Dear SGMM Partners and Friends,

Greetings in the wonderful name of Jesus our Lord!

We pray that this finds you and yours enjoying the presence of our Great God and experiencing His excellent love, mercy, grace and power in you lives in everyway. We have had beautiful spring weather here in Oklahoma the past several days and everything is in bloom. I love the smells and beauty of spring time, the freshness of life is just awesome and speaks volumes of our Lord and His greatness through His creation during this time of year, as we see Him in every new leaf on a tree or the bud of a rose or hear the birds begin to sing praises to their God every morning. Thank you Lord, for oh what a great and mighty Creator and God you are!

The winter women's retreat circuit has come to a powerful and glorifying to God close for this winter 2011. Please take time to read through the praise reports in this months news letter and be blessed as you praise the Lord with us for such a wonderful winter season of ministry to God's women and daughters. We start now with "Freshness of Spring" women's retreats and look forward to what God has set up for us in weeks ahead during this springtime and opportunities that He has and will be bring to us in ministry for Him. Thank you for your prayers in all of the appointments that He will be opening up.

Please make a note now and mark your calendars for November 12th, 2011, for the big celebration to the glory of our God for His Son Grace Music Ministries being 25 years old. Actually, this month around our anniversary the 17th of April, SGMM was birthed 25 years ago, in Kiowa, OK. WOW!!! The journey has not always been easy but it has been powerful and moving ever forward and upward for the Lord and His call to take the Gospel of Jesus Christ and power of the Holy Spirit in Word and song to a lost and hurting world. We still thank Him daily for "THE CALL" and know we are right where He designed us to be and pressing forward to what lies ahead and all that He DESIRES and has DESTINED us to be for Him in our commission here. "Thank you Lord. What a joy to serve you. What a joy to live for you. What a joy to share all that you have taught us and done for us with others who still need to know You and hear of Your great love for them. To share with all who give us the opportunity, that what You have done for us You will SURELY do for them and that You have a plan for their lives just as we are still living our Your plan for our lives Lord. Oh, how humbled and grateful we are to you Lord. We owe you everything. You have done so much for us and blessed us and kept us against 'All Odd's', many a time Lord.. we love You, oh how we love You! Thank You for 25 years and we are ready to go with You another 25 if you tarry Your coming for us. We are ready either way Lord! Thank you for THE CALL!"

So make your vacation plans and time away plans now to come and join us on November 12th this year as we celebrate our Lord and 25 years in His Ministry of SGMM. Bring your family, friends and just know that it will be a day that we and all of heaven will not forget giving Him glory and honor for all He is and has and is doing with His Son Grace Music Ministries. You will be getting more info of this great day of celebration to our Lord every month from now until November and reminders of how much we so desire your presence with us this year especially on the second Saturday of November (12th this year) for the 25th Year Celebration and Word Conference of Son Grace Music Ministries! Hallelujah!!!!

Until next time, keep on praisein' and trustin' in your Great God and believing Him for great and mighty things in your lives this year of , "signs, wonders, and miracles" for your sake, and His glory!!!

Dear Friends and Partners,

At the women's retreat in Chickasha on March 12, I had the privilege of witnessing the fulfillment of a prophetic word we have been watching and waiting on for a few years. The word concerned the prophetic word being released in song form through Filese.

Filese was leading us in a time of worship around the piano. The anointing was so very strong and sweet. It was as if we were in the throne room of heaven. As Filese prepared to leave the piano, the Holy Spirit spoke to her that she was not yet finished, that it was time for the word to be fulfilled. She submitted to the word and continued to play the piano. When the word in song began to come forth, I was compelled to go to my knees.

The moment was so amazing that I did not manage to capture it verbatim. I did write a few things when we took our seats. Here are a few lines from the first public word released in song in a SGMM appointment. This is not verbatim or necessarily in order. Though it was released in an intimate setting, in a time of worship, I am releasing these words to you in confidence that you will receive them for yourself.

The Lord asked the question, "Am I not God?" And he made these statements, "You can trust me," "I am God," and "Nothing is impossible with me." It was quite beautiful.

Please join me in thanking God for His faithfulness to fulfill His Word to us. It was an amazing moment. Let's receive the encouragement together.

You are appreciated and loved. Keep praying.

Letters & Emails of Praise to God

Filese,

I was so blessed by Rev. John's message last night at the service in our home (Enid, Ok.). Oh how I'd love to hear it again. It spoke right to me. You are both such a blessing to us and everybody there. (Message was on, "LETTING GO OF THE PAST, WELCOMING THE NEW").

God Bless – Diane

Filese,

Just wanted to share with you some things that God worked in my life in the retreat. I am so glad my friend Debbie invited me to go. I am in awe how His Spirit works through His ministers.

I received the words you spoke to me. I am glad they were written down so I can remember them. It was confirmation to me because He gives me words and tells me to write them down and give them to people. He says He will confirm His word. And He did for me and when you were receiving prophetic words in song, joy filled my heart because at home when I play the keyboard He gives me prophetic words; some times words of praise or words of truth. That was a confirmation of what He is doing in my life too. O I praise Him. And in His time I will trust Him to give

me the words in the hour they are needed. Thank you for flowing in His Spirit.

He has given you a beautiful music ministry that envelopes us in His presence. And He does what He does to minister to all that will receive.

There's much more that He has done and accomplished in me. And the touch of God through your ministry is still within, working His will in me. It is like a fire burning inside of me, His touch, His anointing. And it will continue until His will is preformed in me. God's richest blessings to you and yours.

SGMM,

The Ladies Retreat at Grand Assembly Of God was WONDERFUL! Filese's message and spending time in WORSHIP with all these Precious Ladies helped me more than words can say. I went into the Retreat as Debbie but feel I left as Deborah. My strength has been renewed. I'm so thankful Gena invited me and looking forward to next year. OUR GOD IS SO GOOD and THANK YOU LORD I FEEL SO BLESSED and LOVED.

GOD BLESS - Deborah

Filese,

As you played at the Grand Assembly of God Women's Conference, I heard God's voice clearly. He answered a lot of questions that I have been waiting to hear from Him.

Dear Filese, Miranda and Linda,

What an inspirational day in the deep roots of the Word! The message encompassing "When the Wind Blows" brought new

breath into our lives. As the sisters added the many scriptures from the Word concerning the "natural and supernatural" wind, many truths were unveiled. I loved the participation from the ladies that shared from their hearts and deeper understanding took place.

There were many insightful words Filese spoke into our spirits today. Three that stands out in my mind to share are: (1) Be positioned and open, aligned, looking for God, prepared and pre-prayed. (2) If you will see- you shall see. (3) Yes and Amen. The third being the highest form of worship to our Lord.

Many thanks to SGMM for your outreach, and to Linda for her "Open heart, Open home". Your obedience

and submission blew the mighty wind of the Holy Spirit over us all today.

Blessings and Prayers – Marita

SGMM,

The Women's Retreat at Linda Jarvis' home was a time of good fellowship, good food and a wonderful teaching of the Holy Spirit. The Lord led our teaching, through Filese Hauser, with peace, wisdom and love.

Filese with Linda Jarvis

Filese spoke of the different types of wind, then the group looked up the scriptures, reflecting those types. Of course, the Holy Spirit was the content of the lesson and what He does in our lives and how He works through us. I was blessed greatly with the day's events.

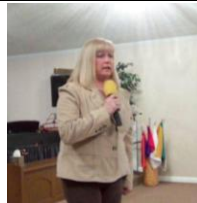

Sharon

Rev. John and Filese,

We just wanted to say that we were blessed by you coming to "Judah". Thanks for letting the Holy Spirit flow through you and for just being real! Blessings to you both - Pastor Liz & "Judah" Family

Dear SGMM,

I would like to thank everyone for all of the cards and prayers for me. I know that without

your prayers, I wouldn't have progressed as well as I have. Thank you for your love to me and my family during this journey. We are blessed and strengthened in knowing our SGMM family is by our side.

We received a good report today (3-31-11) from the surgeon who did the surgery on my right arm after my fall. He took x-rays and is very pleased that the shoulder is holding together (where pins had to be applied to put back together where it had separated), 3 weeks after the surgery.

We still ask you to continue to pray for total and complete divine healing for my arm and shoulder. God bless you all and to God be the Glory! Dortha (Grandma Dortha) – Rush Springs, OK

SGMM,

I attended my first Women's Retreat (with Son Grace Music Ministries and Filese) on March 26th, held in Rush Springs at Sis Linda Jarvis and oh my! What a blessing I received.

First off I missed my exit at Chickasha and had to travel about 26 extra miles before I could exit off I44 heading East I had no idea where I was but knew to head East and Satan kept telling me "you're going to get lost" over and over and I said back "Oh no I am not as I have God riding with me and have Linda's phone number."

Although arriving late, God was not late as the minute I walked in and was made welcome by the women but mostly by God and oh my the blessings just started to flow. I received a special prayer led by Sis Sharon T. and just kept on receiving more blessings from God. Her words were so powerful and touching and again the ever presence of God was there, on me and in me. Thank you Sharon for your beautiful words.

Sis Filese's teaching and sermon was on "the wind" (natural wind and the wind of Holy Spirit). At one point Sis Filese had us to all shut our eyes and as The Holy Spirit led and directed her, Sis Filese, using a hand fan, went to each woman and did as the Spirit directed her by fanning one with a gentle breeze of wind from the fan and another a strong wind upon them and others a mild wind, and then she asked us to share what we experienced as the wind from the fan hit us. As the wind from the hand fan hit me, I felt this gentle breeze from left to right across my face and body, and it was such a calming effect and it felt as though it swept all my problems, fears and etc away. Sis Filese shared such wonderful words from God that I felt everyone left with so much more than they came with.

Later on we were paired with a praying partner and mine was Sis Helen Smith and let me tell you that lady knows how to let God's words flow, so powerful and again another blessing for me. You wonder just how many blessings you are to get at one time in matter of a few hours and I did receive my share.

Of course being in Linda's house was special in itself and getting to talk to her precious Mother who also received special prayer was an honor.

This will not be my last retreat. I encourage every woman if given the chance to attend one of these. You won't go away disappointed and will be very blessed.

Thank you Sis Filese, women from Son Grace and women from The Crown Center for a day that I will not forget.

God Bless – Wanda
