THE LORD IS MY STRENGTH & SHIELD; MY HEART TRUSTS IN HIM AND I AM HELPED. MY HEART LEAPS FOR JOY AND I WILL GIVE THANKS TO HIM IN SONG. PSALM 28:7

Issue 4 Vol. 22

Dear SGMM Partners and Friends,

Greetings in the powerful name of Jesus our King!

Praise be to God from whom all blessings do flow!! We give thanks with grateful hearts for our Lord, His Call upon our lives and so much for each one of you. We thank God daily for you, your love, your faithfulness to Him and to His Ministry, as well as to us. You all are just awesome and we love you with all that we are.

We have had a very busy and wonderful month filled with ministry for the Lord, from the home base here in OKC to all of the road appointments. God is SO GREAT in 2008, and is so loving to prove Himself to all of us His people, as we place our trust in Him and His

Word. Hallelujah!

We had an awesome time the first of the month in Lookeba, OK with our family in Christ at New Covenant Church. Pastors David and Roberta Brack are so precious and we so love and appreciate them. They have done some beautiful work on the sanctuary there and we were so blessed to see all that God had done since we were there a year ago, naturally and SPIRITUALLY in the lives of the leadership and God's people. We were just so blessed to see the fruit of the Holy Spirit being displayed all over the place. Thank you loved ones, for allowing God to be God and have His way

during the services we had with you. God has so much more in store for you and that community. You are under an open heaven...as was prophetically declared to us by Holy Spirit, through our Spiritual Advisors/Pastors John and Anne Youell, before we came to be with you last year. The heavens are still opened, and the portal is open, the river is flowing to you and around you. Thank you Lord!

Revival that was starting that weekend, we just experienced such a presence of God embracing us. As we entered the annex area, I just stopped, and all that I could say was, WOW..WOW.. Thank you Lord! The atmosphere inside was so charged with the presence of the Lord and everything was in place and ready for God to show Himself mighty. And OH! did He.

We spent a powerful, powerful week in Turpin, OK the second week of March. As we pulled the Gospel Coach into Turpin, we witnessed this little town, a lot of natural dryness, and this big beautiful building where many of the town's people meet for worship, the Turpin United Methodist Church. As we pulled up in front of the UMC building, and started unloading the Coach Bays, taking equipment inside to set up for the 2008 Spring

It was a glorious week of services. People coming in every service and filling the house with great expectation, from all around the region there, even from several hours away a few nights, from several towns in Kansas and other towns miles further out in the panhandle area. The Worship and Praise was awesome each night and the people on their feet just opening their hearts to the Lord in love through song.

Turpin UMC Praise Team

(cont'd from previous page)

The messages from God's Word delivered nightly was right on time and was all that God needed to say and that the people were ready to hear and receive. So many comments of praise were spoken to us of how God was touching lives and hearts afresh, those rededicating their lives even setting on their pews, encouraged and excited as to what God has for them in the days and months to come.

Lives were so changed, bodies were healed and marriages/relationships reconciled and encouraged. The Holy Spirit gave a Prophetic Word to two different young men, confirming and anointing their call to ministry and service for the Lord. We had several young people who were not quite teenagers yet, give their hearts and lives to Jesus as Savior for the first time, with some understanding of what they had done and what it meant for now and all of eternity. We saw God re-new love and restore relationship of family between young people and their parents. We could go on and on...The daily Bible studies, the noon luncheons daily, the children's crusade nightly, the evening services in

Filese with some of the children at Turpin UMC

the main sanctuary, the worship and praise, the alter and personal ministry time was all just awesome. God said that this meeting place of His People, would be spiritually like, "an oasis in the desert" from that time on, like never, ever before, to many thirsty and dry souls looking for "a drink of living water."

Pastor Harold & Joyce Wheeler

We so enjoyed the precious Pastors Harold and Joyce Wheeler, who were just so, so kind to us. The people treated us like Jesus...I tell you they did. Such respect for the Lord in us and God's Word delivered to them, the special Word in music each night, and our SGMM ministry table was just blessed nightly with folks coming by to pick up ministry materials to take with

them. Also, to share their love and hearts about what God was doing in and for them through the services.

Healing & Wholeness Service at Turpin UMC

God touched every age group by His love and Spirit in some way during that divinely appointed week. Again, we say thank you, to Pastor, the Revival 2008 Committee and THE PEOPLE of that area, that so love God and so loved us. Once again, we connected with another very special group of God's people that we will not forget.

On Saturday before the revival started on Sunday I had the privilege of speaking at the Beaver Lighthouse Aglow Meeting.. "They Will Know Your Roots, By Your Fruits"....The room was packed with Women of God from many different denominations, and non denominational places of fellowship, also, some coming from areas and towns several hours away, to be with us in God's presence for the "day apart".

Much ministry went forth by Holy Spirit to precious individuals there that day. Veda King and the Aglow Board was again, just awesome and showed the heart of Jesus to me and this ministry in everyway. Thank you Dear Ones, for demonstrating the Lord so beautifully! I love you with the love of the Lord eternally.

The UMC is building a new parsonage. While I was speaking to the Women of God, Rev. John pulled his cover all's out of the Coach bay, put them on and went and spent the whole day working with the men of the UMC and Pastor, building this big beautiful new two story parsonage, for the new pastor's family that will be coming in June. The people and guys just thought it was awesome that before Rev. John even preached a sermon (they said), he rolled up his sleeves and went to work with them. Isn't that what Jesus would do? Praise God.

We had a great week the third week of March in Nebraska, with our youngest son Donovan and his family and our daughter Melinda and her family. It was so good to have personal time with them and the grandchildren. Our Grandson Joshua Will's mommy and daddy, (our Son Jeff and daughter Lisa) could not go with us but Joshua was on spring break and got to go in the Coach (MaMa and PaPa's Bus he calls it).

He loved playing with his cousins and setting in the front seat of the Gospel Coach talking PaPa's

ear off as we traveled down the roadway. He loved seeing all of the different kinds of buses on the interstate that we passed and the horses, cows and he knows all of the "cool cars" out there today. He likes them all. It was great to have him with us and see our kids and grandchildren in the Nebraska area.

We just returned from the Enid, OK t. We had a super powerful Women's Retreat there. Our study theme was, "Living In The 7th Day Rest"... WAS THAT A POWERFUL STUDY FROM GOD'S WORD, AND THE VIEW POINT THAT HOLY SPIRIT HAD SHOWN US TO RELEASE IT FROM, WAS INTERESTING AND POSITIVELY STIRRING... We so enjoyed fellowshiping with partners, family and friends as well.

Thank you my dear friend, Kathy, for opening your home as a ministry station and for the awesome day of retreat journey. I love you. Thank you, John D., for sharing your love and home with us and this God's ministry. We love you so...

Well, I pray that you are experiencing the presence of the Lord and living in His Joy which is always your strength. Check out the praise reports and photos later in this March Road Report and thank you for all of your prayers, our precious Partners and Friends.....Prayers of Faith, and God's Word are the foundation builders, that puts in place all that needs to be done for Holy Spirit do His work, to bring our God all of the Glory...thank you for being constant and faithful in your time of Praying the Word, and talking to the Father on our behalf, for all of the appointments and for all of God's Workings of our lives and this Ministry. We love and appreciate you with all of our hearts. These ARE fruits of your labors of prayer, support and giving of your love to the Lord and us.

Until next time, keep prayin' and praisin' the Lord.....Jesus Hugs!

Dear Son Grace and partners,

What a blessing to have Rev. John and Filese back in the Oklahoma Panhandle for the Women's Aglow and Turpin UMC revival. This was a much needed time of refreshing for me and I appreciate so much the time invested and ministry delivered. The teachings throughout all the meetings were amazing as well as the music and praise and worship. Thank you so much to the people of Turpin UMC for hosting this ministry in our area, for by doing so you set up a time for me to make contact with Filese and Rev. John and be blessed as words of encouragement and instruction were needed and received.

Blessings to all,
Lori

Dear Rev. John,

I want to thank you for your awesome message on Sunday night. I also want to thank you for praying for my husband. I thank God for you all and may your ministries multiply.

In the love of Jesus,
Tina

Filese,

You are truly anointed by God. The Lord showed me the very purpose for me going to the Women's Aglow Meeting. It was for me to see how you operate in the Spirit of Healing and laying on of hands. He also gave me a vision of you and your husband speaking at one of my prison missions in Oklahoma.

Thank you, Jesus! Your visit was truly a blessing to me. I will never be the same, thank God!

Brad

SGMM,

Beaver Aglow Lighthouse March Day Apart, with the theme of "They will know your roots by your fruit," the day started with a testimony from one of the women's sons. We had been praying for him for years. He testified that he had received the Lord as Savior the evening before. The Holy Spirit was present in a real and intense way. Filese began with ministering to the women. She asked that all women dealing with depression come forward.

One of the women is 27 years old. She has been living in a non-Christian environment. She had been doing some self-mutilation, cutting, etc. She was the first one forward for prayer and was on her knees before God, ready to receive her deliverance and healing. She felt God's power mightily.

Two of the women needing ministry were on the Aglow Board. One had been dealing with the loss of her mother and new marriage of her father. She had been fighting depression. The other had happened upon a note written by her son that was not very complimentary of her. God was delivering her from a wounded spirit. Another woman, Dana, said she was

exhausted when she got home but there was such a spiritual intensity.

Turpin UMC Revival was powerful with ministering to individuals who were needing healing. The service lasted until 10:00 p.m., which I had never seen in this Church in the past 40 years. Many came forward for healing prayer that I had not seen come forward before.

One man wrote that he was so touched by the personal ministry and prayer for him and his wife. The mother from Aglow who had been hurt by her sons written words brought him to the revival. He went forward and told Rev. John and Filese that he didn't know why he came forward, but he couldn't help it. John spoke a word over him about being called into the ministry. It was awesome and he was so touched by the Holy Spirit.

Another woman was standing in faith for her healing. The doctors had recently told her she might have cancer in her bones. Many of those in attendance came forward to lay hands on her and pray, people I had never seen lay hands on anyone before. A twelve year old girl who lives in a fatherless home was so drawn to Filese during the children's ministry. She came forward for prayer and was so overcome with tears through the touch of the Father.

Rev. John called the drummer up from the praise band and spoke a word over him that he was called to minister. He had been struggling with the direction his life was to take and making decisions regarding his future. Another man had recently lost his mother. He was now the patriarch of the family and was feeling inadequate and needed prayer that he would be able to lead his family.

One woman said she felt this was the best revival we had ever had in our church. I believe the prayers of the intercessors were honored in the impact that the Holy Spirit had in the services. The praise and worship, ministry and Word were powerful!!

Love you and thanks for hearing from God!!

SGMM,

What a beautiful blessed day we enjoyed at Kathy's home--sharing and caring with the other ladies is always enjoyable. The study on 7th Day Rest opened my heart and awakened my spirit to many good things. Thank you very much for including me in this retreat. You are love and appreciated! God bless!

SGMM,

The retreat at Kathy Crenshaw's home was wonderful! I so appreciated the teaching on 7th Day Rest. It dove-tailed into things the Lord had been talking to me about, and gave me some clarity of thought. My only regret is that I never learned shorthand! I couldn't write fast enough to get it all down!

It was a great blessing to gather with like-minded ladies and hear anointed teaching.

Sandy

SGMM and Rev. John & Filese,

Thank you! from the bottom of my heart for coming to the hospital to visit with me and praying with me and my family. It meant so much to us.

Thank you doesn't seem adequate for all that you two do, and for continuing to pray for me. My lungs are so much better and I trust my heavenly Father that my lungs will be clear when I go to the Dr. on Monday. I am trusting God that everything will be o.k. I know that God will be with me, I trust Him completely, praise be to God.

Thanks again. I love you and ask for your continued prayers. You two are true Warriors of God! May God bless you. Smile Jesus loves you and so do I.

Dear SGMM Partners,

The retreat held at Kathy Crenshaw's home in Enid, OK was led by Filese sharing the revelation and teaching of God's Word given to her about, "Living In the 7th Day Rest". The day was spent in the newness of His Word. Our praising Him, that He never fails to feed us, and confirming to us that we have to learn to live IN HIM.

I was made more aware that when I make the Lord my RESTING PLACE, my habitation, by trusting His faithfulness, spending times of refreshing with Him, by basking in His Love, by walking by His direction and His Power, I ENTER into the SHELTERED PLACE OF PROMISE-----"HIS REST & HIS SUPPORT".

I thank God for Filese's obedience in ministry. I was so blessed!

Jesus Love,

Dear Precious Partners, Friends, and Intercessors,

Our God is very great and worthy of our praise! Thank you so much for your continued support in so many areas. This support has helped us to be in places of ministry and to experience the reality of His anointing and power. It amazes me to hear of the ways in which God has been moving in the lives of His people recently. In

the midst of some very dire circumstances, He has been a very present help in time of need.

Let me take this time to thank you who respond to the prayer requests that go out through email. Thank you to those of you who pray for this ministry and the appointments that we print in the newsletter. It is so important to us know that so many of you are truly connected to us by way of phone, mail, or email. Please keep in touch with us. We consider you family.

Shall we pray?

Father, we bow our hearts before You. We honor You today as we lift our hearts to You. Praise and honor to Your name. We lift up the shield of the anointing and Word over Son Grace Music Ministries, Revs. John and Filese, the offices of SGMM, and all of our partners to the outer edges. We come into agreement with You in all things which You have spoken to us through Your written word and your spoken Word. Your voice is the key. We will remain faithful to Your voice as You direct us, Holy Spirit. We call forth and establish more of the fruit and gifts of the Holy Spirit as You increase the mantle of the anointing over SGMM. Thank You that You are bringing an increase in supporters, partners, and intercessors. Compel those who You have ordained to come along side this ministry for Your glory. Thank You for the call, Lord, we lift Jesus high.

The Spirit of Caleb is upon this ministry. SGMM is a bold, courageous, generous, visionary, and faithful ministry. Holy Spirit, thank You that You will reveal what needs to be done in a place or region and what needs to be done in the lives of people to see them saved, healed, delivered, and made whole. Through You we expect to see dramatic changes wherever we go. Through You, the GREAT Change Agent, we declare that this ministry is being used to bring positive, lasting transition, transformation, and change in environments and people's lives. According to Your Word, we declare that abundance is a key word over Son Grace Ministries this year. We remain clothed with the armor of the Spirit of God and watch the wonders of the Lord be revealed.

Our triumph is in You, Lord, as You give strategy and strength for victory. We declare that we walk in Your completed work in all of our lives: health, prosperity, peace, security, and justice. We love You, Lord. This ministry is about You and You alone. All glory and honor belong to You.

Amen.

Bless you. Keep praying and praising. We love to hear from you.

Dear SGMM Intercessors and Prayer Partners,

This is a call to prayer for the community of Kiowa, OK and the Body of Christ there at the United Methodist Church. We received word that a tornado hit parts of Kiowa, OK and serious damage was done to the UMC there. Rev. John and Filese were pastors there for 6 years. It was the very first church that they pastored in ministry some 24 years ago now. There are many loved ones in the body of Christ that have remained there in the community and church and SGMM partners and family. We understand that no one was seriously hurt during the storm and we are so grateful for that.

We ask you to join with us in prayer, giving our Lord praise and thanksgiving for His safety during this tornado and storm, and that lives were kept; thanking God that the repair and rebuilding of all that was damaged will be dealt with speedily, that our God's mighty hand and Divine Wisdom will be upon all of the decisions that will need to be made. We thank our God that He is the Great Rebuilder and that He repairs all things Very WELL! In the powerful name of Jesus The Christ! Amen

(Nehemiah 3:18 " And I told them of the hand of my God which had been good upon me and the king's words that he had spoken to me, so they said, 'Let us rise up and build.' Then they set their hands to this GOOD WORK.")

Our thoughts, love, prayers, support and hearts are with our SGMM family, partners, friends, and family of God in Kiowa area at this time.

If you would like to send cards of love, prayers and encouragement to the SGMM Partners and the UMC Church body there whose lives have been effected, and need to know that we care and are with them and praying for them, send notes and cards to the following, making note at the bottom of your note of love (Son Grace Music Ministries, Rev. John & Filese Hauser):
