Dear Precious SGMM Partners and Friends,

Greetings in the matchless name of Jesus the Christ, our King!

What an awesome month this has been. We have just watched our God work in so many powerful ways this past month, as we traveled about the state and area, spending time with loved ones in ministry and partners in the Kingdom of our God through SGMM. We have been SO blessed. We praise God for every opportunity that we have had and for all of the fellowship, prayer and the time, that we were able to spend and share, with some of you special people in our lives this past month. We so appreciate all of your love and support to us and we are just thanking God for you and the joy we had, to have been blessed to spend some quality time with you. Thank you, each one, who asked or invited us to come and be with you. It was our blessing once again, and we pray that you were also blessed by our time together.

We want to remind all of you that we love so very much, that if you ever can get away to come to Oklahoma City and be with us, we would just love to have you, or to meet you for a bite and have some wonderful loving fellowship with you. If you desire that as some of these, this past month did, to invite us to come your direction to be with you, all you have to do is let us know and we will truly believe God to arrange that in His, your and our timing. Again, we love each of you more than words of earth can express and we do SO VALUE the relationships that we share, and the love of God that connects. It has always been one of the most important life lines of God in SGMM and through SGMM, to build relationships, respect them and guard them, and do our part to bless them with constant nourishment of love. We know and have learned that Godly connections are eternal and they are blessed. So valuable, so valuable! Every relationship must come after and out of our relationship with the Lord. When He is the Lord of the relationship it is truly established and grounded to ever lasting. Praise Be To God! We thank God for you, and we love you deeply!

God has been teaching us much, for some years now about "bringing Him an offering"... what that means, and all that it means - All that it consists of. Hopefully we are CONSTANTLY "bringing God an offering".

*(Cont'd from first page)*

First ourselves, all that we are, presented to Him on a moment to moment, day to day basis. Then everything we are and have been given, that was deposited and entrusted to us by God. So we bring that back to Him regularly as an offering lifted up to Him, to be touched afresh by His hand and Anointing, so that He can be Glorified in and through it all. Many places in scripture, the Lord calls for "an offering" to be brought to Him. There are multiple kinds of OFFERINGS recorded in the Word of God. ALL of them are valuable, timely and important. Most times we only think of finances or money when we hear of "an offering" or the OFFERING being brought or taken. But, the most important offering and first offering is "all of you", your heart and life being brought back to be presented to the Lord. He owns you, as you were bought with the Pearl of Great Price, the very life and shed blood of Jesus the Christ, God's Son, given up as an offering for you and me, and for our eternal purchase back to God. So you are a purchased priceless treasure, belonging to the Lord God Jehovah in all that you and your life consists of. When we freely and lovingly bring all of that back to God through accepting Jesus' purchase for us, we take up our position as "an OFFERING BRINGER"... WE HAVE BEEN THE BASKET, collecting all of the blessings, gifts, graces and riches of our Lord since we were born naturally and took up residence here by our arrival and making our earthly entry. Then when we discover Jesus and God's love for us, accept Him and all that He has done for us we begin to fill up "The Basket" with more eternal valuables of God Himself and that is just on going as we grow and journey with Him. He keeps giving, and giving and depositing and depositing in us, investing in us, through His Eternal Investment Plan, and we continue to live, move and have our being in Him, enjoying all of His benefits.

Should we not take 'the basket' to him often and empty it out, with thanksgivings and attitudes of gratitude for all of the "offerings" that He is placing in the 'basket' of our lives, bring that back to Him, empty it forth to Him and let Him fill us, (the basket ) up again? We with draw from His deposits all of the time. We go to Him and with draw from our heavenly eternal account all of the time, did you know that? We are still with drawing from the first deposit made on our behalf by the Lord Himself. Because of our belief in Him, our trust of Him and our faith in all that He and His Word says that is ours, we will never go bankrupt. But there are such eternal advantages in the obedience of our deposits, of our "offerings" brought to Him and invested in Him and His Kingdom. Every "offering" brought to Him with a thankful, cheerful heart, and for every "OFFERING" freely released; we will REAP and RECEIVE, such awesome rich dividends now and eternally. Hallelujah!!!!!! You are blessed! With life, breath, and all that you have, you are the blessed of God. So when you hear Him say, "bring me an offering", present yourself and then all that you are and have to Him anew. Be-grudge nothing and you will be the "more blessed", with the fruit of blessings running to over take you. You are givers of the Lord in all that you are and your lives are proof of that, the fruit shows forth. Just remember, you are 'the basket' and you are "the offering" that He desires first and foremost. He loves you so. This is such an exciting teaching for us and we just wanted to try and share with you from our hearts, what the Lord was revealing to us

afresh in this area, as He would say it, "bring me an offering". We wanted to share, that it is all we are and have. Yes, it is our finances, BUT it is not all about money, it is so much more than that and the Lord desires for us to realize that for our benefit and His glory in and through us. I pray that God will continue to give us understanding and guidance on this and that He will open your understanding to all that we have tried to share here with you on, "BRING ME AN OFFERING". And we pray that you will be as excited with this deeper illumination, as we are.

We are preparing to release a nugget of gold to the glory of the Lord through SGMM. Sometime back I recorded a few songs acapella. Rev. John had listened to it and thought that we should put it forth, "bring it as an offering", to the Lord, as it has been about 8 years since we have went in the studio and released a new music project for the Lord. Part of that has been timing, finances and the material coming into place that the Lord would have us to record for Him. We do desire that, and do believe that we are moving into the season for a new recorded project release. However, for now we can bring this forth, out of what we do have and present it for God's glory. It is entitled, "A TOUCH ~ of ACAPELLA", and it also will have a couple of the acapella selections on it that SGMM Trio "Chosen F.E.W." has done over the years. So we pray that it will be a blessing first to the Lord as "an offering", and then that through it others might be so blessed in this simple and short recording release through God's SGMM right now. Thank you for your prayers of blessing with us on this "offering" recording.

Just know that you are much loved and appreciated. Jesus hugs are enclosed! Until next time, we remain as always-

God's Servants & Your Friends,  
Rev. John and Filese Hauser - SGMM

## How easy is it for you to praise God?

Is there a hindrance in your life of praise? I believe that the life of a Christian is to be a life of praise.

"I will praise thee with my whole heart: before the gods will I sing praise unto thee."

"I will worship toward thy holy temple, and praise thy name for thy loving-kindness and for thy truth: for thou hast magnified thy word above all thy name."

"In the day when I cried thou answeredst me, and strengthenedst me with strength in my soul."

"All the kings of the earth shall praise thee, O LORD, when they hear the words of thy mouth."

"Yea, they shall sing in the ways of the LORD: for great is the glory of the LORD."

"Though the LORD be high, yet hath he respect unto the lowly: but the proud he knoweth afar off."

"Though I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand against the wrath of mine enemies, and thy right hand shall save me."

"The LORD will perfect that which concerneth me: thy mercy, O LORD, endureth for ever: forsake not the works of thine own hands." Psalm 138:1-8 KJV

But for many this is not the case. Our carnal emotions, our worldly circumstances, our sins and the sins

of others, causing us offence, kept us from living in this level of victory, this level of God's glory.

These things can only be overcome through crucifying the carnal appetite that is the worldly flesh we are so accustomed to. These things must be overcome by our loving obedience to the Lord, for His glory and our edification. And the Holy Spirit will come to our aid and enable us to accomplish these acts of self-denial when we submit to Him and humbly ask for His anointing to obey. Yet, there is another reason many of us fail in this area of glory, this area of praise. It is because many of us walk, yes live in bondage to the lies of the evil one and are even held captive apart from our awareness by the strongholds of his devices.

It is so sad that even we Christians are so ignorant of Satan's wiles or we choose not to believe we are in spiritual warfare because we live in such a carnal, secular world we find it not acceptable to acknowledge the truth. Even the church, as a whole has forsaken the reality, let alone the responsibility of the need for continual cleansing and deliverance from that we are exposed daily. I won't go into a discourse of spiritual warfare, but if you find it beyond your ability to praise God in all things and for all things giving Him thanks, it may be that you have become defiled by this world's system and even bond from your freedom and natural Christian desire to truly worship the Lord.

Now, I know this is not a popular subject and I am not suggesting you go on a witch hunt. But I would rather you examine yourself in the light of His Word and His Spirit and expose anything the Lord shows you that is holding you in back then stay in bondage. The wile of the evil one to stop your praise to God is the basic level of His tactics of warfare in our lives. I recently had to admit to the Lord that I was blaming Him for not helping me more in several areas of my life. Then through the conviction the Holy Spirit, I realized that God was not going to do what I have been given the responsibility and power to do, that is, take authority over my enemy and stop living under his oppression. But rather shine the light of God's word upon my life, my emotions, my thought, my word and my actions. Then, having exposed any darkness in me, take my authority in Christ over it and remove it from controlling me in my life experiences.

Now, I know the kind of deception that convinces you that it is too hard or impossible for you to prevail in these areas. I know the lies of the evil one which torment you to the point that your faith in God seems ineffective, even to no avail.

But the truth is that the devil is a liar and God has already provided you everything you need to walk in your inheritance of His grace and goodness. It may take suffering for the sake of the gospel, but not defeat or failure at the hands of the enemy of your soul. You have been given the tools; use them that you may not suffer spiritual loss.

You can be free and you can live a life of praise.  
In His service,

**Rev. John W. Hauser**

Dear Partners, Friends and Intercessors,  
Hello from the prayer office. I pray that you are enjoying the summer months. SGMM has been busy this

summer. The "summer splash" women's retreats are this month. Several new projects are underway, and plans for the annual SGMM Word Conference are unfolding. There is much to be covered in prayer. Thank you all for your constant awareness of the positive movement around the ministry. That is one of the purposes of the monthly newsletter. I pray that this column will help us know how to pray.

*Gracious heavenly Father, we come to you with thanksgiving and praise. You are worthy of all praise, honor, and adoration. Thank You for Your faithfulness and grace in our lives. It is with joy and grateful expectation that we come before You on behalf of SGMM, Rev. John and Filese, and the entire SGMM family. We plead the blood of Jesus and lift up the Word and the anointing as a shield. We thank You for Your presence and purpose over the ministry and our lives as we move to remain faithful to Your voice and obedient to Your will. Thank You, Great Change Agent, for the positive change in our lives. We accept the positive, lasting transition and transformation in our lives, naturally and spiritually. Your strength and strategy brings forth success.*

*We come into agreement for SGMM for the health and well-being of Your servants Rev. John and Filese Hauser and all those who place themselves under the umbrella of the anointing of Your Word. Direct our paths, strengthen our hands, give us wisdom and discernment. Open the doors of ministry and opportunity. Grant us favor as a shield. Thank You for the explosive release of creativity over this ministry resulting in new ministry tools to spread the GOOD NEWS of the Gospel. We love You, Lord, and we we trust You in every aspect of Your Son Grace Music Ministry. Bring new friends, partners, intercessors, and contributors to us. We thank You for each divine connection. Thank You for each open door and life to be touched and eternally change for Your glory. Thank You for the call. In Jesus' name, Amen.*

We love you so much. Until next time, I remain  
Your friend and partner in Christ,
