Dear SGMM Partners and Friends,

Greetings in the awesome name of Jesus our King!

Just a note this month, to send you love, Jesus hugs, Blessings, thanks giving's and appreciations for who you are and all that you do for the

Kingdom of God and SGMM. You are each one so precious, to The Lord and to us.

We have had a busy month this last month getting ready to leave on fall ministry tour to the East/Northeast around September 2nd. We also had a marvelous time in ministry appointment this month, in Gage, OK, at Believer's Chapel with our forever partners, family and friends there and Pastors Curtis and Kay Torrance. God did some powerful works within us and around us, His People, personally and corporately. Praise be to God!!!! We so appreciated the opportunity to journey in Worship, Fellowship, Communion and Ministry with our loved ones there. We are so grateful for Holy Spirit and His manifestations of power that was present among us. God truly invaded our lives and the area a fresh, with His Glory and gave a new charge to His People, as we reclaimed territory, and claimed new territory through the power of Holy Spirit. God electrified the atmosphere with Himself, as we were revitalized and quickened with His Spirit of Hope.

We were also reminded afresh of the Vision God placed within His Servants years ago, for that area... THE VISION IS happening, It is coming even now, to a new level in It's fulfillment! Hallelujah! Again, thank you to our family in the Lord there at Gage, for your love to the Lord and to us all of these years.

In a Prophetic Declaration of the Holy Spirit's Ministry while there, God said, "after much examination, I have found you FAITHFUL". Thank you Lord! Thank you for continuing to "bring your VISION on through" to Your People there, and then through them, for the advancement of Your Kingdom and Your Glory! Thank You Lord that they live under Your Open Heaven, and for the Open Portal, where Your bountiful blessings flow freely in abundance to them, because of Your People's faith in You and Your Word.

Our Dear Ones thank you for your continued prayers for SGMM and for us, as we move about on the field of ministry for the next 2 and 1/2 months, in the Gospel Coach. Once again, remember you are much loved and appreciated!

Love In Jesus, His Servants and Your Friends-
Rev. John and Filese Hauser

I was not expected to write an article for the News Letter this month because of space, but I have failed thus far to share what I heard the Lord say earlier this year. And I believe He is directing me to make it public now.

So, this is just a short note to remind the Body of Christ of their calling. I heard the Lord warn us that this would be the last year we had as a Nation of Christians to return to the priority to fulfill our call to reach the lost for Christ, to return to the mission of the Great Commission.

I heard Him say that if we did not turn aside, back to the priority of our calling to purposely go and tell of His goodness and the gift of His Son, that another Nation would take up the call.

This Nation would be of another race of people than those of the past in this Nation. What I saw was the continent of Africa, especially Northern Africa.

One final note, the definition of nation is race, as grouped together as a majority of like people. Please, do not make the mistake to think this has anything to do with racism. But, it does not have to do with change of heart and change of mind. It does have to do with repentance and actively pursuing God' purpose again.

In His service,
Your brother,
Rev. John Hauser

Letters & Emails of Praise to God

Dear SGMM Friends,

I had the privilege of attending a Ladies Retreat at Sister Linda Jarvis's home in Rush Springs, OK, on Saturday July the 19th. I was blessed to learn more about the ministry of Impartation of the Holy Spirit in this retreat. Filese shared with us how the Lord Imparts through us and the meaning of that as well as the different ways that God's Spirit can minister to others through His Spirit of Impartation. I learned that this can be through a Word, even a hug, a prayer, a blessing and more. Filese Imparted by Holy Spirit to us, a portion of God's Spirit of Impartation from within her and God's Son Grace Music Ministry, and she also Imparted God's Anointing of Prophecy to us. Our theme of study was, "Go'in Round the Mountain". God was so good! Praise the Lord!

Love,
Marita Kliewer

Dear Partners of Son Grace,

I was so blessed at the retreat in Rush Springs, OK. There were so many things that Filese shared with us and brought out in our time together at the retreat that really ministered to me.

As we prayed for the salvation of my household and some of my children to come to know the Lord Jesus as their Savior, I was blessed with such an assurance of that. My daughter had tried to call could not reach my husband and so she called in during the retreat because her husband was in heart surgery at that very time. I prayed on the phone with my daughter and told her that I would go in and have Filese and everyone else pray also. She said that her husband was so afraid. Filese and the Ladies had just prayed with me for my family and then here my daughter called in right after that. It was such a conformation to me, that God had heard our prayer and was answering my prayers concerning my

household. Praise God! My daughter called later and gave me a report that certainly proved that her husband had received a miracle that spared his life once again, so I know that God is truly working, because they are some of my children that I have been praying for. So God is really at work and I thank Him for that.

As Filese was teaching us about the ministry of Impartation, I realized that as Filese shared, we impart in manner, all of the time, and I saw how I impart to my grandson (and others) all of the time and on a regular basis and didn't even realize it. I heard and received so much more of a deeper understanding on this and many other things as well. I was so blessed to when Filese shared with us that we are all "carriers" of God's Presence and His Glory.

I came home Saturday evening after the retreat and my husband Jim was taken to the hospital with what they thought was a stroke. They ran tests for several days and found nothing. I believe that it was just an attack from the enemy because I was so blessed and received so much from the Lord at the retreat. Whatever was going on there with my husband's body, God took care of, as all of us, our Pastors put out a call to prayer and Church family, Filese and Rev. John went to immediate prayer and also, God was honoring the prayer that had went forth at the retreat.

I had always wanted to go to one of the in house retreats at Sister Linda's, and had never been able to go. I was so blessed to be able to go to this retreat. It really was a divine appointment for my life. So many things that Filese spoke on, had been on my mind and or in my spirit for sometime, and so I believe God had Filese speak on them and share some thing's in the retreat study just for me, even though I am sure the other ladies present felt the same way.

Dear Friends

Recently I attended a retreat in Rush Springs at Linda Jarvis's home.

It was a time of blessing and great teaching by Filese Hauser. The teaching on impartations was wonderful and I received a deeper understanding of what it was. Thank you Linda for opening your home and being such a gracious host. I came away feeling refreshed and blessed in every way!

Prayfully Yours,
Betty Means
