Dear Friends, Partners, and Intercessors,

We are already halfway through this year. Wow, it has gone by so quickly. Already we have faced heartache and trouble on a global scale. Yet at the same time there have been personal triumphs and victories along the way. Some

of you may be in the process of walking out of hard places. Remember the word for 2012 with me.

“There will be VICTORIES over challenges and GREAT BREAKTHROUGHS over obstacles this year, as you remain STRONG and COURAGEOUS.” Let us thank God for all the breakthroughs thus far, and all those yet to come.

“You must assault the opposition through prayer and faithful obedience to what God shows you and tells you. The giants of opposition will fall before the Lord your God as you boldly proclaim the word of the Lord. You will prosper in all that the Lord has for you this year.” In all that is before you, remember to use the word of the Lord, rhema and logos, as a weapon. This is not the time to back down or become weary in our personal time with the Lord.

“The enemy will know this year that when he comes against you, he comes against the Lord and he WILL VICTORY that you gain over the enemy this year will be a great inspiration to other ministries and leaders in the land.” Your words of victory are two fold. First, they let the enemy know that you know he is defeated. He has no legal right to stand against the activated word in your life. Second, this demonstration of victory influences others to move on their victory. Victory is your heritage.

One last reminder to all of us. This year “you will be granted special strength from the Lord to stand against every opposing force and to prevail. You will

prevail, you will prosper, you will fulfill God’s plans and purposes for you.” In the charge to be BOLD, STRONG, and COURAGEOUS, you only have to look to the Lord. You have been promised SPECIAL strength. Tap into the depth of the Lord and His Word.

The Lord is great and greatly to be praised. He is trustworthy and true. Thank you for your support and love. You are appreciated.

Dear Filese,

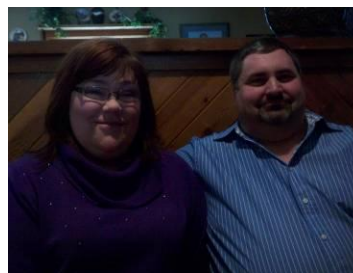

A huge blessing of God descended through the entire day of the Open Heaven Retreat at Kathy's. I can see the cargo plane coming in for a landing, however it is not quite clear how soon it will arrive. Filese, the dream that the Lord has given me is to airbrush the portrait of Jesus for the homeless of Tulsa. He fulfills His promises and the His callings are irrevocable.

My view has been obstructed, even in recent weeks, as this battle of defeating cancer seems to have taken front and center stage. The retreat took time and space from the battleground to remind me who I belong to and who I can trust! It gives me hope and expectancy to know that His plans are in process! The enemy has been defeated and cannot hold me back from the vision the Lord has given.

Filese, it was really sweet meeting you and some of your ministry partners. What a blessing your ministry has been to me, and you didn't even know me. God has loved me through you and your partners. Thank you for His special love in probably the most difficult and challenging ordeal I have ever faced. He knows us and provides more than we could hope or dream. That has been my discovery in Kathy as a friend! Isn't she precious!?! And she just keeps blossoming!

Wow! God is so good! By the way, other friends who attended were very blessed by the day too!

Rita and I love you guys and genuinely appreciate all you have done in the past for BCC, and for all you are doing and will do in the future. Because of Jesus!

SGMM,

We were blessed to have Rev. John and Filese Hauser at Life Springs this past weekend. Filese ministered in worship during our Saturday night service. Many people came forward at the end of the concert for special prayer and ministry. The Saturday night crowd was one of the highest number we have had this year.

Rev. John preached a powerful word on Sunday morning ("THE LION AND THE LAMB"). We were called to the altar to pray for the lost, and at the end of the service one of the men re-committed his life to Christ. John's (over all) word was "It's not about you." "It's about HIM!" As always John and Filese encouraged, exhorted, and prophesied to many different Life Springers during their stay. They always pour themselves into our people.

Their "special ops" ministry goes behind enemy lines to collect intelligence information so that people and churches can experience victory in Jesus!!

Blessings - Pastor Steve

SGMM,

Just a quick note to say thanks for coming to Starlight Ministries in Stillwater this past weekend. We were really blessed. It seems as though Rev John took several of the past couple of months sermons and synthesized them into one.

What a blessing and confirmation to the people.

Of course the music was powerful as always but many are most thankful for the altar ministry. Prophetic words were given in power and grace and were right on target. We are truly headed for a new day of Blessings in Jesus.

Filese & John-

Thank you for being part of our meeting this past Sunday. The quality of the meetings were excellent with the folks receiving your messages without reservation. I am amazed at the quality of ministry we received. I know the Lord must be pleased with both of you. We hope you will return to our Church!!!!—

Dear Miranda & SGMM,

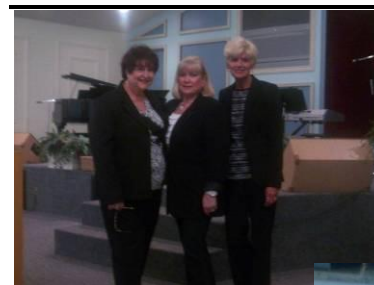

As you know "strong and courageous" were 2 very key words throughout your retreat. When we left my guest, Lauren, was immediately wanting to attend another retreat this year. She was wanting to attend the retreat with the theme "Be Strong and Courageous"!!!!

WOW - God just always WOWs me!!! Then at Sunday School Sunday morning my class is all women who attend church without our spouses. We have anywhere from 5-8 each Sunday, 3 of us are currently dealing with divorce and children. Everyone always knows when I am going to attend a retreat because I tell them for weeks ahead of time because I am so excited. I was able to share with them how wonderfully God moved last Saturday at the retreat. One women in my class mentioned how the events of her situation keep going over and over like a tape in her head. I was able share how Filese showed us how she dips the brush in the blood of Jesus and holds up the sword. The Word of God. Now my whole class it dipping and blocking with the sword!!!! It is fantastic!!!!

(Given at the SGMM Word Conference 2010 by SGMM Spiritual Advisor, Rev. John Youell, Sr.)

Many times we have words hurled at us from someone, maybe someone we know and it hurts like a crushing to our hearts. Recently, the Lord reminded me through a friend at work that I may read or hear those words but I/we do not have to receive them. Just slowly start dipping that spirit brush in the blood and removing those words by the painting of the blood over them and then take the Word of God and hold it up as the sword that wards off the enemy by your faith in that Word and cancel out the negative with God's positive powerful Word. And like Aaron did to Moses holding up his arms, my friend at work did or me. I am becoming "STRONG AND COURAGEOUS".....DIPPING, AND HOLDING UP THE SWORD.

I AM SO THANKFUL!
