*"I came so they can have real and eternal life, more and better life than they ever dreamed of." (John 10:10)*

Dear Partners and Friends in Christ,

Greetings in the wonderful name of Jesus Christ the Anointed One!

Praise be to our God for His awesome power and faithfulness. For all of His mighty works, we give Him thanks. To Him be all glory, and honor and power in and for all things that

the Holy Spirit is doing through the People of God in the Kingdom on earth at this divine time. This is truly an Anointed and Divine Appointed Season like no other has been in the past. Since God does all things good and His mercies are fresh and new every morning, He and His Word stand the same and unchanged, yet I do not believe that He serves leftovers. I believe that His Deeds, His Works, His Presence, His Mighty Acts are new and fresh in every new day and that what has been established in the day and days before remain and are added to each new day. Everything that is not of God or done in the name of Jesus Christ and to the Glory of our Lord, passes away and does not remain with any effectiveness. We praise God for this Kingdom Season and we are SO excited to be apart of the Kingdom of God being advanced on the earth at this time, like never, never before in it's history. Hallelujah!!!!!!!

We have had more rain here in Oklahoma and more to come, is the report of earth. God knows how much moisture we need now and are going to need as the hot months of summer approach. So we choose to give God much praise and thanks for the rain and water that is standing in streets and yards right now, and believing God for those who need rain so badly in several states like Florida and Georgia, where terrible fires are spreading everyday. That was the report coming from Oklahoma this time last year. So we pray for rain naturally and spiritually for those areas needing it right now.

We also praise God for His keeping power over all of you. Your lives, businesses, marriages, children and family members, property, ministries, etc. and we BLESS you and everything that God has given unto you and everything that you put your hand to do, as you do it 'unto the Lord', we are believing, in our prayers for you everyday, that He will pour out upon you BLESSINGS that you can not imagine or think in the natural. That your lives TOTALLY be filled with "JOY UNSPEAKABLE AND FULL OF HIS GLORY" at every turn. We love you so, so much and appreciate all that you mean to the Lord and to us.

We had a POWERFUL time of 'battle -to-victory' at our divine appointment in Lookeba, OK, New Covenant Church last week. Thank you for all of

your prayers and intercession for God's SGMM and us His Servants. Pastors David and Roberta Brack are just precious, called instruments of God and we praise the Lord for what He is doing in them and through them in that community, now and in the days to come. Hallelujah!!!!

As you pray, thank God daily for them and all that He has positioned them, and equipped them to do for the Kingdom in this Season of Anointing, in the region and the entire Caddo County area. God said that the boundary lines were 70 miles to the north, south, east and west, and that He would even stretch that to 100 miles as they believed Him and took the territory, calling "the ground GOOD".

Pastor David had asked God for 'spiritual break through' and the Lord certainly granted his request. God broke in, broke through and broke out in his servant Pastor David and Roberta, the people and the whole church body present, by Wednesday evening. As the Anointing and the Word of God continued to blow holes in the wall that had been trying to hold them captive for weeks and months, liberty and shouts of victory and praise continued to go forth nightly. When on Wednesday night the atmosphere was free and saturated by the Presence of our God, His Glory filled the house and His temples of His people afresh. The River of God was flowing so powerfully, several were healed in their bodies. One precious lady, Pastors main intercessor, had not been able to completely raise her right arm and as Rev. John continued to thank God for the Healing power of God healing that arm, not even touching her, just speaking the Word of God to that area of her body, she began to raise her arm as if someone had her finger tips and was so gently and beautifully pulling her arm up to a totally straight and lifted high position. It was awesome to watch. The Lord laid her down under His mighty power and ministered His love and encouragement to her for some time in that service.

Pastor was re-positioned in his Calling and appointed place as God's Point Man for this season in that place of the Kingdom, and several leadership re-pledged themselves to the Lord and under the Pastors leadership and authority. We were all so blessed and WOWED!! by all that the Lord was allowed to do among us in those 5 services, seeing the worth of standing and doing spiritual warfare for the Kingdom of God and watching as the kingdom of darkness was pushed back and dispelled. Much, much more is to come to this area, and New Covenant Church is called to be a powerful part in the plan of God in this season, as God's leader Pastor David leads under God's divine directions. We are so, so excited to hear what God will be doing in weeks and months to come. Good God 'stuff', is coming out of Lookeba, Oklahoma!!!!!!! Hallelujah! Read Pastor David's report that is presented to the

glory of God in the newsletter, you WILL be blessed to hear and see, "WHAT THE LORD HAS DONE", and is now present and positioned to do. Praise be to God!!

We are in Summer Summit Conference at the campgrounds here outside of OKC. We are believing God for 'BREAK THROUGH' in all of our conference churches and areas, going from the leadership on to ALL of God's people connected and in attendance. We pray that what comes out of this Summer Summit will impact the entire city and state of Oklahoma and beyond. So be it God!!!!!!! In the powerful name of Jesus the Christ! For God's Glory and His Kingdom sake. Amen.....

We pray that this love letter from us finds you each one in health and experiencing the awesome constant Presence of our Lord. He loves you so much and so do we.

Stay in touch with us . We love getting your e-mails, notes, and phone calls.

Until next time, remember to remain faithful to your Lord and know He is always there for you. Stay in position and right standing with your God so that you may receive and enjoy all that His Word promises to you His faithful servants.

### **There is Power in Priority**

Recently I asked God how I wound up in the situation I found myself in after missing the mark of His high calling of Grace. His response was clear. He said that I lacked His priorities, the priorities of God.

He continued on to say, that His priority was the Kingdom of Heaven, not the kingdom of John.

The sad part of my mistake, my sin was that it led me into further sin like, condemnation, judgment and feelings of despair. I mean that I felt like I would never change. It felt like I could not change but would have to live with my broken, sinful attitudes and the outcome of this condition forever. But God's response to me asking for wisdom gave me hope. So now, I understood that my mistake which led me into sin was that I was focusing on the priority of John rather than making His priority my own. And my priority was my kingdom.

The reality is that if I do not seek His priority I will find and follow another, usually my priority. But the problem is that there is power in priority. There is power to bless and there is the power to curse. The

priority I follow determines the direction this power takes, blessing or cursing.

I seem to keep forgetting that, left to myself my own earth bound tendencies and habits will eventually lead to power being used to curse rather than bless. I seem to keep forgetting that I must choose whom I am going to serve. I must choose how I am going to live. I must choose whose priorities I am going to follow.

His Word reminds me:

*33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. Matt 6:33 KJV*

The solution, praise God, is to seek His priority, His Kingdom. When I seek His Kingdom, I sacrifice the tendency to follow another's. But, what is this priority that God puts on His Kingdom? His priority for us is to "keep the first thing, the first thing." Even if we seek or try hard to follow after the important things of life, they will always be, at most, only second best in importance to God's plan for our life. And, then we find that we have missed the most important thing, His Kingdom.

His Kingdom can be summed up by this next verse.

*17 For the kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost. Rom 14:17 KJV*

Righteousness is right relationship with God which creates in us His Peace and the result we experience is Joy in the Spirit, His Spirit. These are His priorities. These are what make for fullness of life, His life in us.

A colleague in ministry many years ago once reminded me that since these priorities reflect the Kingdom of God, I was not walking in His kingdom if any of these were not present in my life. He was right. So, if I do not make these priorities my priorities I not only fail to walk in the Kingdom of God, I will find myself walking in the kingdom of some other god.

But there is power in priority, God's priority. I want to "keep the first thing, the first thing," in my life. I want to work out my salvation by walking in His Kingdom rather than another's. Then, I can use the power of priority to bless rather than curse, to help rather than hurt.

What are your priorities? What Kingdom do you seek after? You choose. You pay the price of blessing or cursing.

In His service,

Dear John and Filese,

Thank you both so much for coming to New Covenant Church. You are both very anointed and we were all so blessed by that anointing. John, your words were so moving, they seem to penetrate to a persons very core. You really have a gift of asking the right questions. I also loved the way you flowed with the spirit so gracefully. Thank you for allowing yourself to be led of God to meet needs in our church. Many have told me how blessed they were during the services. John, you are truly a great man of God!

Filese, I loved your singing and piano playing. It was awesome! You really took us to the throne room every night. Thank You! But Filese, I can see your greatest gift is your love for people. It was so obvious. Thank you for loving on me and Roberta and the church, we all needed that.

Thank you both for lifting our spirits. We were all still mourning over the loss of Steve, and other issues. But you brought us out of that deep pit of despair and bondage. While we were in mourning, satan had crept in and attacked us, especially me. I was ready to give up. Satan had convinced me that I was a loser, that the ministry was to hard. I was tired of fighting and losing. Every night of the revival I struggled for anything positive to say. Words were not flowing out of me. I had no joy, until the last night of revival. I don't know if you knew how close I came to quitting. The whole time you were ministering to me at the end of the service, I was saying yes to your questions by faith. I really (in the flesh) wanted to say NO, I'M TIRED OF THIS, I QUIT, LET'S JUST GET THIS OVER WITH AND GO HOME. But thank God you had the insight to make me say the right words. When you anointed me, I didn't feel anything, but I decided to receive by faith what you were imparting to me. And I left that night a changed pastor. The depression left, the desire to quit left, and the anger left. And immediately the anointing returned as I was asked to pray for Jan and her daughter.

Thank you for saving me as a pastor. If you had not been there, I truly think I would have resigned. But I now have my joy back, and I'm ready and excited to preach tomorrow and to see our community saved, set free, delivered, healed, and prospering. Be sure and thank you prayer team and everyone who prayer for our revival. Without them we would not have had our

breakthrough. God Bless you both and your families. We love you both with the love of God from our hearts.

SGMM Partners & Friends,

For the past 13 years, Filese has hosted a 30 minute weekly Christian television program, "INSPIRATIONS WITH FILESE HAUSER", on Pegasys, TCI cable, out of the Enid, OK. Over the years the program and Filese have won many awards, at the Cable T.V. Emmy Awards Ceremony held each year. The awards have varied from -Host of the Year, Producer of the Year, Christian Program of the Year (many times), Award of Excellence, Best Christmas Special of the Year, PSA Awards, and many more. We praise God for the Glory that He has received through this avenue of ministry, over the past 13 years, that Filese and SGMM have been involved in television productions and programming.

We were just recently notified that God had received more honor and praise, with 3 new awards presented to Filese and the program. The awards were for, Performing Arts, Religious/Christian Programming, and Christian Education.

Again, we give our God all of the glory and praise and thank God for the gifts, abilities, training and equipping that He has given Filese over the years, that has brought about and allowed these awards of recognition and honor, to go to the Lord of Filese Hauser and God's SGMM, through of all of the talents that God has deposited and entrusted to His servant and this ministry. These honors came from the Name of the Lord being lifted high and without compromise! Each program always founded on the Word, and with a desire to be a witness and demonstrate the Kingdom of God to the viewers.

The programs ranged from the teaching and sharing of the spoken Word, to the Word in Song, Interviews with individuals in all walks of life that are serving the Lord right where they are at. From Pastors, to Special Ministries of Music, Musicians, Song Writers, to folks that received miracles and healings in their bodies, marriages, and callings, Ministry in the Market Place and businesses, Lawyers, and so many others. If a person or group had a powerful testimony in any walk of life that could bring Glory to the Lord and that could inspire those who tuned in to the program each week, in any way, Filese would pray about booking them to come and give them witness on 'Inspirations'.

After 21 years in fulltime ministry, that has taken SGMM through many doors and in many directions for the Lord, many people today are still amazed, to discover the years that this ministry has ministered through the instrument of television. SGMM Management and Offices

This is great, this is great! Those many years

AMOUNT to offer in your singing, music, etc. Did I know  
just how far it would go? No, I didn't but I'm not  
surprised.

Congratulations in every possible way. Thank

Dear Rev. John,  
Thank you for continuing to send your articles to this  
e-mail address. Each time I am amazed that they  
include just the encouraging words I need. This week I  
needed the reminder that Jesus is indeed the head of  
my new nature and He will be sure that I know the path  
that I am to take around the next corner - when I turn  
that corner. Without Jesus, I would be tossed about on  
the stormy sea. But with Jesus at the helm of my life, I  
do not need to be so worried about my journey, and I  
know absolutely my final destination! I can feel Him  
healing my illness and I claim my healing by stepping  
out each day to walk the adventure that He has set  
before me in life, and I am able to do it with joy and  
enthusiasm, PRAISE GOD!

I could never conjure up the joy and  
enthusiasm, but I am given these by God, through the  
Holy Spirit. Thanks be to God for leading you to do this  
writing, and thank you, Rev. John, for being an obedient  
servant to His leading.

I continue to hold you, Filese, the SGMM staff and  
partners in my morning prayers.

SGMM Partners,

My family has been blessed by John & Filese and  
Son-Grace in our lives for nearly 10 years now. They have  
walked with us through both good and bad times. One  
thing I've seen and heard repeatedly from Filese is the  
word "favor." We know God is no respecter of persons, so  
what He does for one He will do for everyone. When I got  
a hold of that concept it opened a whole new world to me!  
Filese has taught me that favor comes with being faithful.  
Over the last year, my family has experienced more of  
God's favor than we could have ever imagined. We are so  
undeserving of God's gifts, but He gives them freely to  
those who desire them and are obedient to Him. God  
provided us a new home last September that was way  
beyond our wildest imagination, and more recently he has  
opened up a door that I was certain had closed.

I have a wonderful job, another example of  
God's favor in my life, but had felt like God directed me  
to apply for another position in the same organization,  
even though it's not a position I would think of myself as  
doing. Still, I wanted to obey God, so I turned in the  
paperwork and waited to hear whether or not I was  
qualified for the position. The salary was close to what I  
make now but had more potential for promotion than the  
job I'm currently in. Several weeks later I received a  
notice that I didn't meet the educational requirements for  
the position. I was so disappointed and wondered if I  
had misunderstood God's direction in applying for that  
position. I called personnel for an explanation about  
why I didn't meet the qualifications, but didn't receive a  
call back, so I wrote it off as something that was not  
meant to be.

This morning in my e-mail I received Rev.  
John's weekly encouragement message along with  
some other words on favor for God's people and felt as  
if I should call the personnel office once again, even  
though I was certain they would have filled the position  
and I would have no chance. The personnel specialist  
pulled my file, went over my transcript, and said it  
looked like I did meet the requirements and that a  
mistake was made in evaluating my qualifications. I  
asked her if it was still possible for me to be considered  
for the position, and she said a selection had not yet  
been made and that she would send the hiring official  
an amended list of qualified applicants that includes my  
name. A couple of hours later I received an e-mail from  
her telling me I qualified for that position and could be  
hired at a higher salary than what I originally thought!

God is so faithful! Even if I don't get this job, I  
know I can trust God to open doors I never thought  
possible.

## The Captain's Corner

Dear Power Team and Partners,

This has been a very wet and windy spring for Oklahoma. Ponds and lakes used to be way below their normal level, some even empty. Here in the central part of the state that is no longer the case. I think I can correctly say that the seven year drought is over. The amount of wind is not unusual, but the relentless threat of tornadic activity has been.

We stay very alert to the local weather men. One station says, "Stay tuned to channel \*, we'll keep you advised." I don't stay tuned in because I am afraid, I stay tuned in because I am watchful and prayerful. Many, many times I have heard those same weather men state that for some unknown reason storms have literally fallen apart or been averted entirely from a region. It is my firm belief that people have prayed and disaster has been avoided. It breaks my heart when things do occur and life and property are destroyed. However, I do not let that shake my faith and confidence in prayer. I just keep on praying.

Isn't that the way life is, though? I think it's more like this, "Stay tuned to Jesus and His Word, He'll keep you advised."

Shall we pray?

**Father God, we humble ourselves before you today. We praise You for You are the Creator of the universe. You are worthy of all honor, praise, and glory. You alone are worthy, Lord, to receive praise. We freely give it to You. Thank You, Lord for Your Words of life to us. Our minds are set like flint to agree with You and to put ourselves in alignment with Your will and Your way. According to Your Word Rev. John and Filese and the SGMM family ENTER INTO THE JOYS OF THE LORD. We enter into what You have already established. We pray for MORE CLARITY, MORE DISCERNMENT. We SHARPEN OUR FOCUS so that hidden things can be revealed. Our declaration is that we can see so clearly that we can hit the bull's eye!**

**In every setting, we anticipate CLARITY to come in the Spirit realm even more than in the past.**

**Thank You Lord that You are revealing things that that You are birthing at the moment by Holy Spirit. You are always at work around Son Grace. Holy Spirit is BROODING. Holy Spirit is looking for an agency or a ministry through whom He can Birth things. It has to be an OBEDIENT, FAITHFUL, MATURE ministry. Thank You, Lord, that You have deemed this ministry as such. We will bring glory and honor to You and not heap heap it upon ourselves. We will LIFT UP JESUS OVER THIS MINISTRY.**

**Lord, You want so much more for Your kids, including Son Grace Music Ministries. It is there in the UNSEEN REALM. You are already setting it up. You are looking for somebody that You can take out there to manifest it through. Father, SGMM will be OBEDIENT. We will be FAITHFUL. This ministry is willing to LIFT JESUS HIGHER. We LIFT JESUS HIGH. We LIFT JESUS HIGH. We LIFT JESUS HIGH. We see what You are doing and we cooperate with You. Show us, Lord.**

**According to Your rhema Word to us we continue to CALL TO THE NORTH TO OPEN UP. Thank You for opening up opportunities for ministry in the North. We anticipate You birthing new appointments. Now is the time. TIMING is right. Because the timing is right, we turn our eyes and heart to the North.**

**So be it unto SGMM according to Your Word. May good health, provision, revelation, and illumination cover us. May FAVOR surround this ministry as appointments are set up. Thank You that You go before us in each appointment to clear the way for Your Word to be released and then received without interference or confusion. May each appointment bring eternal connections as we endeavor to network to advance the Gospel. Thank You that Your presence. Your anointing breaks the yokes that bind the hearts and minds of Your people. We look for good reports to follow to Your glory and honor. Thank You for boldness to declare Your Word with accuracy, wisdom, knowledge and discernment. In Jesus' name, Amen.**

Keep on praising and praying,
