Dear SGMM Family, Partners and Friends,

Greetings in the wonderful name of Jesus the Christ!

We greet you this month from the Road here on the West Pennsylvania Border where we are based for Fall Tour. God has been mighty and demonstrating Himself strongly in every service, concert, bible study, women's retreat and

every day we see Him in His glorious power as we move about here in this area... God spoke to us when we arrived and said, "this area is spiritually in a dungeon, and you are here as my agents to declare to my people that I love them, that I have not forsaken them, that I am with them and have come to bring them out of the dark place where the enemy has tried to hold them. Remind them that they are my people and I have made provision for them in every area of their lives and tell the enemy to "LET MY PEOPLE GO"!!!!!! Speak hope to their souls and remind them that I have given them ALL of my power and authority to live in and stand in against the devil who has tried to lock them down. They are my people and I have set them free."

Rev. John has delivered strong Words of God on power and authority of the Lord that has been given to us to operate in every day of our lives and commission here and great teachings on "faith" to stir and stoke the flame and fire of Holy Spirit within us and reminding us that God has not given us a spirit of fear in these times that we are moving through on earth, but He has given us His Spirit of power, love and a sound mind!

God has saved souls, called others back to Himself that had grown cold and discouraged, continued to bless and fill those that were prepared and ready for more of Him. It has just been awesome and we are so grateful to Harold and Cheri Blackann who agent and put the tour together each fall as the Holy Spirit sets it in motion and leads them so powerfully. Thank you loved ones. You are "choice servants" and we love and appreciate you more that words of earth can express. Your reward will be above and beyond when your salvation is complete and the Lord visits with you about your commission here and how you served Him so faithfully in all of your assignments, SGMM being one of them. Thank you to our loved ones, partners, and family in the Ohio area for all that you do to move God's Son Grace Music Ministries and your love and support to us. Cousins Kathy and Joe, Auntie and Uncle, Don and Ginny, Jim and Debbie, Dick and Judy, Susie and Mom Betty, Bob and Wanda and so many, many more here in this region, that bless our lives and SGMM with all you are. We love you deeply and bless you with God's very best!

God has released Words of Knowledge and Wisdom in so many of the appointment settings to His people and operated strongly in His Prophetic Spirit to His Body in churches we have been sent to this year for His Glory. We give God all of the praise for His mighty

acts and deeds shown among us this year during the 2009 fall tour. Holy Spirit has also given us several new songs to pen this past week that we hope to record in His time and for His honor and as an offering of our worship to Him for His awesome Greatness and who He IS.

We always look forward with joy to seeing each of you at the SGMM WORD CONFERENCE each year as we return from the road. We know you will be SO blessed each year as God sets for His anointed appointed day.

Know that you are loved and greatly appreciated for who you are and all that you do for THE LORD, THE KING, His SGMM and us His Servants and Your eternal co-workers and friends.

We send you Jesus Hugs!
You are loved!

Dear Partners and Friends,

It is my great pleasure to connect to you again by way of the newsletter. I thank God for each one of you and ask Him to continually surround you with His presence. This month I want to take just a moment to thank God for the prophetic anointing upon this ministry. In a day when many Christians would reject the prophetic voice of God, I have come to rely on it on a daily basis.

When I know God's Prophetic Word on an issue, I am not able to be moved or swayed from it. If you have the printed pages of the Prophetic Word for 2009, I challenge you to reread it after you read this article. I pray that you will be as amazed as I am even as I sit here to type it.

I submit to you that at least one of the additional keys mentioned in Matthew 16:19 is God's prophetic voice. If you have been following the praise reports and road reports in the newsletter, you may have recognized that this ministry has been used in a greater capacity in the realm of the prophetic. The Lord says that He has marked this ministry in a greater way with His Prophetic Voice.

His Prophetic Voice has been His Presence like the shadow of a large cloud. How else would one experience life in "God's dimension of things" without being in the midst of Prophetic God? Believe me, the prophetic word of God is released everywhere SGMM goes. Even the release of a preached Biblical message is the release of Prophetic God.

The Peace of God like a dove is Prophetic God. He told us to listen to His voice. That is when the Peace of God sustains us, keeps us, and fortifies us. Think of anyone in scripture who heard His Voice and obeyed in uncertain circumstances. His peace sustained them because they knew in whom they had put their trust.

The Provision of God like a fountain is Prophetic God. This season of unrest and uncertainty is the right

"UNLOCKING and RELEASING, God's PRESENCE like A SHADOW, God's PEACE like A DOVE, God's PROVISION like A FOUNTAIN, and God's POWER like A WILD-FIRE, in 2009!" Matthew 16:19 "This will be a year of Greater Discernment & Awareness. (Prophetic Word Given by Pastor Youell for SGMM 2009) "Believing For and Expecting Miracles in 2009." (Given at TCC for 2009)

time season and the right timing for this ministry. How? When the Prophetic Voice of God is released and received, it truly does unlock that which is in the spiritual realm and releases it into the natural realm.

Prophetic God is the Power of God like a wildfire. This newsletter could not contain the accounts of Prophetic God clearing the way and leaving a residue of rubble and a trail of torched alters in the Bible. In some accounts they were literal alters. Sometimes it was alters of hearts that were changed. If I use just this simple definition of prophet that is in my NLT Study Bible, you will see what I mean. The definition is: an interpreter of the times and of people's hearts; one who issues divinely inspired revelations. When the voice of God is released over any circumstance, it moves with power. It over-rules and over-whelms to bring forth a new spirit, His Spirit.

I started this article with the intent to give God the glory for sustaining me through the prophetic mantle upon this ministry. At times, even at this moment, it has been all of these things to me. It has been the wind at my back. More than anything though, I am thankful that I live in a season where more and more of Prophetic God is being manifested in the earth.

You are living in a prophetic season. You won't easily miss Him unless you are one who scoffs at the prophetic. Even in that case, you can't take yourself out of current events. Those who did not receive the Prophetic Voice that declared that Jesus was the manifestation of the prophesied messiah were still in the midst of the Prophetic.

By the time you read this, we will have received the Prophetic Word for 2010. I hope that you decided to be there to receive it. I certainly look forward to it with great anticipation.

Until next time, you are loved and appreciated.

Letters & Emails of Praise to God

SGMM,

The Summer Splash retreat that was held at our house was great. The subject of Love, Honor and Respect was very timely and you could really feel God's Spirit at work. We want to thank everyone that held us in their prayers during our retreat time. The couple retreats are really needed in these unsettling times and I thank God for sending John and Felise to Kingfisher to minister and witness to the couples that came.

SGMM,

Praises to our Most High God! The Fall tour has been powerful once again this year. Rev. John and Filese have had the opportunity to take God through word and song into familiar ministry stations as well as new zones this year. Since the end of September when the tour began, there have been 22 "official" appointments in churches and homes, and

numerous other opportunities where God has used Son Grace Music Ministries to minister to the lost, lay hands upon the sick, give words of wisdom, speak prophetic Word, and to give deeper understanding to the Logos Word. We have witnessed answers to prayer, growth in people's spiritual walk, and new and increased commitment to the Lord. We have had teaching on many areas where God has instructed including Love, Spirit of Fear, Empowerment and Authority with Holy Spirit, Simplicity of God, and calling down our inheritance as a Christian. Filese also facilitated a women's retreat with the theme of "Tailgating with Jesus." It has been wonderful to see the response to God that people have shown, both in ministry settings, and in times of fellowship.

God is mighty and He is active! And Praise Him for faithful and willing servants like Rev. John and Filese!

SGMM,

My wife Kathy and I have had the blessing of being part of Rev. John & Filese's Ohio Fall Tour. We were part of some of the home meetings where the Word of God was brought forth in power and truth, and we were drawn closer to our Lord. Also, Rev. John & Filese ministered at a local ministry, "Shield of Faith," where the Holy Spirit ministered mightily at the altar, touching people's lives through "the Word of Wisdom."

Truly God is being glorified and people are being touched through SGMM.

Right: Memorial sight in a field in Stonebrook, PA where flight 93 that was one of the 3 planes that crashed on 9/11 went down. The passengers & crew stormed the cockpit where the terrorist were, with the determination to take the plane down and saved the lives of 1000s that day in Washington, DC where the target was said to be the Whitehouse. It was a very humbling experience to visit.
