WORD OF THE LORD

FOR SON GRACE MINISTRIES FOR 2008

Delivered through Pastor John Youell – SGMM Spiritual Advisor

I hear the Lord say, "The spirit of Caleb is upon this ministry."

- Numbers 14: 24 - Because my servant Caleb has a different spirit and follows me wholeheartedly, I will bring him into the land he went to, and his descendants will inherit it.
- Joshua 14:6-15 - Then the children of Judah came to Joshua in Gilgal. And Caleb...said to him: "You know the word which the Lord said to Moses the man of God concerning you and me in Kadesh Barnea... Moses swore on that day, saying, 'Surely the land where your foot has trodden shall be your inheritance and your children's forever, because you have wholly followed the Lord.' And now, behold, the Lord has kept me alive..., I am as strong this day as on the day that Moses sent me; just as my strength was then, so now is my strength for war, both for going out and for coming in. 12 Now therefore, give me this mountain of which the Lord spoke in that day; for you heard in that day how the Anakim were there, and that the cities were great and fortified. It may be that the Lord will be with me, and I shall be able to drive them out as the Lord said." 13 And Joshua blessed him, and gave Hebron to Caleb...as an inheritance.

Caleb was a bold, courageous, generous, visionary and faithful man – living his life for the glory of God and, as a result, God used him to bring about His Kingdom purposes in the earth.

God used Caleb in four ways – four ways I see the Holy Spirit using Son Grace Music Ministries in 2008.

God used Caleb to TRANSITION people, places and things.

- Caleb was a change agent – you and this ministry will be looked upon, even more in days ahead, as a change agent.
- TRANSITION: "to change the state of things from one form to another...to bring an abrupt change in the state or level of energy (as in an atomic or explosive nucleus.)
- The Caleb spirit that is upon this ministry will enable you to go into places – will enable you to come in contact with people – and the Holy Spirit will reveal to you what needs to be done in a place or a region and what needs to be done in the lives of people to see them saved, healed, delivered and made whole.
- This ministry will gain a reputation for bringing change in places and people – even in regions where the Lord will take you into. Because of the reputation for transition that this ministry will carry, people will begin to call for you to come and initiate the change that is needed in their city and region. I hear the spirit say, "Expect to see dramatic changes wherever you go. Changes in environments; changes in people's lives. "
- When you leave places and people the testimony in 2008 will be "it's never been like this before." "Things are different now." "It's like heaven has opened up; it's like the clouds been rolled away; it's like a new day has dawned."

God also used Caleb to bring TRANSFORMATION.

- The countries, the mountains, the people that Caleb came in contact with were never the same again. The mountains that once were filled with evil giants were transformed into a peaceful, prosperous place. The mountains became filled with joy and peace. (Hebron, the place given to Caleb, eventually became a "city of refuge" where those in trouble could go and find safety and justice.)
- Joy, peace, and prosperity, safety – these words will earmark SGMM in 2008.
- Not only will you help transition people and places you will also see lasting transformation taking place as well. Expect your reputation as a change agent – as a transformer – to increase in 2008. And God used Caleb to stir up TROUBLE – to trouble the enemies of the Lord by pulling down, tearing down, up rooting and rearranging things.

SGMM Partner Update

THE LORD IS MY STRENGTH & SHIELD; MY HEART TRUSTS IN HIM AND I AM HELPED. MY HEART LEAPS FOR JOY AND I WILL GIVE THANKS TO HIM IN SONG. PSALM 28:7

- Caleb troubled the territory of the enemy. He defeated and drove out the giants of Anak. He cleansed the land; He changed the atmosphere; he established a Godly environment where the blessings of God (the upper and lower streams) could flow freely. (See Judges 1:9-20)
- The "upper streams" are heavenly, spiritual streams that will increase their flow through this ministry this year. The "lower streams" are physical streams that will flow in conjunction with the heavenly. These lower streams will make glad the people of God. They will bring forth peace, love, joy – blessing, prosperity and abundance. I again hear the Spirit say, "Abundance is a key word over Son Grace Ministries this year." So anticipate it – expect it, for the upper and lower streams will surely flow and abundance and blessing will surely come."
- In 2008, this ministry will become know as "a trouble making ministry" – in a godly sense. For wherever you go the enemy will know it, feel the effects of it, be troubled by it, will be disrupted by it, but your enemies will not have the power to prevent what God is going to do through you this year in bringing TRANSITION AND TRANSFORMATION to people, cities and regions.
- A word of counsel – because God is going to "turn up the heat" on the enemy as you move into these areas, you must, more than ever before, remain clothed with the armor of the Spirit of God. But remember always that the Lord will fight for you. The battle is not yours, the battle is the Lords. You clothe yourself in the Spirit and take a stand and watch the wonders of the Lord be revealed.

And, finally, God helped Caleb to TRIUMPH in all he put his hand to do.

- The land had rest; the people had rest; there is a rest for the people of God and you will help lead them into spiritual rest. (Hebrews 4:10).
- It will be a triumphant rest because you will teach the people how to cease from their on labors and works of righteousness and take upon them selves the completed work of Christ's righteousness.

I hear the spirit of the Lord also saying this over you and this ministry. As the heat is turned up on the enemy's camp – as you enter deeper into the land (the territories) that the Lord will send you into – remember your triumph is in God and God alone. Resist the temptation to lean on the arm of the flesh – rather stand firm in His completed work for you. For you will find that God has set things up for you, even before you arrive. When you get to your place of assignment, you will find that God has already set up:

- A strategy for victory and He will deposit it into you.
- A strength for victory will be given you, a strength that will increase at times and then lessen at other times, but it will be the strength of God, none the less – it will be a strength that is sufficient for you at every turn this year. It is this strength, the strength of God that you must go forth and minister in and conquer in. This strength (the same bold, courageous, generous, visionary and faithful strength that Caleb conquered in), you will conquer in it as well.

So I boldly declare – TRANSITION - TRANSFORMATION - TROUBLE – TRIUMPH will mark Son Grace Music Ministries this year of 2008. (Eight is the number of new abundant strength; superabundant; it literally means "to make fat;" "to totally and completely satisfy – the springing forth of newness – new strength, new strategies, new successes, new abundance and even new surprises will manifest this year in 2008.)

"I came so they can have real and eternal life, more and better life than they ever dreamed of." (John 10:10)

Dear Partners and Friends,

Greetings this cold month of November, 2007, in the name of Jesus Christ the King!

We thank our God at every thought and remembrance of you each and every one. You are a treasure from God to our lives and great blessings to God and His Kingdom. We love you.

We appreciate you; who you are and all that you bring to the body of Christ.

We had a powerful SGMM 2007 Word Conference, on November 10th, here in Oklahoma City, OK. The Crown Center was electrified with the power of our God and His Holy Spirit. Each speaker was so anointed by God as they delivered awesome messages to us on being "Kingdom Ambassadors". The music and worship was just wonderful and lifted us right into the presence of God and the Glory of God invaded us. God manifested Himself among us through out the day in powerful demonstration.

As the prayer and application of healing and miracle session opened in the afternoon, you could just taste the Lord! The day had just built, Word upon Word and the precious Anointing multiplied many times over. By the time our Spiritual Advisor, Pastor John Youell, Sr., delivered the Word of the Lord for the up and coming year, 2008, you thought we were just going up right there.

The Prophetic Word for 2008 to SGMM and God's people of His Kingdom is so rich, full and encouraging, power impacting, hopeful, and the anointing of the Holy Spirit just flows out of every Word. You will see, as it is imparted to you and your house in this news letter. Please take it deep into your spirit being and claim it for your lives in every area in days and months to come, now and in 2008. Your lives will never be the same for it and the Lord will bless you ever so richly because of your acceptance, trust and belief in Him and this His Word to us His people, His ambassadors. Please print it off, read it out loud and declare it daily over you and your house. Place it in your prayer station, making it a vital part of your communion time daily with your Lord. Have it near you to proclaim as we go out of 2007, on December 31st and through the door of 2008, declaring and praising God by faith for all that He has set up to do with us and in us in the new year. Hallelujah!!!!!!!

We had a wonderful time with our children and grandson, Jeff, Lisa and Joshua Will at Thanksgiving. We had missed them so much being gone for several months out on the road during fall tour. We appreciate them so. Lisa truly oversees the general office area of SGMM completely and handles the Conference preparations each year and does a

great job. Jeff is right there by her side helping to take care of the Website and cover everything while we are gone on the road. We just thank God for them and their gifts of service to the Lord and His ministry. We love them so very much. They do excellent work for the lord!!!!!!!

We also had the joy of being with Mom and Dad Hauser at the farm in Kingfisher, OK, over the holiday and had time with our Hauser family. Our daughter Melinda and family, and son Donovan and family were not able to be with us in Oklahoma this year for Thanksgiving and were surely missed. However, they did have a great Thanksgiving together with other family there in Nebraska. We love you all!

We just returned home this evening from a mighty week in Apache, OK. We did have REVIVAL!! God showed up among us and we thank God for His harvest of fruit that will follow this divine appointment.

This was a very prophetic revival and God said a week before we left out on the journey that it was another "mandate" that had been set up and that more would be coming in the year ahead. God's commission and hand was on this awesome time. We found this church and people to be ready and positioned, equipped and prepared for what God was bringing fresh to them, just adding to what He had already so started there, that was going strong.

Pastors Bud and Shari Jones and the folks just showed us Jesus in their love, openness and their kindness to us. We were encouraged and blessed to find such a work of God that is just wanting more and more; willing to allow God to do something new and different to demonstrate Himself in fresh ways. It was a great blessing to this ministry to find beautiful and still teachable spirits, willing to let God have His way with them. God called them a "great church and group of believers".

Thank you, Pastor Bud and Shari, for your friendship and love; we appreciate you and give thanks to God for bringing you into our lives and giving SGMM connection with the Lord in you all.

Well, I best sign off for now. It is about 12:30 am on November 30, and we leave out in the morning again for a special assignment, to be with our loved ones and family in Christ, John D. & Kathy Crenshaw, as we have just released Kathy's mother, Donna Chance, to heaven. Thank you for keeping them in your prayers.

Jesus Hugs! You are loved...

Your Family and Partners in Christ,

Rev. John and Filese Hauser

"I came so they can have real and eternal life, more and better life than they ever dreamed of." (John 10:10)

Are You Listening?

There is power in listening. And there are two ways to listen. The first is waiting on God. What I mean by waiting on God is not sitting around wondering when God is going to do something. Waiting on God is giving your attention to Him, attending to His desires,

31 But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31-41:1 KJV

Waiting is attending to the agenda of God. It is serving His desires, His will and His word. Waiting is not running after what you want but rather what He wants. And you find this out by close proximity of His heart.

9 For evildoers shall be cut off: but those that wait upon the LORD, they shall inherit the earth. Ps 37:9 KJV

Unless you are waiting, abiding at the Lord's feet, you won't be likely to hear Him when He speaks. Because He usually speaks in a small, still voice. Waiting is attending to His moves, His direction, and His pause in acting when it seems obvious what should be done.

I have never been much of a follower. But it pays to follow the Lord. There is power in being in the right place. There is power in saying the right thing. There is power in acting, at the right time. And only God can teach you this. Only God, the Holy Spirit know what to do, when to do it and how to start as well as how to finish. There is power in being instructed along the way of this life. There is power in having a guide, a teacher, a master builder on the journey. But the key is listening by waiting to hear, waiting to see, waiting to know the time and the way God is planning out journey. It takes time to hear. It takes time to understand His ways.

The second way of listening is responding to the things God has already said. It is responding to His instructions from the past and acting out those you receive presently.

22 But be ye doers of the word, and not hearers only, deceiving your own selves.

23 For if any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass:

24 For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was. James 1:22-24 KJV

I believe we in the Body of Christ have failed the responsibility of obedience many times throughout life even when we have heard God. We seem to be always looking to hear from God but very slow to respond to what He says. It is like we don't care for what we hear or we minimize the importance of that which we do hear. We seem to think that hearing is enough. But, then wonder why we hear, personally so little from God. I believe that God does not waste words. I believe when we trivialize His word to us and choose not to respond to it we not only harden ourselves from hearing further words, but we offend God, the Holy Spirit who will not be mocked.

Listening is not just hearing what God says. It is not just waiting to get His instructions or hear His heart. It is responding to His every wish, His every command. Jesus, said, "He that has an ear let him hear." There is power in acting responding to and acting on the word that God speaks to you and me. There is blessing, but also protection from calamity and heartache. There is power in being obedient to heart of God.

Attend to the word of God, whether it is the written word (Logos word) or a word spoken by the Holy Spirit (Rhema Word). It is living and full of the life of God, Himself.

Listen to the heart of your Lord and be His servant, be His attendee. You will receive power when the Holy Spirit comes upon you as the result. You will be enabled to be a witness, representing the King to this world.

Carry out His commands and live long in His glory.

You're His service,
Rev. John Hauser

Dear SGMM Partners,

We recently had revival services at Apache First Pentecostal with Rev. John & Filese Hauser of Son Grace Music Ministries. God used this time to renew and refresh our people as well as to inspire us to become true worshippers. We very much enjoyed the music ministry of Filese and the Chosen F.E.W.

The Chosen F.E.W.

The Word presented to us through Evangelist, Rev. John, challenged us to become more and more for the Lord. Several of our people received a personal word of prophecy and/or encouragement and many people were ministered to in the altar services.

Pastor Bud Jones

We also enjoyed our time of fellowship with Rev. John and Filese and getting to know them better on a personal level. May God continue to richly bless this ministry as they travel across the nation sharing the Good News of Jesus Christ.

To All Friends and Prayer Warriors of The Reverends John and Filese Hauser,

On Friday night, Oct. 5th, 2007, our group from Tabernacle Evangelical Presbyterian Church in Austintown, Ohio, had the privilege of inviting Rev. John and Filese to minister to us. We had also invited another group from another church to join us as well as neighbors. We gathered for pizza and fellowship, and then we moved to the sanctuary where we were ministered to in song by Filese along with the Blackann's. My husband and I had prayed that God would bring in to the meeting those that He wanted to be there.

Thank you, dear friends for your prayers. Because of your prayers we had a great group of people with us that came for the meeting. Praise His name! He is faithful!

After being ministered to mightily in song by Filese, Rev. John gave us the Word and a devotion about communing with God—especially on a regular basis. **HOW WE WERE ALL BLESSED AND WE JUST WANT TO THANK YOU ALL FOR YOUR PRAYERS AND SUPPORT OF THIS MINISTRY!!**

Our group would like to regularly support them in prayer. God bless each and every one of you faithful servants!

The Captain's Corner

Dear Partners, Friends and Intercessors,

Hello once again from the Prayer Office. It is a pleasure to meet with you here in the pages of the monthly newsletter. Please remember

"A Whole Lot of Heaven in 2007" Matthew 25:21 SGMM Word & Scripture for 2007

"Living the Generous Life!" (Given at TCC for 2007)

"I came so they can have real and eternal life, more and better life than they ever dreamed of." (John 10:10)

that this office is available to take your prayer requests by way of telephone, email, and regular mail. Many of you do utilize your relationship with us to tap into the power of agreement in prayer. Thank you for your trust in the Lord in us.

I am learning more and more that the power of being connected to the family of God is a very valuable and precious gift. We mustn't take it for granted or diminish its worth. I'm not necessarily talking about family by birth or marriage. The family I speak of is spiritual. Therein lays the power. That's why we take our relationship with each of you so seriously. You are important to us and we desire to be such for you.

If you were unable to attend the 2007 SGMM Word Conference this year, just know that God is faithful. It really was a great day. As a ministry, we are already experiencing the Word for 2008 being manifested. We give all glory to God.

Shall we pray?

Father, we praise You and honor You. You are our source of strength, peace, and stability. We praise You for the relationships that You have established and ordained for us. Help to protect and maintain that which is godly and good for Your purposes to be manifested in our lives and ministries. Father, we thank You for choosing this ministry and Your servants to manifest Your power in the earth. Thank You that this ministry bears much fruit to Your glory. Call forth all that You have deposited within us. We thank You now for each ministry setting and set a guard and strong watch over Your work and purposes following each appointment. Place SGMM within the realm of seeing the impossible become possible because of our relationship to You and the strength of those You have placed in relationship with us. Just as Caleb had Joshua to stand with him, thank You for those who stand with us to see Jesus lifted high so that many will be drawn to Him. This ministry is for You and about You, Lord. In Jesus' name. Amen.

Be blessed, not stressed. Remember that you are of great value to us naturally and spiritually.
