David and Sally Holton.

They were working very hard at the church property, where hurricanes Rita and Katrina had left much damage. We had the joy of jumping right in and working along side them and some of the wonderful folks there, as they were getting ready for the Conference to begin the next evening.

Bishop David Holton.

The Conference was truly a great and rewarding time for us and all who attended. We met some powerful men and women of God who are serving the Lord in Ministry in Louisiana, and visited with several Pastors about us coming back in the Spring, and

putting a ministry tour together. Praise be to God! We have heard reports of how the Holy Spirit encouraged and refreshed so many through the Messages and fellowship of the Conference, who had come weary and discouraged, but returned to their ministry post uplifted, with newness of life for the challenge.

The Holy Spirit delivered a Word to the Conference, through Rev. John, on Thursday evening, and God said, " He was going to remove the blinders from the eyes and loose the chains of bondage, on the people of Louisiana, and set them free", God went on to say, "IF His Church and People, would prepare themselves to receive them, and be ready to minister HIS love, grace and acceptance to them ." The services were Powerful, and Dr. Ron

Rev. John, Filese & Rev. Macon Wilson

imparted such anointed teachings to us from God's Word.

We had the

privilege of being present at a luncheon gathering of Pastors in the Baton Ridge area on Saturday, who were interested in fellowship and affiliation with the IPHC and we watched as God bonded and united us together, as everyone shared their hearts with one another. Rev. Macon Wilson, Dr. Ron, along with Bishop Holton, Pastor Gordon Atwell and others from the Mid-South Conference, Rev. John and myself, reminded us all of the importance of 'CONNECTING TO NETWORK THE GOSPEL', and the support, fellowship, joy, help, accountability, and safety that is in connection and team work for the Kingdom of our God. The Holy Spirit set several Pastors at liberty, as the Lord counseled them through a Word He gave me to release to them saying, "many of you are expending all of your energy and are discouraged because you are chasing sheep. Teach them. Let me do the chasing. Get your eyes back on Me and the Vision I have given you. I will take care of the sheep." Wow!! We all, as leaders need that Word, Lord! Thank you..... and help us to walk in it.

We had unbelievable services in Denham Springs, at Faith Family Church. Dr. Ron spoke on Saturday evening on being created in God's image and

Filese ministering with Praise Team

knowing who we are in Christ. In the Sunday morning service Rev. John led the Church in prayers of repentance and deliverance from areas of bitterness, hurt, judgment, rejection, prejudice and unforgiveness, just to name a few, and then preached a message on healing of the Spirit, Soul and Body. Rev. John and leaders of the church, prayed for individuals until around 2:30PM. It was awesome!

We had the joy of spending the afternoon with Pastor Gordon and Theresa Atwell and their eight

Rev. Rick Fountain.

precious children, in their lovely home. Sister Theresa fed us a delicious Cajun roast lunch and after service that evening, Rev. John and I, were so blessed by the best Cajun Gumbo in Louisiana, made by our dear new sister and friend, Theresa. Rev. Rick Fountain, who had just ministered the Word in the evening service at Faith Family Church, joined us as well. Rick has been working as one of the main Pastors with Pastor Bill Wilson in Brooklyn, New York and the Sidewalk Sunday School Ministry, and has just come on board with EVUSA as Dr. Ron's Assistant.

Faith Family Church has the youngest praise and worship team and band that we have ever seen. The Worship leader is Joshua Atwell, Pastors son, who is 20 and they go down from there in age, except for the

forever young drummer. Hallelujah! They were GREAT and ANOINTED. We are so blessed. OH! And I must tell you that I had some 'gator' slipped to me in Lake Charles, by some PASTOR FRIENDS. It tasted somewhat like chicken, I'd say. They also tried to baptize my food with LOUISIANA HOT SAUCE. As you can see, we truly enjoyed "the joy of the Lord" with our new brothers and sisters in bayou country.

We came back through Galveston, Texas, road the ferry out to the island and spent the night, and took an evening walk along the Coast together. It was wonderful.

We are almost ready to get in the Gospel Coach and head out on fall tour to through Tennessee, Kentucky and to the north eastern part of the U.S. We appreciate your prayers for us as we travel and for God's Will to be worked during this tour, that the Lord be Glorified like never before in the lives that will be touched, saved and changed this fall tour of 2006.

We will be returning, as always, just before the SGMM Word Conference on November 11th. WE ARE BELIEVING TO SEE YOU THERE THIS YEAR...We are so excited at what God is setting in order for this special divinely appointed day together in His Presence. PLEASE DO NOT MISS IT! JUST DETERMINE TO BE WITH US AND LET NOTHING HINDER YOU.

We love you each one so, so much.

Until we see you Nov. 11th, or until we hear from you again, we remain as always.....

God's Servants and Your Friends,
Rev. John and Filese Hauser

Praise Reports

To all those associated to the Hauser Ministries,

Our revival at Faith Family Church located in Watson, LA has tremendously blessed me. I have been going through a much tormented state and wanted a way out. Being the Christian that I am I begin to grow cold, bitter, angry, and even allow hatred to enter in when I received no answer to my prayers. I even begin to slip into backsliding.

I had for a long time (years) directed my bottled feelings towards the devil as it should be. When this past year things got worse and nothing happened I started to direct it to God instead. I rode the fence so to speak concerning my spiritual state of well being. I didn't want to let go of God but I grew tired of holding on and so I slipped.

I heard of the healing ministry the Hauser's had and knew this was my only hope of re-grasping a hold of him. I need to let go of all the past hurt and pain that was

still obvious in today's time. I needed healing in my heart, mind, and spirit.

I went up for prayer and Sis Filese came to pray for me. I told her the healing I sought and she had me to repeat a prayer of acceptance with her. I didn't feel any change, I was numb. She said she felt like just putting her arms around me as God would. When she did this I begin to pray in the spirit along with her and the presence of the Lord was definitely there.

She placed her hand on my stomach and she began to pray that God refresh the anointing in my life and to stir up the gifts he has placed in my care. I broke. As the message brought forth that morning, sometimes God will have to re-break what was broken just to reset in back in its proper place so it can be restored to a stronger vessel.

I am ready to mend and am on my way there. Sis Filese never knew me but the Holy Spirit and the anointing on her life revealed to her the anointing and gifts God trusted to me and that reminded me what I already knew, he's going to take care of me because I am one of his.

To all those who prayed for this revival thank you. Your prayers helped so many people, especially me. It was no accident I was there that night, I was the one you were praying for.

Thank you once again my Brothers and Sisters in

Christ

Dear Prayer Partners and Friends,

It is that wonderful time again when Rev. John and Filese are out on fall tour for Jesus. Please be in prayer for their safety as they travel. We like to

cover every aspect of the maintenance, safety, and running of God's "Gospel Coach". It has been wonderful for them to have their own place of rest and a "sanctuary of peace" while on the road. They are on major interstates with semis and other large vehicles. Please pray that there would be a hedge of protection around them. That also includes their health and well-being.

We ask that you pray for favor from the least to the greatest, youngest to oldest. Wisdom, revelation, illumination, words of knowledge, discernment, and the on time rhema word for each appointment are priority. Favor must be present for God's Word through SGMM to be received as ministry goes forth. Reaching people to see eternal changes made in lives, homes, marriages, and relationships is the whole reason we go forth.

Also remember the offices of SGMM as we work to maintain excellence in the affairs of this ministry. We are anticipating a powerful and exciting Word Conference on November 11, which we are preparing for right now. Many of you plan leave from work to be present with us. We are in awe of your commitment to God in that.

Your continued love and support has value beyond measure. Prayer is the very foundation of this ministry, the key ingredient. God bless you abundantly, dear friends.

Your partner in ministry,
Miranda Baker
