Issue 5 Vol. 22

***We want to send out Mother's Day greetings to all of our SGMM Mothers, Grandmothers, Aunt's, Spiritual Mom's and Women of God!  
Thank you for all you are and all you do!  
You are all in our thoughts and prayers!***

***We love you and bless you all.***

***We pray you had a wonderful  
Mother's Day!***

Dear Partners and Friends,

Greetings in the wonderful name of Jesus our Lord and King!

Spring has opened up beautifully around us here in Oklahoma. We have flowers blooming, trees budding, cold one day, warm the next and thunderstorms with some severe weather warnings, now and again also. All of the things that 'spring forth with "Spring" in this part of the country.

God is so, so awesome and demonstrating His power in such a way in this first 4 months of this New Year. GOD TRULY IS GREAT IN 2008! As one of our dear close friends and partners wrote in to us this past week, "what a great time to be living and serving the King." We are so, so grateful to the Lord for His Goodness and His Keeping Power to all of us His people. We praise Him that His mercies are new and fresh every morning just like the morning dew. We thank Him that all things are possible through Him and with Him and in Him Nothing is impossible.

We have been doing some spring house cleaning here at the Son Grace House and Offices. It is so nice to have a few weeks that the Lord has given us, to be ministering in many areas close to home base and have some time to get caught up and put some things in order that were in need of our attention. Praise be to God!

Rev. John & Filese getting a bite to eat with Filese 's Sis' Etta & Brother in love, Arvil in Tulsa, OK.

We were blessed to be able to get away a few days this month to Tulsa area over night for our anniversary. We had such a refreshing time and saw some of our dear partners and family there before returning to Oklahoma City. Then last weekend we kept our Grandson Joshua Will while his Mommy and Daddy got away over night to celebrate their love and marriage anniversary, and also had so much fun at the Oklahoma City Zoo with our Son Jeff and family that Saturday. We had not gone to the Zoo or

done anything like that in such a very long time, did not hardly know how to act. We realize that spending time with loved ones, friends and family in fellowship, sharing love with

Joshua being silly posing for a picture for MaMa at the Zoo. No that lizard isn't real. ☺

one another is also very much Kingdom Business and so valuable and healthy Spiritually, Emotionally, and Physically.

We shouted HALLELUJAH!!!! Loud, long and clear when April 15th had come and gone and time with the accountant in the Enid, OK area was over and done with for now. However, we did have some wonderful time of ministry and fellowship with several while there in that region. It was good and again God was so present and GREAT.

We pray that your lives are full with the love, joy and presence of our Lord. We pray that you are experiencing God in every area of your life and we thank Him that every blessing is yours and every need and desire is met, in the mighty name of Jesus The Christ! We thank our God daily for all of you and all that you mean to us and this ministry. For your love, friendship, support, prayers and faithfulness that so exemplifies the heart and character of our Lord. Thank you! You are deeply loved.

We love hearing from you, so please stay in touch with us and close to the Lord through out this beautiful spring and the approaching summer months. We are here for you in any and every way that you might need us or that you will allow us to be there for you. Be it in prayer, fellowship, or getting to spend some personal and quality time with you, if you get close to the City, just let us know. You are always welcome here or we can meet you (as we do so many through out the year), somewhere for a bite here in the area.

Again, love and Jesus hugs until next time....

In Service for The King,  
Your Friends and Partners in The Kingdom-

### What About Your Time?

It's kind of a buzz word today to ask about nutrition and what is lacking in our diet. And it is important to know what we are eating and what we need to eat. It

is essential to find out what is beneficial and what may be harmful. But it is even more essential to know what is important to God and what He requires for us to be healthy, which is to be blessed. Just as it is required to eat living food in order to be healthy, it is essential to have living food for our spirits to be blessed.

*54 And he said also to the people, When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is.*

*55 And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass.*

*56 Ye hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time? Luke 12:54-57 KJV*

Many Christians today do not discern the time, or the importance of time. They may be trying hard to manage their time and even trying to be good stewards of their time. But most do not prioritize their time. They do not seem to realize the importance of time to their heavenly Father.

Even those who include God in their management of the day do not seem to understand that God requires time invested in Him for them to be blessed. And He does not value time given Him as an afterthought or only as a last resort, only when there is some left over.

The time we do not invest in fellowship with God is lost. It is not redeemable. The things God wants to do or share with us or deposit in us are lost when we do not take the time He requires of us. When we do not discern the timing of the things of God we miss the opportunity He has planed our growth.

I hear God saying, His plans for us are dwarfed when we refuse to invest the most valuable thing He has given us to manage, our time with Him. You see, God has chosen to include you in the development and completion of our spiritual maturity and destiny. It is not like God is withholding His blessing, but rather we neglect that which God created to bring about wholeness. When we fill our time with empty things or even less important things then fellowship with God we fill ourselves with empty calories and even harmful ingredients.

*15 See then that ye walk circumspectly, not as fools, but as wise,*

*16 Redeeming the time, because the days are evil.*

*17 Wherefore be ye not unwise, but understanding what the will of the Lord is.*

*18 And be not drunk with wine, wherein is excess; but be filled with the Spirit;*

*Eph 5:15-18 KJV*

Do not make the mistake and merely try to include God in your day. He deserves to be the center and reason for you day. But remember, the pearl of great price can only be harvested by invested in the time that God requires of us to know them. That does not mean mere knowledge of Him, but to know Him, to experience Him, to hear Him and respond to His presence. This includes soaking in His presence and absorbing His goodness and spiritual life. Thirty minutes in God's presence is more valuable, more revealing, more nourishing than hours in the gym or planning the best dietary meal or even doing service for Him for His glory.

What about your time? What is the most valuable thing you do with that time? How are you investing your time in that which is eternal and also life giving for your life in the present?

Your time is your seed. Use it wisely. Plant it where it will bring forth an abundance of harvest. Sow it in fellowship with Him.

In His service,  
**Rev. John W. Hauser**

They are "Assembly of God also!" They are so precious, we just love them.

Dear Friends and Partners,

God bless you dear ones. I pray that you are well. We love and appreciate you so very much. My family and I are doing well. Madison, my daughter, graduates this month. We are thankful for God's hand upon her. Life with boys, 12 and 13, calls for its own dependence upon the wisdom of God. Going through old pictures of the kids today reminded me of how much fun it has been to be a mom. This month I bless all of you moms and moms-to-be.

Shall we pray?

*In the name of Jesus the Christ, we pray for Son Grace Music Ministries. We place our hope and faith upon You and Your word, which we raise as a shield over SGMM. May this ministry remain obedient to you word, logos and rhema. Thank You,*

*Lord, for using this ministry to bring positive change, transition, and transformation in the lives of people, places, and regions. By Your spirit the territory of the enemy will be pulled down, up rooted, and rearranged. We look for Godly environments to be established as You use this ministry to cleanse the land and change the atmosphere so that the blessings of God can flow freely. Your people will be made glad as peace, love, joy, blessing, prosperity, and abundance are surely coming. Use us to teach Your people to enter into spiritual rest. Thank You for depositing strategy and strength for victory as we go forth to minister. Open up doors of ministry. We thank You for divine health for Your servants.*

*Father, this is Your ministry. You have everything that we need to fulfill Your call and commission on the earth. It is our desire to be in place spiritually to be used and receive Your word to its fullest- for the offices and the partners of SGMM. To You and You only belongs the glory. Amen.*

Stay in touch. We love you.
