THE LORD IS MY STRENGTH & SHIELD; MY HEART TRUSTS IN HIM AND I AM HELPED. MY HEART LEAPS FOR JOY AND I WILL GIVE THANKS TO HIM IN SONG. PSALM 28:7

Issue 3 Vol. 24

Dear Precious SGMM Partners and Friends,

Greetings in the wonderful name of Jesus The Christ!

What a beautiful and awesome sun shiny day we are experiencing here in Oklahoma City today! Thank you Lord! It has been such an unpredictable and different winter here for us. We have had, sleet, MUCH snow which is not usual, ice, lots of foggy days and night, very cold temperatures one day and maybe in the 50's – 60's the next. We have actually set records here in OKC this year in snow and blizzard conditions as well. We are grateful to the Lord every time we see the sun, even though we are SO thankful for THE SON shining in our lives and around us every day and ALL the time. ☺

We have had a great and full season since we came home from fall tour in November of 2009, with many opportunities to minister into individuals lives almost daily that are going through things and trusting God to meet them and help them in all that their lives are encountering, and also ministry appointments that the Lord has opened up over recent months, that has allowed us to do what we love and are called to do for the Lord and His Kingdom, in sharing the Word of God in witness, spoke Word, and song. We thank God for leading us in directions that has been "open doors" for us to encourage, counsel and bring hope to so many in their journey of faith right now.

This past May 2009, the Lord began to open doors to us in the area, serving the Body of Christ as Interim Pastor, in several churches that were waiting for that "sent One" of God to come and live among them and serve in the Kingdom of God as their fulltime Pastor. We were so blessed to serve at Life Springs Family Worship Center in Ponca City, Ok. for several months, and then God so blessed them with Pastors Steve and Hallie Brown to come and be among them and they have been so blessed. It was truly a God fit, like a hand in a glove. Isn't God just awesome? He does all things well and right in His time!

Then we were called to go to Briscoe, Texas like in July (up until we left on fall tour, and we started serving there again when we returned in November, after the 2009 SGMM Word Conference) and we have had the privilege of serving as Interim Pastors to the precious people of God at the Briscoe Community Church to the present. We are just going forward there and wait until God brings that One to live among them and serve Him as their fulltime Pastor, making ourselves available to the Lord and them until then, whenever that might be, when we are home and have no road appointments elsewhere the Lord and SGMM. For now and up and to this time we have again, been so BLESSED to be "the sent Ones" of God to go in and out as the Apostle Paul, so to speak, in an itinerate ministry position there on Sundays especially, and serving our Great God by ministering to His people in that community. We were so blessed to be a part of the Celebration and sending home of our precious Sister Lou Dean this past month, there in Briscoe. She is loved and touched all of our lives so. Even though she will be greatly missed here, we know that Heaven and our Lord are so enjoying her being "home".

We love all of these so and thank God for what He is doing in all of their lives and in SGMM and our lives as well, when we are off of the road and do not have another booked appointment on Sunday anywhere, we can be where He leads us in this area of mobile ministry and help meet the needs at hand until Pastors are sent to these, our family in the Kingdom. It has allowed Rev. John and I to use more deeply all of the training and graces that God placed within us that He so used for the 16 years, that we served in the office of full time Pastors years back now, before launching fulltime on to the field of mobile itinerate ministry, and having the joy of traveling for the Lord where ever He needs us. We are so thankful for all that God is setting up for His people today as we look to Him.

We have had a strong Winter Women's Retreat Circuit that the Lord has built over the years for this season every year and this year has just be powerful! We are SO grateful, and love every minute of it as we gather together in the blessed homes of many and see their living rooms/grand rooms turned into "ministry stations" for the Lord for that day and weekend. God is just SO awesome and we thank Him so for all that He is to us and all that He is up too in the earth today. We are grateful to be apart and every day we give thanks for "the call" to serve Him.

We thank God for each one of you and we know by the Spirit that God is blessing and keeping you and yours, meeting every need in your life and even giving you the desires of your heart, as you seek first His Kingdom and righteousness, acknowledging Him in All of your ways so that He might direct your paths and steps. We love you with all that we are and thank God at every thought of you. You are the blessed of God Dear Ones and SO valuable to our lives and SGMM. You make the Kingdom of God strong by your commitment and faith to the Lord and your faithfulness to Him. God bless you abundantly Precious Ones. Remember, we are ALWAYS available to you and here for you. Let us know what God is doing in your lives and areas around and also how we might agree in pray with you on anything concerning you, Please! Know that we so care about all that your care about and your lives and all that they entail are so important to us! We love and appreciate you Love Ones.

Jesus hugs are enclosed!

Until next time we remain as always-God's Servants and Your Partners In The Kingdom,

Thank You!

Thank you to all of you, Daughter's of God that host Women's Retreats during the winter months each year. Thank you for taking a position on the Winter Women's Retreat Circuit and using your beautiful homes as "ministry stations" for the Lord to minister to women that He loves so much. You are greatly appreciated and much loved! You have made the Winter Retreat Season 2010 a blessing to the heart of the Lord and helped to bring encouragement and eternal change in many women's lives. Blessings upon you for Your Kingdom investment of time, preparation and love that you have given.

With A Grateful Heart,
SGMM

Dear Friends and Partners,

Hello Dear Ones. It is so good to greet you by way of the newsletter. We are well into retreat season. And it has been good. The Lord directed the themes of the majority of the retreats around the theme of the word of the Lord for SGMM for 2010, "Open Door." It

has been interesting to look at different characters in the Bible and the doors that they entered that have had an impact on our lives even now.

The SGMM women's conference was awesome. Our speaker, Marilyn Murray, did a fabulous job of sharing her life experiences in presenting "Life Changes." We laughed and cried together. (I even lost my new contact as a result.) The Lord was so gracious in His presence. Thank you, Marilyn, for being open to us in your sharing.

It is my sincere prayer that you are using the SGMM word as a prayer focus for your lives, ministries, and businesses. It's our focus to release it far and wide to all who are willing to take it and apply it. Pray for openness in and over yourselves. Pray toward the east which can be as close as your neighbor. As you do, call for an outpouring of God's peace, soundness and wholeness to break out. Cry out to God for the open things He has for you this year. Thank God that all spiritual and financial famine is broken in your life and in your family. Remember that we are praying this and more over you. We invite you to partake of the Word with us.

We bless you and thank you for your love and support. We love you too.

Letters & Emails of Praise to God

Rev John and Filese,

Filese you know I had a Prayer Language (of The Holy Spirit), But like the Bible says, I was still like a baby in my walk with Him. After Don (my husband) came home from work early, even though there was work at the shop, the work had been given to someone else there, so Don

was sent home early, and so he went hunting. After Don left for hunting, I cried out to God and I just didn't know how to pray (I was upset about all that had happened at Don's work place). So I ask, "Holy Spirit" to pray through me (like you had taught us when you were here). Oh, Rev. John and Filese, it was awesome. I was so blessed with more maturity in Holy Spirit's Prayer Language. I give "God" the glory. Well, even though Don was not given work those days he ended up getting a pay check for MORE than he has in a long time. That is my second praise. God kept His promises no matter what someone else had done at work. He is an awesome wonderful "God".

The third praise is, Filese remember I told you about the lady that I had talked to at the hospital about my bill there and she said to call and apply for assistance on the bill, well, I called and YES!!!!!!!!!!!!!! I only answered 2 questions on the phone and Monday I got a letter in the mail saying that they had paid 75% of the bill and I only owed \$55.00. I am SO GRATEFUL!!!!!!!!!! I started crying and praising God. I could not stop crying and praising God all day. I called Don at work to tell him and called H. and Cheri. I just couldn't stop giving Him all of the glory.

I just want to thank you both so much. Rev. John I have been praying for ALL that Holy Spirit has for me like you told us to do when you were here and teaching us in Bible study. And I have been praying like you told me. I have also begun to give more to "God's" people in need, like you said that "God" has given me compassion for. I cannot thank the two of you enough for all that you have taught me about our "Lord" and how to pray and study.

I send you such great big hugs and so many blessings upon you. I love you so much. Again I thank you, which seems to not be enough, for all that you have spoken to Don and I from "God" and your faithfulness. Rev. John your Bible studies and sermons this year on Fall Tour here has touched my heart and soul. I have such peace and I am growing in "God's" Word daily.

THANK YOU!!!!!!!!!! THANK YOU!!!!!!!!!! "GOD" BLESS YOU!

Your Sister in "Christ",

What a great day we had in Edmond at the Baker's home! Thanks for the invite. My friend Lynn whom I brought with me to the retreat said Rev 21: 7-8 was the scripture she said yesterday.

Blessings, May God fulfill HIS plan and purpose in your life. Psalms 138:8

I want to thank you Miranda and SGMM, for your invitation, and opening your house there in Edmond for retreat and to all of us. This was life changing for me, and I hope for others, as well. I felt the presence of God, and I believe he was talking to me. I thank God for those of you that are gifted with the discernment to truly know when and what God is saying to you, or through you. I haven't experienced that yet. Saturday was the first time I really felt like God spoke to me, not AT me, and I thank him for that. I was so moved by the presence that was there I'd

SGMM,

I was invited by my co-worker and friend, Linda Jarvis, to the one day Women's Spiritual retreat, "Behind The Chamber Door". What a Blessing!! The fellowship was delightful. The Lord was very present. Facilitator, Filese Hauser, was outstanding. She shared an Anointed Word from the Lord with me that was true and truly a blessing from God.

I just wanted to thank you friends, for sharing a wonderful experience and day with me. I hope to join you again soon. Much Love In Christ,
