Congratulations to Newly Weds, Mr. and Mrs. Stuart Crenshaw. Stuart is the son of long time best friends, partners and family in Christ, John D. and Kathy Crenshaw and Madison is the daughter of Rev. John and Filese's Spiritual children Tony and Miranda Baker ( Miranda is also Prayer Pastor for SGMM).

Rev. John married Stuart and Madison in a beautiful ceremony held August 29th, in Ringwood, OK. This was and is, a very Prophetic work of God.

The Holy Spirit gave Filese a song for the couple, "AGAINST ALL ODDS, (It's the Lord, me and you)". Filese and son, Jeff, went into the recording studio, recording the song just several days before the wedding took place.

Thank you for your prayers and blessings upon Stuart and Madison, as they start their journey together.

If you would like to send cards, love gifts and congrats to Stuart and Madison, please send to:

## The Captain's Corner

Dear Partners, Friends, and Intercrossors,

It is wonderful to connect with you again through the monthly newsletter. What a quick-paced summer it has been. The ministry has stayed very busy, and we thank God for the new avenues of ministry which He opened up to us. Be sure to read the praise reports to keep abreast of all that the Lord has accomplished through His SGMM. He deserves the glory. We are quick to share these reports with you for that very reason.

By the time you receive this prayer update, Fall Tour will be underway. Please be in prayer for the appointments whether scheduled or impromptu. This would include any counseling appointments that may arise along the way. Ask the Lord to grant His favor to His servants so that His timely word may be received favorably and result in positive eternal changes. Cover the coach and all that needs to operate efficiently and smoothly as they live in it full-time for the next two months. Include safety as a prayer point, as well as health to their bodies. Please pray for the financial aspects of the tour. Let Holy Spirit lead you as you join us in the foundation on which the ministry operates. Your prayers are effective and extremely necessary.

As Rev. John and Filese are on the road, the general office (Lisa and Jeff) and the prayer office (me) will be busy working to bring everything together for the annual Word Conference. We need your prayers. Pray

for all of the speakers, musicians, and Rev. John (our spiritual advisor) and Anne Youell. It really does take many people to bring you a quality Word Conference. And it is for you. If you haven't already, make plans to be with us, please. Every year builds on the previous year. It is our great joy to greet you and bring you this conference once a year!

Oh, and keep praying and referring to the Word for this year. It has been a shield and buckler as well as a two-edged sword. I will go out on a limb and suggest that we may very well have to lay it over the next year along with the new Word that will be released at the Conference.

I remain your partner and friend in the Lord. You're a treasure of great worth to the Lord and SGMM.

Miranda Baker  
SGMM Prayer Pastor

Dear SGMM,

*The second I met Rev. John and Filese Hauser, the Spirit of the Lord was there in unity. I told Bro Hauser what I wanted to do for God. He was very helpful by giving me guidance and ideas. When Bro Hauser started to minister the first Sunday he and his wife were at Life Springs Family Worship Center in Ponca City, OK, he ministered the very same message we heard the night before from one of the brothers in the church.*

*The Holy Spirit knew what Life Springs needed and He confirmed it through Bro Hauser. Sis Hauser ministered to me and what she said to me let me know that I was on the right path. They are so open to us and so willing to help us as a church.*

SGMM,

*What a blessing to have the Hauser's at Life Springs Family Worship Center!!!! (even though it's only for a short time). God knows what He is doing and always does it in time. Personally, I was feeling really beat up - because it didn't seem like the church was important or going anywhere. Seemed like no one cared. Then came along the Hauser's!!!!!!!*

Bro. Hauser loaned my husband, Amos, a book entitled "The Shack". My husband did not get a chance to read it because I started reading the book. This book was just what I needed. I had to repent, I saw myself in this book - selfishness, discouragement, confusion, withdrawing from people, and other things. I had never heard of "The Shack" but I know it was a God sent. I won't tell what it is about but hopefully people everywhere will find the book and read it. Your life will be changed.

Most important when the Hauser's came to Life Springs Family Worship Center - I was thinking it's just someone filling in because they were asked by our Bishop. What a surprise and how blessed we are to have them with us! They are such wonderful, God sent people. They assured the church they would be there for us. They care about us. They genuinely love us. They truly want to see us prosper in the things of God.

One of the men spoke to the church Saturday night about how God hadn't forgotten us, God loves us, God cares for us, God hadn't left us and that God knows where we are. On Sunday morning in such a soft, reassuring voice - Bro Hauser brought the same message. I think we as Christian people sometimes don't realize that God is our everything and He knows everything about us. He is so much more than what we allow Him to be to us. This life on earth is not about us - it is all about an Almighty God that controls everything. Though He has all control - He still allows us to make our choices. I choose to follow Jesus - How about you?

We will never walk alone - when we are living for God. He is our everything!

Filese,

We were down....way down. Most of us were just hanging onto the proverbial knot at the end of the rope. We were gradually losing precious people, and didn't know what to do to keep most of them encouraged to just hang in there with us just a little longer. We were sure that God was going to come through, but it was sure looking hopeless, and I think the majority of folks were feeling like we were pretty much abandoned....like no one even knew or cared that we were struggling to keep our little "ship of Zion" afloat.

When Bishop mentioned to us that some folks had approached him about the possibility of blessing a church that was in transition or needing some help in some way, and that he thought we just might fit the bill.... We were encouraged...yes....but skeptical also.

We were looking for a shepherd, not just a hireling. I realize that sounds harsh....but I hope you understand what I mean by that. However, for those that had been trying for all of these months to fill the pulpit, and still manage our other responsibilities in the church, we were ready to have a break and the possibility of having someone take that load from us was very appealing.

I must tell you on that first Sunday morning that you came .... Due to the fact that we had no idea who

was coming, we were apprehensive, and a little worried about what we might be getting into. Filese, you were such a pleasant surprise! Though I had never heard of you before, I felt that you were genuinely loving and that you were there with no personal agenda other than to be a blessing in any way you could. But when I saw Rev. John....I got goose bumps. (now don't excited...it was purely a spiritual thing) I recognized him from the morning prayer meetings at Summer Summit, 07. I remembered how he had impressed my husband and me as a mighty Man of God. Understandably, he does command quite a presence because of his stature and countenance. But, there was way more to it than that. He prayed with such power and from an obvious relationship with God our Father, that we found ourselves simply enjoying listening to him talk to God, and then to relate to the prayer group the things the Holy Spirit would indicate that we should pray about.

When he stepped out of the pastor's study I realized who God had sent to us. I turned to our pianist and said, "Pat... this is going to be good!"

The exhortation, the prophetic Word, and the ministry of the scriptures have been like oil and wine poured out upon our sore hearts....like a candle in the darkness.

God sent you both to remind us that He has not forgotten or forsaken us. Our dignity and worth have been restored. Our vision has been renewed. Our passion has rekindled. Even in the darkness of our circumstances, we all knew the God was working it all out for our good. And, even though our minds were telling us to just quit... our spirits would rise up and say...hold on...help is on the way.

Oh, my.... But God is Good!

Thank you for positioning yourselves to be of service to the Kingdom of God. Thank you for coming along side of us and giving us that boost we needed...just in time. Thank you for your love, your wisdom, your ministry to the saints of Life Springs Family Worship Center, Ponca City, OK. I'll add, "God bless you", but He's obviously way ahead on that.
