THE LORD IS MY STRENGTH & SHIELD; MY HEART TRUSTS IN HIM AND I AM HELPED. MY HEART LEAPS FOR JOY AND I WILL GIVE THANKS TO HIM IN SONG. PSALM 28:7

Issue 2 Vol. 22

Dear Partners and Friends,

Greetings in Jesus wonderful name!

What a joy to greet you this month with the blessings and love of the Lord. You are so dear and special to us and we do give thanks to our God everyday and at every thought of each of you. Thank you for your continued love, prayers, support and friendship to God's SGMM and us. You are great instruments of our Great God in so many ways. Hallelujah!

It has been a cold, sometimes very windy, snowy, icy, rainy, and even warm at times, first month of this New Year God has given us in 2008. However, the warmth of God's love and power has been so strong and ever present with us. For this we praise Him with all that is within us.

The ministry this past month has been exactly as the Prophetic Word of God, delivered to us on November 10th at the 2007 SGMM Word Conference said it would be. God has shown up it might and power at every appointment and in every retreat setting, showing His Glory in deep manifested ways. We have had souls saved and coming to Jesus for the first time, individuals that rededicated their lives to the Lord afresh, several that were filled more with God's Spirit and releasing their prayer language, testimonies of healings in bodies and relationships, as well as emotionally. God is so Great in 2008! Be sure and check out the praise reports that you will find here in the road report and also on the SGMM website. We just say thank you to all of our prayer partners that hold us up daily and pray the Word of God over us and each appointment. To you and all of the supporters and investors of this God's ministry, these are fruits of your labors and your rewards now and eternally! Praise be to God for you and all that God is doing already this New Year!

We pray that you are experiencing the Lord in awesome and mighty ways on a regular basis as you let Him be the Lord of your life this year. Taking you ever deeper and higher in Him.

Remember, His Word is powerful and it is life unto you and your house.

Until next time, just know that you are deeply loved and appreciated. We are here for you if you need us in anyway or for anything.

## In Pursuit of Significance

A brother in Christ and I were recently discussing the struggle people have seeing the purpose or importance of many of the activities we find ourselves doing or seemingly having to do throughout life.

During this discussion I was reminded about the life long pursuit most of us find ourselves enduring trying to find significance of our lives.

At the time I thought about the idea, "the pursuit of significance". It is obvious that we all want to live a significant life. At a deeper level we want to be significant. But, what does this mean? What does it mean to be significant or even to live a significant life?

Well, according to Microsoft Encarta 98 encyclopedia, "significance" refers to having a "meaning", I believe of existence or having "important effect" on something. This would imply a substantial or purposeful life. The problem is that the world teaches and we internalize the idea that our significant or power to affect something or someone is based on our own effect or on our own self importance.

The problem with this philosophy, besides being worldly rather than scriptural, is that it leads us into the deception of either pride or inferiority and worthlessness.

Even with those in full-time ministry I am constantly reminded that we can pursue or presume our significance through what we do or how well we do it. But the same deception is the result, whether it is in service to the Lord or the pursuit of our own choosing when we base our worth or meaning on what we do or how well we think we do it on our own. The truth is our significance is be based on who's we are and the purpose we were created to fulfill. And one definition of significance is being a sign or example of God's glory and kingdom.

*Eph 1:11-14*

*11 "In him we were also chosen, having been predestined according to the plan of him who works out everything in conformity with the purpose of his will, 12 in order that we, who were the first to hope in Christ, might be for the praise of his glory. 13 And you also were included in Christ when you heard the word of truth, the gospel of your salvation. Having believed, you were marked in him with a seal, the promised Holy Spirit, 14 who is a deposit guaranteeing our inheritance until the redemption of those who are God's possession-to the praise of his glory."*

We need to understand that as long as we buy into the world's definition of significant and its source, we will be strung along by the carrot of life. But if we realize that our meaning, our value, our significant of existence is because God made us, redeemed us and has given us the Holy Spirit to mark us and make us a sign, a symbol of His glory, of His purpose, we can reflect His purpose and His glory.

So, to pursue significance we must pursue our understanding of God and our relationship with Him. For, only in Him do, "we live and move and having our "significant" being." And one of the ways we reflect His glory is through our prayers. We significantly affect and change things and people by our prayer life.

*James 5:16*

*16 Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous man is powerful and effective.*

The pursuit of significance is fulfilled in knowing who we are; doing what glorifies God out of and by the character of the Holy Spirit and giving Him the glory of what His ownership has of our life.

In His service,  
**Rev. John Hauser**

SGMM,

We were all touched by the work of the Holy Spirit in our lives and through Filese as she allowed Him to speak through her. Proclamations and declarations were spoken to solidify God's work in us. Women were saved and the prophetic word was released over women's lives. God is great in 2008. He will be great as he continues to lead us through this New Year, believing who we are in Christ Jesus.

Rev. John spoke a timely prophetic word that caused a "sonic boom" effect in the spiritual atmosphere in our church. He declared the Word of the Lord as a denying of our flesh and what we want and going forward into what God wants and that those that will not will be removed from the church.

It was powerful and exciting to hear God's prophetic word for our church. Healing ministry took place at the end of the service that called our congregation to rejoice over the people being healed. A wonderful way to receive your healing.

SGMM,

First of all I would like to Thank God for allowing Filese to come to Christian Life Church in Tonkawa, OK for our Women's Retreat! And a great big Thanks!! to all the prayer warriors who lifted us up during the retreat in prayer.

Great things happened because God came and blessed our lives. Many received messages from the Lord. Many were freed from bondage of unwelcome spirits and rededicated their lives for the work of the Lord. Old wounds were healed for many others. Others received special gifts from the Holy Spirit!

I can say that for myself, I see my life truly BEING GREAT IN 2008!!!

SGMM Partners,  
Once  
again Rev. John and Filese Hauser came to Tonkawa with a powerful message. Filese conducted a women's retreat and Rev. John was in our pulpit on Sunday morning with a powerful message.

Filese touched many lives during her two day conference with the women. Sunday morning many of the women got up and testified as to what this weekend meant to them. Our church was filled on Sunday morning with more people than we have had in a long time. A couple of old members were back, and several new faces were in the congregation. Rev. John preached a powerful message and as an Elder I feel this is exactly what this body of believers needed to kick off this New Year in 2008

Dear Filese and  
SGMM,

Wow! The Lord really wowed us and truly gave the women of Tonkawa, OK and surrounding areas a fresh start for the New Year!

Julie Serviss & Filese Hauser

Thank you for the powerful Word of the Lord that you gave us. The Lord will be GREAT in 2008 as we step out in faith.

We were all encouraged and empowered as you reminded us who we are in Christ. We are God's daughters, greatly loved and highly favored. You instructed us to give all our "stuff" to the Lord so we can receive a fresh impartation from him. There was much weeping, singing in the spirit and then joy as we connected with the Lord and were vulnerable with each other. We truly were heart to heart with the Lord and each other Friday night.

Saturday morning you admonished us against slander and gossip and directed us to Psalm 51 where we declared we would open our mouth and show forth the Lord's praise. We all grasped hold of the fact that because we are the Lord's, we have value and identity and have no need to compare ourselves with others.

You instructed us to pray to know God's voice because in doing so, we will find our own. We are to be his voice in the darkness, crying out to the lost. This is our commission; our purpose.

Finally you exhorted us to press into God, spend time with Him this year like never before because He wants His compassion and His wisdom and His love to flow out of us.

Many thanks to the intercessors who prayed, this truly was a break-through in the Spirit for our church.

God is great in 2008 and always!

With high regard,  
Julie Serviss

Dear Filese,

The Women's Conference in Tonkawa was just wonderful! I believe God deeply touched and changed many lives over the weekend.

For me personally, God confirmed one more time the gift that He has given me. For a long time I have had doubts about whether I was able to pray in my prayer language, because I never felt like I had any "words", (as we would know them). This weekend was a breakthrough! I still may not have many words of the Holy Spirit prayer language yet, but I will continue to pray.....WITH JOY!

Dear SGMM Partners,

As Pastor of Christian Life Church, I was blessed to have the ministry of Rev. John Hauser with us on January 13, 2008.

Even

though it was the first time to meet Rev. John and hear him preach, I perceived that he was a real man of God. He brought a good Word to our church and had a powerful time of ministry to our people during the alter service.

His Word was timely and powerful and our people were blessed. We will definitely have him back to be with us next year.

SGMM,

Here we are at the start of a new year and the Ladies Retreat that was held at my house was a great blessing to me and I hope to those in attendance.

"THE BIG D" was the theme and the invitations really didn't reveal what the topic was about. There were 15 ladies in attendance - some were new - some were regulars that never miss a year - and some came that hadn't attended in several years! God always knows who needs to be there.

After everyone gave their ideas on what "THE BIG D" was it was revealed that the topic was concerning depression. I felt the presence of God as all the ladies were open and honest and ready to hear and experience God's word through Filese.

By the end of the day I came to realize THE BIG D was not really about Depression but that we are all DAUGHTERS of the one true DELIVERER!

Thank you Filese - Thank you ladies - Thank you prayer supporters and THANK YOU GOD!!!!

Dear SGMM Partners,

I am so grateful for the divine appointment with Filese and the ladies who attended the retreat at Miranda Baker's in Edmond, OK.

I have come each year for several years and have experienced the presence of the Lord and a "Word in due season" from Filese. This year I came with expectancy to receive His Word and I was not disappointed.

Filese spoke a confirming and "enlarging" Word to me which helped establish my faith and my mindset for 2008. I appreciate her faithfulness to obey the Lord. I appreciate Miranda's service to the Lord, to open her home and I'm so grateful to the Lord for providing my victory through my Savior Jesus the Christ!

Praise His Name!

Dear SGMM,

God showed me today at Miranda Baker's retreat, that I could trust Him for all of my needs, and the Lord through Filese gave me a better understanding of His Word in my life.

I praise Him!!

Dear Filese,

Thank God for today!

God has triumphed gloriously! In the appointment today the Lord has spoken strength into my life. I've learned that doing comes from being. I must first know who I am in Christ. He has made me to be a conqueror!

I loved learning that satan IS ALREADY DEFEATED!! He will not trick my mind any longer with his lies. I will stand strong in the relationship with my God, His Word and His Spirit. God has made me a winner!!

Praise be to God!

Plan to be with  
us!

Dear Partners and Friends,

Greetings dear friends. How I wish you could each experience with me the awesome presence of God in the women's retreats this year. As many of you know, I have been a part of these retreats for many years now. Each year I learn so much from Filese and the Holy Spirit.

This year has been overwhelming. Really, you would be so proud of the Lord and your SGMM. I have been amazed at how the Lord has been working in my life through the retreat themes.

Intercessors, please use the printed prayers as you pray for the ministry daily. I am going to be strategically using the words from 2007 and 2008. More than ever before, the offices of SGMM know that we must be ever aware of the strategy laid out by the Lord for this ministry.

*Father God, we praise You and thank You. You are the King of Kings and the Lord of Lords. We declare that Your will and Your purpose for SGMM in the earth has a firm foundation built on prayer, the word of God, and obedience to Your voice. Thank You Holy Spirit for continually leading and guiding Your servants. We thank You that we are given new strategies and new strength as we are faithful to the assignments that You put before us. Thank You that You give us focus and clarity as You use this ministry to transition and bring transformation to people, places, and things that You put before us for Your glory. Father, as You "turn up the heat" on the enemy, we thank You that You cause this ministry to triumph in You. That triumph brings changes in environments, changes in people's lives, joy, peace, prosperity, safety, and justice. We thank You Father for the surprises that You in store for us. Like children, we excitedly anticipate the goodness of our Father. At the same time, we thank You that any hidden things in the shadows are revealed. We look for and expect fruitfulness over SGMM and our partners. That is: increase in spiritual fruit and gifts, and increase in material fruitfulness. Abundance is the key word over Son Grace Music Ministries this year. All that You have for this ministry is coming to us for the purpose of expanding the kingdom, nothing held back, in Jesus' name. You are faithful, You are faithful, You are faithful.*

Thank you for staying in touch with us. We do not take our relationship with you lightly. Blessings over you. Remember we are praying for you.
