# A Heart Shared Witness and Testimony

*A Heart Shared Witness & Testimony by, Pastor John Youell, Sr. He and we, pray that it might be an encouragement to you, giving you a FRESH application of Faith & Hope in Jesus Christ, and helping you to face & handle anything that you might be dealing with in this Season!*

In this Covid culture of sickness and death, we are living in today, we who follow Christ must make a clear and definitive decision - AM I TRULY THE LORD'S? The Apostle Paul declares in Romans 14:8, "If we live, we live for the Lord; and if we die, we die for the Lord. So, whether we live or die, we belong to the Lord."

How do we know we truly belong to the Lord and have given everything over to His Lordship? No matter the circumstance or situation we are at peace with the outcome, and we continue to live a life of Joy in the Lord being faithful to complete our God assigned task here on earth.

In 2 Samuel 12, we have the story of King David fasting and praying asking God to heal his son. When the child died, David (v.20) "Got up from the ground. After he had washed, put on lotions, and changed his clothes, he went into the House of the LORD and Worshipped." When questioned by his servants how he could act so peacefully and joyfully at the passing of his son David replied, (v.22-23) "When the child was still alive, I fasted and wept. I thought, Who knows? The LORD may be gracious to me and let the child live. But now that he is dead, why should I go on fasting? Can I bring him back again? I will go to him, but he will not return to me." This is the attitude and mind set I'm living in now that my darling wife, Anne', is no longer with me but is now with the LORD.

When my darling wife was stricken with covid pneumonia and also developed a staph infection (MRSA) and was put on a ventilator in ICU, we did what we should do - we prayed to the Lord based upon His Word asking for a miracle of physical healing so she could stay with us in this earth. We prayed right up until the last minute when it was apparent her time on earth was over and it was her appointed time to go to be with the Lord. Did I want her to remain with me physically, yes! Did my heart hurt and did I mourn for her when her spirit and soul left her body and she returned to the Lord in Heaven, yes, I did, but I mourned with hopeful joy knowing that she was ultimately healed and was more alive in Heaven than here on earth and I know with each passing day I'm getting closer and closer to being with Jesus and with my darling wife Anne one day.

We had a practice of kissing each other in the morning and at night telling one another, "I love you." Even though her body is not with me today (however she is with

me in mind and spirit because we are "one spirit with Christ" - 1 Corinthians 6:17) each morning I go to her picture and kiss her telling her "Good morning, babe. I know you're going to have a great day in Heaven today. I'm going to have a great day here on earth as well. I'm one day closer to being with you and Jesus today and will see you soon."

Some people may think this is callous and hard hearted (it may be in the natural world but not in the spiritual world of which I am a citizen and an heir to all God has promised.) I've learned over the years and have trained myself to live out of my spirit man by the Will, Word and Ways of the Lord, not out of my natural man of sorrow, grief and fear. I believe each of us who claim to be Christ-followers must get to the place of training and strengthening our spirit man (through prayer, God's Word, and pre-determining each day, with the confession of our mouth, that no matter what - we are the Lord's, and His Will is to be done regardless of what we think or feel.) I'm convinced, tougher days are ahead for believers in this world and in America and if we don't develop our spirit man and live by Faith not by sight, or feeling, then how will we stand when things get more challenging?

Jeremiah 12:5 "If you have raced with men on foot and they have worn you out, how can you compete with horses? If you stumble in safe country, how will you manage in the thickets by the Jordan?"

These challenging Covid times we are living in require us, who claim to be Christ followers, to accept the challenges that come our way and not allow them to cause us to stumble in our Faith and Confession but pre-determine to "war a good warfare" as a good soldier of Jesus Christ so that our Faith will not be shipwrecked (1 Timothy 1:18-19).

So, church let's accept the challenges of today as Warriors for Christ, putting on the whole Armor of God so we can always be standing with joyful celebration in Christ no matter what comes (Ephesians 6:11).

When people ask me, in light of not having Anne' with me in this earth, "How are you doing?" My reply is "I'm awesome and doing great" as I make adjustments in not having her with me physically but knowing she is with me continually in mind and spirit and each day is bringing me closer to a great reunion in Heaven with Jesus my Lord and with my wife and all my loved ones who are part of that Great Cloud of Witnesses waiting for me to join them in Heaven one day.

Standing in Christ - for Christ  
in Joyful Victory!  
A Heart Shared Witness &  
Testimony
