Dear SGMM Friends and Partners,

Greetings. I pray that you are all doing well.

This month I just want to take a moment to tell you how much you are loved and appreciated. Thank you for your continued faithfulness to the Lord and His SGMM. We are excited about the

things that God is doing with the ministry that are fresh and new. He never ceases to amaze me as I watch Him answer our prayers. It isn't that I am surprised that He answers. The amazement comes with how He orchestrates, leads, and guides.

Make sure to check out the itinerary, praise reports, and Filese's update to keep up with what He is doing in and through this ministry. Keep praying the prophetic word over yourselves and us. So much of what we are experiencing of the Lord is that word coming to pass. You are a vital part of the very structure of SGMM. Our desire and prayer is for you to know and experience the benefits of being in partnership with the Lord of this ministry. We know full well that we certainly are in joy from being partners with you.

God bless you each one,  
Miranda Baker  
SGMM Prayer Pastor

*Thank you to everyone that sent e-cards, cards, gifts and phone calls to wish Joshua Will a Happy Birthday. He was so blessed. We all love you all so very much. He had a great time on his birthday as we celebrated his turning 15 years old. My how time does fly and how fast he is growing up. He reminds me all the time that he is as tall as MaMa now.*

### Letters & Emails of Praise to God

Thank you to all of you who write wonderful praise reports and send them into the office. We do make sure to include all praise reports we receive so if your report doesn't appear in this newsletter, it will be in one of the following newsletters!

SGMM,

*"Grandma, will you pray with me?" The words rolled out of my grandson's mouth as he moved his chair next to mine and took my hand. He had come for help in*

*studying for a world history exam. Our minds had been stretched as we reviewed Aristotle, Voltaire, Galileo, Copernicus and the great thinkers of ancient history.*

*"When I think about God," he said, "I know He created it all. I need to get my life right. I want to go to church with you Sunday. I want you to pray for me and our entire family." Oh, the joy that was mine as I prayed with my beloved grandson! My heart was exhilarated when he left. I thanked God for answering my prayers and for all my church family and SGMM family that helped fill the prayer bowls in heaven until they are overflowing.*

*I thought about our women's retreat the Saturday before, about all the beautiful friends gathered at Hazel Meyer's home, about our study on "The Real Deal" about studying Hebrews 9, about praying with one another that we and our families would know Jesus Christ who is the truth the life, and the way. The women's retreats with Filese are such an inspiration for those who take advantage of them. They are the real deal for women who need a day apart to strengthen their faith. I thank God for you all.*

Sandra – Enid, OK

SGMM,

*Thank you Filese for your willingness to be used of our Lord and be submissive to the Holy Spirit. It was a wonderful time sharing what the Lord was doing in my life concerning the "relationship connection" and also to see the Lord working in the lives of so many Women.*

*I always try to prepare for things ahead and plan so everything is done. I pride myself on being prepared but the Holy Spirit says you can prepare for things by doing tasks and making sure everything is in order but if you are not right in your walk with Lord God you are wasting your time. Everything you do, do it for the Glory of the Lord and he shall give you the desires of your heart. My desires are to see my husband and children serve the Lord and us come together as a family loving the Lord in all our ways. But the Lord knows we need correction and discipline, but he does it so gentle and Loving how can say no to our Savior.*

*So I would say to you, He that has an ear let him here the word of the Lord. "Be patient" and take heart the day of the Lord is At hand. Be encouraged today; lift your head up to see the lord is good in all his way.*

*"Jeremiah 29:11 say's "For I know the plans I have for you, declares the lord. "Plans to prosper you and not to harm you, plans to give you Hope and a Future."*

*Praise the Lord for he is Good.*

Thank you and God Bless  
Your Sister in Christ

Filese,

*Thank You for the great Retreat in North Oklahoma City area.*

*I am a hugger by nature. While you were sharing last Saturday, you said that you are watchful as to who you let lay hands on you because we are all carriers of something and therefore we carry and release to anyone else that we touch and come in personal contact with that which we are carrying. If that which resides within is the Holy Spirit of God and His Word and "Good Things" from His Spirit are living within you, then as you touch another you release that and impart that in a sense to that person.*

**"UNLOCKING and RELEASING, God's PRESENCE like A SHADOW, God's PEACE like A DOVE, God's PROVISION like A FOUNTAIN, and God's POWER like A WILD-FIRE, in 2009!" Matthew 16:19 "This will be a year of Greater Discernment & Awareness. (Prophetic Word Given by Pastor Youell for SGMM 2009) "Believing For and Expecting Miracles in 2009." (Given at TCC for 2009)**

If an individual is carrying negative things, full of "stuff" that is just not of God at all and they lay hands quickly upon you or embrace you and you are not covered without and within by the Spirit/Armor of God, you can have that which is not of God imparted into your zone and to you.

Thank you for sharing that we are to guard that which God has entrusted to us and work in cooperation with God to protect that which is His in our bodies, soul and spirits. (Even germs naturally are transferred from one to another because of touch and personal contact, without being watchful and keenly aware).

Many times we are in a great place within our Spirit and in our health even and we enter another's space or have contact with others and come away feeling cast down, or under some sort of attack and do not understand why. Now it is more clear the responsibility that we have as People of God to be aware of these things so that we walk more keenly by the Spirit of God in our contacts and areas that we go in and out of, as well as those that we allow to have any influence over us and our bodies where Spiritual and Natural health is concerned.

I had been having problems and when you said that, it was a light bulb moment for me. I had forgotten that I need to be doing that. We all need to remember, that we need to protect ourselves from those things and attitudes, traveling spirits that are not of God that can move about with us and in areas that we go in and out of. These are not from God and can cause serious problems and disruptions in our lives and bodies and we not even realize it.

I will NOT allow them (anything that is not from God to leave someone else and their zone that I have been in) to travel away with me and keep hanging around me causing havoc and disruption in any area of my life, body, soul or spirit, in Jesus Name!!

Thank You Filese!!

Dear SGMM Family and Friends,

We were so Blessed to have our Returning, Former Pastor John and SGMM Founder Filese come and bring a much needed "Refreshing" from our Heavenly Father, to this area of the state. Kiowa area was the "Very First Ministerial Appointment" for them both. We were all so proud!!

Saturday we had a lady's retreat with rain coming down, but it did not discourage any of the 25 lady's who weathered the storm and the mud and the road work being done on Hwy 69.

Our theme was "Living under an open Heaven, which to me was like living under Psalms 91:1." "Me" dwelling under the secret place of the most High. It was Wonderful, as were all of us being together too. And there are numerous places where the "heavens have opened up" for us in scripture. I was amazed.

Sunday morning service with John Preaching was Awesome. God spoke to all of us. Men, Women and Children alike, as we were being renewed in Spirit and with Joy. A few hours later that evening we entered an energizing service of Worship and Praise. God just seemed to wash my eyes with tears and I know many more were being loved on by our Heavenly Father, too.

In Ps. 46:10 it says be still and know I am God. How Beautiful Worship is when we slow our life down.

Jesus and the Father deserve all our Thanksgiving and "unmovable attention", through Worship.

SGMM,

The evening song service was a blessing. It was a time of worship in which closeness to the Lord was evident throughout the room. Filese lead the worship and praise and Rev. John brought a deeper level of connection to the Lord with his amazing whistling.

After the song service we were privileged to enjoy fellowship over a meal at the local cafe with Rev. John and Filese. The food was good, but the fun and fellowship with them was much more important than we had thought at first. Sometimes it's just the few minutes of informal ministering which makes the biggest difference.

Our thanks to Rev. John and Filese for an evening of blessed fellowship and "love fun" thru the Lord Jesus.

Filese,

I had a great time at the ladies retreat in Kiowa this past weekend. It was wonderful to get to spend time with other Christian women and have fellowship. God has blessed everyone so much!

Dear Filese,

Thank you, for helping us to understand God's Word and Wisdom better during the women's retreat at Kiowa. It was wonderful, to see how many sisters in faith attended the retreat even on a rainy day. I know that I received a blessing and the day simply put, was "a ray of sunshine". Any one that attended had to feel God's presence.

Filese I know that God is using you to send a very precious message to women everywhere and words cannot express the encouragement that I personally left with.

I would also like to thank your ministry for praying for my husband Phillip (Buddy) Lewis. He is doing much better and God has given my family many miracles. Every day we have been blessed by my Father God. Please continue praying for him (Buddy).

Again thank you and God bless.

Your Sister in Christ,  
Debra - Kiowa, OK
