Dear SGMM Partners and Friends,

Greetings, I pray that you are all staying well, are satisfied with the provision of the Lord, and are allowing the joy of the Lord to be your strength. It is amazing to me that it is Fall and Rev. John and Filese are on tour again. I am glad that it gives the ministry an opportunity to be with so many of our friends and partners in the Northeast. The Lord has been so good to us in setting Harold and Cheri Blackann in a position to be able to do the "leg work" in putting the appointments in position. We thank you for that, dear ones. A million thanks from us with the prayer that the Lord will bless you as only He can.

Let me remind our faithful intercessors and prayer warriors to pray for key areas while the Hausers are on tour. Please pray for effective ministry. That is the main request. To help that come to pass, pray for favor, discernment, wisdom, and understanding. Pray for the Hausers to be healthy and safe. Pray for the finances and the running of the general office and the prayer office. While we are in prayer for the things at hand, we are also preparing for the 2009 Word Conference which takes place on November 14. We look forward to seeing more of you this year at the Conference. Maybe we are a little selfish to want to see you, but we do so want you to be blessed by that which the Lord brings together for us as a ministry team.

We do not take you for granted and appreciate you deeply. Please stay in touch with us. Let us know your joys and concerns. We care about each of you and pray for you continually.

In His service,  
Miranda Baker  
SGMM Prayer Pastor

## Letters & Emails of Praise to God

Thank you to all of you who write wonderful praise reports and send them into the office. We do make sure to include all praise reports we receive so if your report doesn't appear in this newsletter, it will be in one of the

following newsletters!

Some articles and/or reports appearing in this newsletter issue may have been edited and/or altered due to limited space and also to protect the privacy and integrity of SGMM and the individuals releasing these reports/articles.

Dear Sis Filese,

You and Brother John were and are such a blessing to us at Life Springs. Cecil and I have so

enjoyed the uplifting that you have brought to us. God bless you for the work that you are doing for the Lord.

We look so forward to seeing you on Sundays.

To My Precious Brother and Sister In Christ, Rev. John and Filese Hauser,

I just can't tell you enough, how much this weekend here at Wilson, OK meant to me. I can never seem to express my words, what I feel inside, that I would like to say.

My Lord The Christ, was ridiculed and mocked until He said, "It is finished", on the Cross of Calvary. The Christ said, "Father, forgive them." I haven't been as forgiving in my past, but Praise God by His grace and His help I will be more forgiving and loving in the future.

I have never been counseled, like you all counseled me. If I ever need the counseling again for anything, I know where I can get it. People don't like to admit any sin or wrong doing they have done and yes, words hurt, but sometimes the truth does hurt!! We don't like to acknowledge we are wrong, because it might make us seem smaller than what we are, really. When we are put down then we end up putting our self down. God is so awesome. God knows best and how God could have loved someone like ME, to give Jesus the Christ, His only Son, to die on the Cross of Calvary for ME, then to be given Holy Spirit. Holy Spirit quickens me and floods me with this love. He washes me with His love.

I know it is not about me. It is all about Jesus the Christ. Paul said, "I must decrease, He must increase."

I would say to ANYONE that is HARBORING ANYTHING, you need good counseling like my Husband and I got from Rev. John and Filese. Confess it, get it out and put the past in the past where it belongs. I have NEVER KNOWN REAL COUNSELING BEFORE. I feel so much lighter and cleaner and freer, if there is such a word. I pray that I can help come one now. I never want to hurt or discourage anyone. I want to be the Lord's hands and feet and eyes so I can be a VESSEL through which Jesus The Christ can be free to work through. A conduit, spilling over with Jesus' Love inside my heart.

I want to say "THANKS AGAIN". I truly love you both and I will pray for you both and your ministry. God Bless! Love, Love. Love! I pray God's double portion of Anointing upon you both and your ministry!

Filese,

Thank you - I really enjoyed the time of personal fellowship and ministry at Mike and Gena Drechsler's home in Chickasha. During the women's session, I gained a lot from the message on love, respect, and honor.

We as women show love toward our husband most through respect. Respect was defined as knowing what the limits are ahead of time, setting boundaries,

and being consistent. Without love, we as women “react” and show disrespect toward our husbands. In other words, we abandon the boundaries set out ahead of time.

This definition helped me to realize the importance of further clarifying boundaries at a deeper level in some areas. I am so thankful for the security of having a husband that will lead. I do not want to hinder his confidence as a leader by “reacting” rather than “responding” in love.

Praise Report to SGMM,

“LOVE, HONOR & RESPECT” Couples Retreat

It was a wonderful day of fellowship (at the “SUMMER SPLASH COUPLES RETREAT WITH THE HAUSER’S” at Mike and Gena Drechsler’s home in Chickasha, OK). It is just a blessing to see men stepping out of their comfort zones. It is just amazing to see how God is touching the hearts of His men to take their role as the spiritual leader in the home and church. Allowing God to just move in the group I could sense just a strong anointing on each man as they begin to take their role as spiritual leader

As each couple gave of themselves this weekend, I could tell there was something deeper going on when communion was taken. We give thanks to the Lord for the blessings that have and will come to each couple because of this deeper commitment to each other and to God.

Greetings to you at SGMM:

We are so blessed to have had Rev. John and Filese in ministry at our church at River of Life IPHC; Wilson, OK. Thank you, Sister Filese for allowing the Holy Spirit to use you in the Gifts of Discernment, Exhortation, Knowledge and probably more that I don’t even know about.

The Women’s Conference/Summer Splash was great! I believe every lady in attendance received special blessings from the Lord. Thanks for being obedient, as you led us in worship, fun and teaching.

It was also fascinating, as we went out to eat lunch, to see how people are drawn to you Filese; the waitress in the restaurant felt the love of Christ in your life as she asked you questions and as you ministered to her in the power of the Holy Spirit.

We also enjoyed Rev. John’s ministry in the Word. We appreciate as much his Knowledge and Wisdom from the Lord.

It is a privilege to be your friends. We love you both.

Dear SGMM,

We hosted our first Couples Retreat in August. After hosting several women’s retreats, the couples retreat was new territory for us, so we didn’t know what to expect. We were blessed to have couples and a few “spares” attend. The theme was Love and Respect, two things that are badly needed in marriages today. We started with worship, and then the men and women separated for a time of teaching with John and Filese. At the end of the day we came together for more teaching and shared communion.

God has given us husbands and wives as “love gifts” because He loves us so much. We learned that men need respect more than love, and women need love more than respect. No wonder communication can be difficult at times! We also learned to love and respect our children, so they may have healthy relationships

when they become adults. It was a wonderful day, and once again, I was pleased and privileged to be able to open our home as a ministry station for SGMM.

Dear John and Filese,

Just a word to you about our services with you. We had a meeting with you that was full and complete. The folks appreciate you coming to our Church and being part of the fellowship. I know that needs were met for the people.

Rev. John, thank you for bringing the Word to us. I believe it found a lodging place in our hearts. Filese, your music ministry was absolutely inspiring. We welcome you both back, as you schedule permits.
