Dear SGMM Family and Friends,
Greetings in the wonderful name of Jesus The Christ!

We are enjoying the beauty of spring here in Oklahoma City, along with spring thunder storms and severe weather reports every few days or so. It is so wonderful to see the sunshine most mornings and hear the birds singing so beautifully around the house outside. We are lovers of all four seasons and the

purpose of God with each season, however we love spring and fall the most. ☺

We pray that you are experiencing the presence of God in your daily lives and the knowing that He is with you and very active on everything that concerns you and that is on your heart. God is such a GREAT GOD and GOOD GOD and we are SOOOOOOOOOO grateful to Him for His love, grace, keeping power, provision and joy that we can trust to be there for us every minute of every day no matter what is going on in the world around us.

We had the joy last weekend of celebrating our wedding anniversary and a little get away to the Lake Murray area in South Oklahoma. We so enjoyed being together and even though it rained all weekend we loved just sharing the time God allowed us and set aside for us to just "BE" and enjoy each other. It was wonderful. Thank you to all of you who called, sent cards, e mails and love gifts to celebrate our love and God's covenant of marriage that we share in Him. We thank you and love you so much for your love to us. You are so awesome to bless us at special times like this and we are "GRATEFUL" to God and to you.

On April 11th we traveled back to Briscoe, TX to be with our family in the Lord there for an appreciation service that they had planned for us, for having been with them as their Interim Pastors for the past 8 months off and on. They are so precious to us and we love them with all of our hearts. Their new pastors, Jim and Rita Zenger are wonderful and we believe that they are for sure God's "sent one's" for this season at BCC and in the region of Briscoe, TX, and that God has great and mighty things in store for the Body of Christ there.

I had a most blessed and awesome surprise this past Tuesday evening, as my Precious Son Jeff, took me out for a "Mom and Son" night out! It was so precious how he set it all up with his honey and wife Lisa and then text me and asked me if I wanted to go to a musical event with him that evening. He

took me to the opening and start of the world tour of "Spirit Symphony" with two young men that I had known since they were young teens, Kyle Dillingham, who like at 11-12 years of age I had on my T.V. show for the first time and many times after that on the show

and also brought him in to Filese with Kyle Dillingham play fiddle and sing when I

was ministering in the Enid area, or doing a concert. I had the joy of also giving Kyle his very first taste of a professional

recording studio brought him in to play fiddle on our Christmas album "Christmas Is Jesus" a few years later. Kyle was the guest Violinist for the evening as the Orchestra backed up in some beautiful compositions all composed by Callen Clark (Neil) that used to travel with Jeff, Lisa and others that had come together in college and formed the Christian drama and music group "Rejoice". John had them to come and bless us at several of the churches that he pastored and I also brought them in when they could join me on the road in concert and ministry appointments.

What a joy it was to be reunited after all of these years and to see how God was using these young men today. Callen (Neil) is an awesome composer and Kyle has traveled literally all over the world and studied and played his music from the stage of the Grand Ole' Opry to platforms in Europe, with several recordings out now of his own that are just fabulous. God's continued blessings upon Kyle and Callen as they go forward with the world tour of "Spirit Symphony" and all that the Lord has for them in time to come as Jesus tarries. Remember those two names as you will be hearing a lot more of them and from them. Thank you Son, for a wonderful evening with you and the awesome surprise that you planned for me, in the reunion with Kyle and Neil (Callen, his composer name), and the joy of seeing them again. It was an evening with you that I will never forget. You are just "Choice" my Precious Son. I love you so. Thank you Lisa, Joshua and my wonderful husband for allowing my Son and I this special evening and time together. I recommend to all of you that have grown children, Son's and Daughter's, make time to do special things like this, just you and them occasionally. What a blessing!!!

We are having some awesome times in the Lord at TCC and thank God for all that He is doing and setting up to do among us as His people right now. Our Pastors, Pastor John and Anne, just have hearts full of God and desire to bring forth teaching of God's Word that is timely and in season for us in the Kingdom. We were blessed to be home for service and in worship at TCC on Easter Sunday for the first time in months, having been gone in ministry most weekends since the first of the year, and we were so blessed. Had fellowship and lunch with several special folks in the family of God after service and then had a beautiful evening with our children Jeff and Lisa and Grandson Joshua Will. It was by far a wonderful Resurrection Sunday for us. Thank you Lord!!!

We are so excited to share with you that the Lord is setting up some things and points of ministry in Maine for the month of September and we are thrilled. It is fulfillment

to God's Prophetic Word in areas for us this year 2010 and we appreciate Bishop Rick Fountain for all of his support and help in this wonderful opportunity that God has opened to us. Please be praying for this new territory and the Pastors and people there as God continues to put this tour together. We will be going into Ohio and Penn. for the month of October with is also in the East and that Prophetic Word of God with His favor toward that area this year. Thank you Lord.

A BIG "WE LOVE YOU AND THANK YOU" to our family and very special people in our lives and partners in ministry, Rev. John and Robbie Holt of Memphis, TN, who have been a part of our lives and SGMM for many, many years now and great blessings to us in so many ways. Several years back now we still had about 8 projects that needed to be transferred over to CD's from cassettes and The Holts took that on as a special assignment of the Lord and blessing to us and Son Grace to see that done. We just finished the very last project from cassette to CD, now with cassettes not moving at all much anymore and not being manufactured by our company in South Carolina any longer, we have ALL of our 12 albums in CD. Praise be to God and thank you John and Rob. Oh, how we love you and thank you for your investment in the Kingdom of God and to take this on and make this possible for SGMM over the past several years that you have joined us in this venture of ministry. You are so loved and appreciated, we bless you for all you have been to us and SGMM all of these years.

We love you each and every one. Thank you so much for all that you are and all that you do to bless SGMM and us, for your faithfulness to the Lord in your support and love. Jesus hugs are enclosed and we send you blessings abundant to overflowing.

Love Your Friends and Partners In Ministry,
Rev. John and Filese Hauser

Dear Partners and Friends,

Hello, dear ones. Greetings from the prayer office here in Edmond, OK. I pray that all is well with you and yours. Even in the midst of dealing with life, hopefully you are still experiencing the saving grace and sustenance afforded to you through Christ Jesus.

Recently my daughter and son-in-law allowed me to take several very nice pieces of office furniture from their home to use in my home for a while. It was a big ordeal to find a room to accommodate the sheer size of the computer armoire. My son lost his big room to what is now the office/music room. In the process of setting up my new office, I had to arrange my Son Grace things. I have three-ring notebooks full of all sorts of SGMM material dating back to 1992. In fact, I can tell you that I was first introduced as the prayer captain, as we called it then, in December 2000. The first newsletter I kept introduces Mr. and Mrs. Jeff Gonzales. Interestingly, Jeff and Lisa celebrate their eighteenth anniversary on April 25th.

It is truly amazing to go back that far and be reminded of all the awesome things the Lord as done just in the last eighteen years. So much has been documented in my notebooks. I have kept newsletters, cards, email logs, prayer requests, retreat notes, and banquet programs. There are documentations of answered prayers and copies of all the prophetic words given by our spiritual advisor, Rev. John Youell since that time. Unwittingly I have kept an archive of much of what has transpired in the ministry. So many of you would be blessed to find your lives represented in my notebooks through the documentation of your prayer needs and praise reports over the years.

Sometimes it is good to look back and be reminded. So often we forget what the Lord has done in our lives. And yet, there it is in print in my archival notebooks. It has been my privilege to serve you in this capacity. Please be reminded that you are the essential part of all that transpires through SGMM. Thank you so much for your continued love, support and trust. My desire is that you be put to remembrance of the goodness and grace of the Father. Take a moment to reflect on the effects that this ministry has had on your life. And lastly, keep sending those prayer needs and praise reports my way.

You are deeply appreciated. God bless each one of you,

Miranda Baker
SGMM Prayer Pastor
