SGMM Word Conference 2007

The SGMM Word Conference is coming up!

November 10, 2007 9:30 am – 4:00 pm

"Kingdom Ambassadors"

Great Worship, Teaching of the Word, Fellowship, Joy & Laughter, The Prophetic Word for 2008, Individual Ministry and Communion.

Do Not let anything stop you from being with us this Year for the 2007 SGMM Word Conference at The Crown Center in Oklahoma City, OK, aside from the Lord's Return. If that happens, we will have an Eternal Forever and ever, time together with Him in His Presence!

We'll see you November 10th, 2007!

Dear Partners and Friends,

What a marvelous and awesome God we serve. The rain is still coming down here in central Oklahoma today. We have had days upon days of rain now. We do thank God for the moisture and He does know what we need more than we do, so we Praise Him for it and that we are not having fires this year like last year at this time. However, we have prayed that the rain would stop long enough for the farmers to get the harvest in, so that this year's crop is not spoiled or loss is taken.

We pray that this road report finds you and your house doing well and experiencing the constant presence of the Lord. Remember, all that you speak and do, prepares the atmosphere surrounding you. So speak God's Word and think upon Him in all things so that His presence lives around you and envelopes you completely.

We had a great Summer Summit (Camp meeting) this year. Bishop Tony Miller was our guest speaker and he did a wonderful job delivering the Word of God to us each evening. Our daytime "break out" sessions were great, also. John Youell, Jr. (our nephew) shared in one of the session and God's power was experienced strongly during his teaching. Praise be to God!

We were not able to attend New Horizons Camp meeting at Tiger Mountain, OK this year, because of the family reunion and jury duty. This was the first year we have missed over the past several years now with my cousin Randall Drake serving as Bishop in that Conference.

We were so sorry we could not make it this year, but we have heard that they had powerful services and that God was truly glorified. Thanks be to God! Randall, we missed being with you. We love you all so much and appreciate all that you continue to do for the Kingdom of God in New Horizons Conference and are so glad you allow us to be apart. Your love and support has meant so very much to John and I.

We had Joshua Will's 13th birthday with Papa Julian, Grandma Janie, Grandpa Jack, PaPa John, MaMa Filese, Mommy and Daddy on the June 10. It is so hard to believe that he is 13. We so remember when he was given to us to love and steward 13 years ago. The Doctors report then was that he would not live through the 1st 24 hours. He did and continues to live by the healing power of our God. Hallelujah!

We thank God every day for our Joshua Will and all that God is teaching all of us through him and his life here with us. He loves Jesus so much and loves to go to church with PaPa and me on Wednesday evenings and be with his friends at The Crown Center. He loves being with his Daddy & Mommy at his home church, WestMoore Community Church, as well. When he can, he slips into a practice set with Daddy. He takes his little guitar and plays along with Daddy and the guys in the band. He is truly a joy.

The Brokaw's (mom Hauser's side of the family), had a big family reunion at Locust Grove, OK this past weekend. Jeff, Lisa, Joshua, John and I went for the three day get away. It was real nice. It was so good to see folks that some had not seen in years. John and I held the Sunday morning worship service and God was so good. Several of our family members shared with us how very blessed and touched they were by God's Spirit through the music and Word. We just thanked God for another year that He had given us to gather once again with one another and share God's grace and love as a family.

John and I went to Kingfisher, OK the past two days to spend some time with our youngest son Donnie and family who were here for a few days from Nebraska. We enjoyed playing with our little grandson Taylor and seeing our new grandson Javon. They are precious and we thank God for the time we had with them.

I may have mentioned in the last newsletter that John has been working to transfer all of my cassette soundtracks/accompaniment tracks, to CD's.

It has been a real job and he has quite a few more to get done. He has probably done about 250 plus so far. Hardly anyone is using cassette material anymore and we knew that eventually everything would be going to C.D. for now, until something else comes along. Ha.

There are two women's seminars scheduled for this month (July), and we have a revival planned around Ardmore, OK in mid July, helping a new church plant get started. We are so excited about this new avenue for SGMM.

We are also working to tighten up the fall tour in the northeast. We will be leaving for that area the first of September. Please be thanking God for the fresh things that He is setting up for this ministry right now, and all that He continues to do among us, to teach us and equip us for what He is bringing to us to do for the Kingdom.

We have been having a great move of God breaking in and breaking out among us at The Crown Center for several months now. We praise God for this outpouring of Himself to us and setting us in position for His directions that are being released to His Servants/Leadership and coming to us in the days ahead. We are moving forward and upward.

Our church and family in Gage, OK, Believer's Chapel, is having great things of God taking place. We praise God for all that He is doing. We send love and blessings upon the work of God in Gage. God said, "good stuff is coming out of Gage." Hallelujah!

You are the blessed of God and you are precious to Him and to us. Thank you each one, that continues to e-mail us, and call from time to time to visit with us, letting us know what God is doing in your lives and all that the Holy Spirit is teaching you. We love you so, so much. We appreciate all that you do in your areas of ministry where you live. Thank you for keeping us and the Word for this year in your daily conversations with our Lord. Thank you for your continued faithfulness in love, friendship, prayers and support to the Gospel of Jesus and us. We appreciate you deeply!! We do not ever take a one of you for granted and thank our God at every remembrance of you.

Stay close to God and in touch with us as you can. We are always here for you in anyway that you might need us or desire special time with us. We will do EVERYTHING possible to connect with you and make that happen.

Keep prayin' and praisin' the Lord. Apply His Word to every area of your life. It is food and life to your very being.

Serving the King,
Rev. John and Filese Hauser

The Captain's Corner

Hello, dear ones,

I thank God for each of you. Thank you so much for your faithfulness to the Lord and to His Son Grace Music Ministries. It is my prayer that you are well and enjoying the fullness of His presence in your daily lives.

The rain continues to pour and pour. Last year I was asking for you to pray for all of the grass fires in the state due to the horrible drought. What a change. We have doubled the amount of rain received in 2006. Wouldn't it be wonderful if that is a natural manifestation of a supernatural down pour of the Holy Spirit and revival in the land.

Speaking of revival, did you know that is almost a taboo word in the church of today? Pastors don't seem to want to schedule revivals anymore. Call it a crusade maybe, but don't call it a revival. I am so thankful to have first hand knowledge of the good things that God is doing as SGMM goes in and out of local churches. We don't really care what the pastor prefers to call the meetings as long as God's work is done in the midst of the people. As long as pastors are encouraged and strengthened in their calling and the members of the body grow in their personal relationship with the Lord, this ministry will be deemed faithful because of our obedience to the call of God. Praise God. Remember that the reward and blessing is credited to you as our partners. Never underestimate the power of a seed.

Shall we pray?

Gracious Father, we worship You. All honor, praise, and glory belong to you. We willingly lift you high. May our lips continually sing forth Your praises. You are magnificent and worthy to receive our adoration. Our hearts are grateful for the history of 21 years of ministry, but we acknowledge that the best days are yet to come. Father, take all the years that have led to this ministry being a mature ministry, and use it for Your glory and Your perfect plan. Continue to open doors for revivals, crusades, and retreats. Open doors for conferences, concerts, and counseling sessions. Set down plans for new songs to be written and albums recorded. Compel, thrust, push the people of your choice to become partners with us in ministry, in all areas. Reveal those who are to come off the sidelines and become joined with us to advance the gospel. Our hearts and set like flint to see blessings, benefits, rewards, appointments, and opportunities set up for us this year. Our hearts are content to know that You have completed everything. You are bringing us to Your end as we remain obedient. We step into all that You have in store for us. As we prepare for fall tour

and all that leads up to that, we acknowledge that You go before us and with us. Pour out Your abundant favor upon us. We look for more of a mature and greater outreach than ever before. To You be the glory. As Your ambassadors on the earth, we speak to the North to open up. We ask for more discernment of spirits. The enemy is defeated and his plots are being uncovered. We declare that we will stand and we will see the victory. Use this ministry as a catalyst, Lord. The declaration is "A Whole Lot of Heaven in 2007". In Jesus' name, Amen.

Don't stop praying church. Know that we love you so much. You are our family and we do love to hear from you. As my pastor has been preaching, "Keep in touch". God bless.

There is Power in Rebellion

Rebellion is defined as:

1. *Open, armed, and organized resistance to a government.*
2. *An act or a show of defiance toward an authority or convention.*

Microsoft Encarta Encyclopedia 98

There is a positive side to rebellion. We live in an evil worldly system which promotes ungodliness and rewards self-centeredness. This is systemic evil. Not only is mankind bent on sin, but the systems which rule this world system are controlled by evil influences.

Not even our nation, the United States of America can any longer be called a Godly nation. Materialism, greed, lying and hatred is the status quote. There is a good reason to rebel. The devil is called the, "prince of the power of the air" and the "god of this world."

7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

James 4:7 KJV

9 Whom(the devil) resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.

1 Peter 5:9 KJV

We are told to, "Deny yourself" to follow Christ. To follow Jesus, you must turn, resist and even rebel against the systems, habits, and desires of the old life. We must rebel against the, "prince of the power of the air."

10 Finally, my brethren, be strong in the Lord, and in the power of his might.

"A Whole Lot of Heaven in 2007" Matthew 25:21 SGMM Word & Scripture for 2007

"Living the Generous Life!" (Given at TCC for 2007)

"I came so they can have real and eternal life, more and better life than they ever dreamed of." (John 10:10)

11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Eph 6:10-13 KJV

We need to rebel against the influences and leadings of these evil powers. We need to rebel against the suggestions, the temptations, the desires, the vain imaginations which press on us from the environment in which we live.

We need to rebel against the sources of entertainment, literature and advertising which try to control our eye gate and ear gate.

We need to question the motive and even the spiritual influence others have in society when they try to tell us things contrary to the Word of God. Submit to God and rebel against the ungodly.

In His service,
Rev. John Hauser

Dear Brother John and Sister Filese,

I just wanted to thank you and let you know how much your CD's have blessed me. I feel the anointing of the Holy Spirit whenever you sing. Thank you so very much for such a wonderful blessing! Hallelujah!

I was playing your CD the other night when my mother called. She asked me what I was listening to and I told her about you and then turned up the volume so she could be blessed also. She was!!! She said that she would like to have your tape, so your CD blessed me in another way. I thought your music would be an excellent gift for Mom. She was so thankful to get it.

I would also like to say that Brother John says some of the most beautiful prayer's I have ever heard. I thank God for you both and for the anointing. I know the Lord uses both of you in such a mighty way. I am

thankful that you help the Lord build His Kingdom. I love you both! Be blessed in Jesus Name!

SGMM Partners & Friends,

We want to thank all of you who sent cards, e-cards and gifts for Joshua's 13th birthday! He was so excited and blessed to receive them all.

We love you all so very much!

Dear SGMM,

In February, I was so blessed to be able to host a women's retreat in my home. Our theme for the day was "I Am."

We began by identifying the Great "I Am" in Exodus Chapter 3, also noting that Moses asks the question, "Who am I?" This led our study of "Who We Are in Christ" and how without this knowledge we are ineffective in the battle against satan and his cohorts.

If we know what God's Word says about us, we can cancel out satan's lies with the TRUTH, because the Word of God has POWER! As Ephesians 6: 10-18 tells us, we are not fighting the battle by ourselves. If we do not CONFESS the promises of God, do we really BELIEVE them?

As soldiers in the Army of God, we face warfare continually (1 Timothy 2:3-4) – may we ALL strive to be the BEST soldier we can be by finding out who the Word of God says we are.

May God bless us as WE bless Him by continuing to grow in His Word!

In His Service,

Dear Rev. John,

Even when you are not aware of it, God sends me a message through your written words. This week, it was your writing about faith. I am in a woman's Bible Study by Beth Moore about TOTALLY believing God - that He is who He says is, that He can do what He says He can do, that I am who God says I am, that I can do all things through Christ because God's Word is alive and active in me. I can feel God stirring me up to grow much stronger in faith.

Your message came the very day that God used me to lead an 11 year old girl to her salvation in through the Lord Jesus Christ. She is Chantel Clark, the daughter of the young woman whom you had a Word for at Bethany as she was going to prison. And now, through God's grace and plan, Chantel saw your letter and asked me about "faith"! She chose to tell Jesus how sorry she is for all her sin and asked him to come live in her heart as her savior, because she wants

to follow him. She is now a saved and blessed child of the Lord. Praise God for both of us being allowed and led to be a part of this experience of this child and her trip to the arms of a loving God through her faith and belief in Christ Jesus. To God be the glory for His grace and love, and for allowing me to be present for this precious moment in Chantel's life! I am so full of joy today that joy is just spilling over everywhere I go.
