Dear Loved Ones In Christ,
Hello everyone. My, is it hot here in wonderful Oklahoma. It has been close to 98-100 the past two days this week and we are not even fully into summer swing yet ☺. We praise our Great God for His goodness and keeping power not matter what the weather or kind of temperatures are up on us, amen? AMEN!

We had a most powerful month this past month. God seems to be doing some marvelous things among His people in the area of relationships. We have had the privilege of sharing God's love, grace, healing and restoring power with so many these past months, where marriages and relationships are concerned. You know God has always been a RELATIONSHIP GOD and that is why the enemy of God and our soul would try to destroy in this area, especially in the area of marriages, the family, home and even in His house and His eternal Kingdom Family. We praise God for the opportunity of serving Him by sharing His love and ministry of healing grace in these areas to His people. We give thanks daily for "THE CALL". Just this week God spoke to us about His theme for the upcoming 2010 November 13th SGMM Word Conference that it is to be on, "KINGDOM FAMILY RELATIONSHIPS". So mark your calendars now for this powerful and special annual conference time with the Lord this November 13, 2010, at TCC, here in Oklahoma City, Ok. It will be powerful and an awesome time in the Lord if He should tarry His return. Until He does return, we remain and continue to move forward doing His Will and Work where He and we are

because of Lisa's great cooking and loved sleeping in those few mornings as well, before we would get up and share the day together doing special things that we haven't done with our kids and grandson in a very long time, if ever like that. Our kids have been so kind and precious to share us and the Jesus in us with the world for all of these years, having released us at times to even be across the country or other nations and parts of the world during very special times in their lives and so it was their desire and our delight that we have this special family time for love, fellowship and in house ministry this year together, and it was awesome... thank you Lord for providing it and thank you Children for helping make it happen and desiring that time with us. We love you so, so much.

We got a call while on our jot away with Jeff and family that our youngest son, Donovan and wife Rachel had given us our 7th grandchild, a beautiful/handsome little boy named Caden. We are so blessed and thrilled at the joy and blessings of our family around us.

While we were in Branson, Mo., terrible storms and tornados ripped through the Oklahoma City area on May 10th and really did some damage to property. We are so thankful that lives were kept and protected by the Mighty hand of God during these storms, however Jeff and Lisa's house had some damage to the roof and the fence, so when we returned from our time away with Jeff, Lisa and Joshua, our Son and his "super Dad", (Jeff and Rev. John☺) spent three of the hottest days of the year up to that time, building fence.

They did a fantastic job even though they will tell you they don't want to have to do it again☺. They worked from early morning till dark in the heat and humidity and got the fence up and again did a great job, and saved the kids a lot. Praise be to God!

We pray that you are experiencing the joy of the Lord which truly is your strength and that you remember always that you are much loved and appreciated Dear Ones. We are always here for you and love hearing from you and all that God is up to and doing in your lives and around you. Jesus hugs are enclosed and we speak and send God's abundant blessings upon you and to you and your house in every area.

Until next time, we remain as always-
God's Servants and Your Eternal Friends,
Rev. John and Filese Hauser

called and allowed, to see the mighty manifestations of His power and miracles demonstrated and at work. Hallelujah!!!!!!!

We had a joyful time in Branson, Mo., as we met with some of our SGMM friends/partners and eternal family, for several days the first of May. God provided wonderful time of fellowship, personal ministry, prayer times and encouragement to be released and shared as we gathered with Pastor Jay and Shelia Lucas and our dear loved ones Bob and Hazel Meyer, there in the Branson area.

The last of the month we had the joy and blessing of our oldest Son and family, Jeff, Lisa and Joshua Will, taking us for a few days on vacation with them to Lake Murray, OK., where we laughed, played, and shared God's love as family with one another. Oh, we ate way to much

Dear Partners and Friends,
Hello. Happy summer. I pray that you are well and prospering in all areas.

Rev. John and Filese have been busy with much one-on-one ministry. It seems much of it is even being done via the Internet. I am sure Filese will update you in her writings to you. SGMM appointments are taking on a new face for this season. How can we possibly put on the itinerary the dates and times of all the appointments being scheduled in homes, restaurants, etc. for personal ministry? How can we tell you about all of the phone calls and emails and texts of ministry content? It can't be accomplished. Just know that the Lord is pouring out His presence from within His servants and depositing Himself into the lives of so many. We give God the glory for all of the wisdom and experience that He has given to the ministry to be used in this manner for His glory. Please don't forget that you are a part of everything that He accomplishes through His ministry of SGMM. If you only knew how busy each of you have been to change marriages, bring hope, encourage, and even bring sweet correction simply because you have seen the vision of the ministry and continue to support it in so many ways. We can never thank you enough. Instead we pray that the Lord will reward you richly.

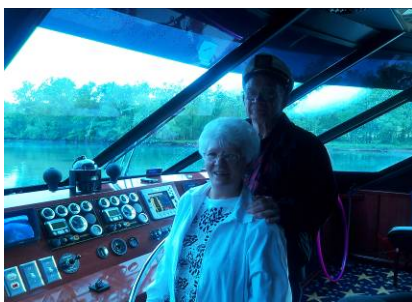

Have a wonderful summer. Stay in touch. We love you and appreciate you so very much. Continue to pray that we will always be sharp and ready to hear and obey His voice. Thank you for your faithfulness in your support of the ministry.

Blessings,
Miranda Baker
